ISSUED TUESDAYS AND FRIDAYS

MCNINCH CLAIMS BIG GAINS FOR KITCHIN,

Frank R. McNinch, of Charlotte, manager of the Kitchin, Senatorial campaign in the State, yesterday claimed a majority of at least 25,000 votes for Kitchin on the first ballot, and said he was as certain Kitchin would be nominated as anything in the world. He said that three months ago he wouldn't have claimed such a majority, but now there has resulted a great change all over the State in which the swing has been over to the Kitchin forces.

Mr. McNinch said as vigorous a campaign as possible, handicapped by the lack of funds, is being waged and will continue to be waged, and that the campaign fund had been contributed to chiefly by friends of the Governor and different Democratic leaders over the State. He expressed the hope that Kitchin and Simmons would get together in a joint debate, believing this would appeal to the voters as the best way of clearing up the issues. McNinch said that in the last three weeks there has been a remarkable trend in the State toward the cause of the Governor. He said Senator Simmons could not avoid the searchlight that had been thrown on his record and that it would be an egregious blunder to elect both Wilson and Simmons when one is a progressive Democrat and the other a reactionary. The latter, said he, being out of harmony with the leaders, Bryan and Wilson, would hinder the cause of progressive Democracy.

These charges, he claimed, have been going on rapidly all over North Carolina, in the various counties of the State, and in Guilford county, and the result, said he, would mean the defeat of Simmons and the election of Kitchin.—Greensboro News.

MARRIAGE OF TWO FORMER REIDSVILLE YOUNG PEOPLE

Alexandria, Va., Sept. 24.—A marriage of much interest was solemnized in the Catholic church today when Miss Minnie Elizabeth Wells, of this city, formerly of Greensboro, N. C., became the bride of Mr. Robert M. Craddock, of Roanoke, Va. Immediately following the ceremony Mr. and Mrs. Craddock boarded the train for a tour of Western North Carolina and Tennessee.

The bride is the attractive daughter of Mr. and Mrs. J. T. Wells, and has scores of friends throughout Virginia and Carolina who will learn of the marriage with interest.

The groom is a young man of splendid attainments and at the present time holds a responsible position with the Southern Railway Co. at this place.

WENDELL MAN WEDS REIDSVILLE GIRL

Greensboro, Sept. 26.—A marriage which was quite a surprise and of much interest to their many friends was solemnized shortly after nine o'clock last night at the home of the Rev. Eli Recce, of the Friends' church, this city. Only a few relatives and intimate friends witnessed the ceremony.

The contracting parties were Miss Maude E. Baker, of Reidsville, and F. Eugene Hester, Esq., of Wendell. The bride was becomingly attired in a handsome blue cloth suit, with hat and gloves to match, and carried a lovely bouquet of lilies-of-the-valley.

Miss Baker is a daughter of Mr. and Mrs. G. W. Baker, of Reidsville, and is well known and universally liked throughout the State. She is a young woman of rare business qualities. She filled the position of Deputy Collector of Internal Revenue at Reidsville for some time, but has been in Raleigh for the past two years, where she held a responsible position.

Mr. Hester is a prominent young attorney of Wendell and Raleigh. He is a native of Wake county and a graduate of the State University, and has a host of friends throughout the State.

Mr. and Mrs. Hester left on train No. 23 for an extended visit to Northern cities.

THE PROVERBIAL "SPECIAL" HAS RESUMED BUSINESS

Although the scene shifted from Washington some days ago, the Simmons "specials" from the Capital City have broken out again. Perhaps it was mere happen so, but nevertheless it looked significant, that on the day after Senator Simmons passed through Washington this week, on his way from the North, there came another one of those proverbial "specials," this one telling how three or four of Senator Simmons' colleagues told of his harmony. Solicited by the "special" writer they responded in most pleasant manner about one with whom they had been associated, but it would have looked much better had these remarks been voluntary or had the "special" been more explicit as to the manner of obtaining. The Democratic Senators, once on a time, not many moons ago, asked Senator Bailey, of Texas, to withdraw his resignation; no doubt as a matter of pleasantry, due to association.

But the point we really started out to make is this: The inconsistency of some papers is again plainly apparent. Some of the papers that yelled loudest against "outside interference," in opposition to the multitude of adverse comments on Senator Simmons—comments not solicited—are setting forth, in quite elaborate style, the remarks of the three or four outsiders, as quoted by the "special" correspondent. And, by the way, what are the Senators doing in Washington just now, when Congress adjourned over a fortnight ago?—Wilmington Dispatch

GROWING IN GRACE AND LIVING TOGETHER WITH GOD

To grow in grace and in the knowledge of the truth is not to depart from the truth at any time. Both the doctrine and the practice of the Word are to be diligently sought after with all prayer and supplication at all times, in believing and walking and exhorting to good works. Thus alone can God be glorified and the good of Zion secured.

For God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ.

Who died for us, that whether we wake or sleep, we should live together with him?

"Wherefore comfort yourselves together, and edify one another, even also as you do."—1 Thes., 5:9-10-11.

Niagara's Jumping Off Place Cut Away and Sent Over Falls.

Employees of the Niagara state reservation at Niagara Falls have cut away "suicide point" and sent it over the falls.

From this little promontory many persons have leaped to their death. It was a few feet above the brink of the falls and was used by the reservation employees as a place from which to dump refuse. For this reason it was retained long after it got the sobriquet of "suicide point."

The number of persons who have used the point as a jumping off place has been so many of late that Superintendent Eckert decided to get rid of it.

A CLEAN RECORD FOR THE STATE DEMOCRACY

The Observer has received from State Chairman Webb a copy of the North Carolina Democratic Handbook for 1912, of which mention was made in yesterday's paper. It contains a great deal of political information of value for reference, and very properly boasts of the record the Democratic party has made in North Carolina. It is the truth that the Democratic administration of affairs in North Carolina has been, and is, the despair of the Republican party. No State, North or South, has a cleaner record, or one freer from scandal of any sort, and it has been peculiarly an administration for all the people of the State. It is a record that is above reproach and one that invites no assault. The people will this year endorse it by a larger majority than ever.—Charlotte Observer.

MEETING OF DISTRICT LODGE OF COLORED MASONS.

The District Lodge of Masons (colored) met here on the 19th and 20th with a large delegation present. Practically all the lodges were represented.

Prof. R. B. McRary, Most Worshipful Grand Master, and Rev. J. J. Cook, Grand Lecturer, were present. The meeting was instructive and a perfection and a stimulus in the ritualistic and monitorial is encouraged in these meetings.

The annual contest for the "Loving Silver Cup" was a prominent feature of the last day. This cup is eight inches high and 16 inches in diameter, highly embellished with Masonic emblems. It is made of silver and is purchased by the Grand Lodge and awarded annually to the member who is most proficient in the ritualistic and monitorial work.

The final contestants were Prof. J. W. Paisley, of Winston, and Robert S. Graves, Master of Lane Star Lodge No. 33, Reidsville. Graves won over Paisley, having answered all the questions and showed the highest degree of proficiency in the ritualistic work.

The local members are very much delighted with the honors won for their lodge by the Master. Prof. R. B. McRary, Grand Master, presented the cup amid outbursts of applause.
