M. G. NEWELL CO.,
Greensboro, N. C.

LAND SALE.

Under the power of sale contained in a deed of trust dated August 14, 1909, executed by W. M. Craddock and wife, Etta Craddock, and duly recorded in the office of the register of deeds of Rockingham county, Book 160, page 522, the terms of which have not been complied with, I shall, in front of the Rockingham Savings Bank and Trust Company, on

MAY 17, 1913, at 12 o'clock noon sell for cash to the highest bidder the following described real estate in Reidsville township, Rockingham county, to-wit: A certain lot or parcel of land adjoining the lands of John Craddock, Mrs. Laura Woods and others, beginning at a stake in John Craddock's line on the Eastern margin of Maple avenue, thence along Maple avenue South 10 3-8 d. East 136 feet to a stake corner of lot No. 3, thence South 87 1-8 d. East 200 feet to a stake of another corner on lot No. 3; thence North 10 3-8 d. West 134 8-10 feet to a stake in Mrs. Laura Wood's line; thence her line and Craddock's North 86 3-8 d. West 200 feet to the first stake, being lots Nos. 1 and 2, section D in the survey of Thos. Martin.

W. M. GILES, Trustee.
Reidsville, N. C., April 11, 1913.

LAND SALE.

Under the power of sale contained in a deed of trust dated March 22, 1911, executed by W. M. Craddock and wife, Etta Craddock, and duly recorded in the office of the register of deeds of Rockingham county in Book 171, page 170, the terms of which have not been complied with, I shall in front of the Rockingham Savings Bank and Trust Company at 12 o'clock noon on SATURDAY, 17TH OF MAY, 1913, offer for sale to the highest bidder for cash the following real estate situated in Reidsville township, Rockingham county, to-wit: Adjoining the lands of Bracken Cobb, W. M. Craddock and others, beginning at corner of Bracken Cobb's lot on Martin street; thence in Eastern direction 725 feet with Martin street to a stake; thence in a Northern direction 400 feet to a stake; thence in a Western direction 825 feet to a stake W. M. Craddock's corner; thence in a Southern direction 400 feet to a stake at the beginning, containing 7 acres, more or less, and being a tract or parcel of land bought of the Reidsville Realty and Insurance Company, and known as Section G and D in the survey of the Thomas Martin lands.

R. S. MONTGOMERY, Trustee.
Reidsville, N. C., April 14, 1913.

REGISTRATION NOTICE FOR TOWN ELECTION.

Notice is hereby given that the registration books for the Town Election to be held on May 5, 1913, will be kept open for registration between the hours of 9 a. m. and 5 p. m. on each day (Sunday excepted) for twenty days preceding the day for closing of the registration books, as hereinafter provided, and will be kept open for the registration of any electors residing within the corporate limits of the Town of Reidsville and entitled to registration. The registrar will, between the hours of nine o'clock a. m. and 5 o'clock p. m. on each day (Sunday excepted) for seven days preceding the day for closing of the registration book as hereinafter provided, keep open said books for the registration of any new electors residing in the town of Reidsville, and entitled to register, whose names have never before been registered in said town of Reidsville, or do not appear in the revised list. Said registration books shall be open until 9 o'clock p. m. of each Saturday during such registration period and shall be closed for registration on the second Saturday before said election, it being the 26th day of April, 1913.

That during the period of said registration herein provided for the registrar will attend with his registration books on each Saturday at the Town Hall for the registration of voters.

The registration books will be closed for registration at 9 p. m. on the second Saturday before said election, it being the 26th day of April, 1913.

The registration books will be kept open until 9 p. m. at the Town Hall on the second Saturday before the election, it being the 26th day of April, 1913, for the inspection of the electors of the Town of Reidsville, and on said day any of such electors shall be allowed to challenge or object to the name of any person appearing on said books.

I will have the registration books at the Burton-Chance Walker Co's. furniture store every day except Saturday from 9 a. m. to 12 m. and from 2 p. m. to 5 p. m. within the time prescribed by law.

This 1st day of April, 1913.
P. H. WILLIAMSON,
Registrar.

LAND SALE.

Under an order of the Superior Court for partition among the parties in interest, the undersigned will, at the court house door in Wentworth, at noon, on Monday, the 19th DAY OF MAY, 1913, sell for cash to the highest bidder the tract of land owned and occupied by the late W. M. Settle at the time of his death, situate in Wentworth Township on the waters of Town Creek, adjoining the lands of Nathan Mobley and others, containing 372 acres, more or less.

Beginning at a White Oak Sapling, on the East side of the branch; thence S. 25 W. 56 poles to a grub; thence S. 55 W. 36 poles to a walnut on the East side of one prong of Town Creek; thence down the meanders of said creek N. 49 W. 10 poles; N. 83 W. 6 poles; S. 25 W. 14 poles to the fork of said creek; thence up the Southwest fork South 8 E. 6 poles; S. 37 E. 3 poles; S. 36 W. 5 poles; S. 36 E. 2 1-2 poles to the mouth of the branch; thence up the same S. 64 W. 4 poles; S. 20 W. 11 poles to a poplar; thence S. with the Henderson line 43 poles to a white oak; thence W. with said line 18 poles to another white oak; thence S. 55 E. crossing one branch 72 poles to a post oak, Nathan Mobley's corner; thence North with his line crossing said branch and one fork of Town Creek 44 poles to a stake on the North side of said creek; thence E. with said line 103 poles to a post oak; thence South with said line 43 poles to a black jack in Mobley's line; thence East with John Settle's line 205 poles to a small black jack sapling; thence North 3 E. with Hazelip's line and crossing two branches 170 poles to a grub, originally a post oak sapling in T. B. Wheeler's line; thence West with said line crossing one small branch 121 poles to another grub, formerly a post oak; thence North with said line crossing one small branch 121 poles to another grub, formerly a post oak; thence North with said line crossing one branch 60 poles to a chestnut sapling; thence West with said line 21 poles to a new corner; thence North with said line 30 poles to a white oak sapling; thence West 3 North with George Well's line 108 poles to pointers; thence South with said line 77 poles to the first station, being the land purchased by R. W. Dallas from Josiah Bulington. Book Third N., page 90.

This land will be divided and platted in three parcels, each of which will make a desirable farm, and at the sale will be offered as a whole and in separate parcels. The boundaries and plats of the whole tract and of the several parcels will be exhibited at this sale.

Terms of sale: Cash, subject to confirmation of court upon report of the commissioners.
This the 8th day of April, 1913.
C. O. McMICHAEL,
H. R. SCOTT,
Commissioners.

REPORTS FINDING A CANCER SERUM

Boston Physician May Have Discovered Cure.

WILL TREAT HUMANS SOON.

Experiments on Rabbits Indicate That the Poison of Malignant Tumors Can Be Destroyed, Discoverer Says—Positive Cure Not Yet Promised, However—Methods Explained.

The discovery of a serum which kills cancer poison and which, physicians believe, may prove to be a cure for cancer has been announced by Dr. Howard W. Newell, instructor of pathology at the Boston university school of medicine.

At the seventy-third annual meeting of the Massachusetts Homeopathic Medical society, which took place recently, Dr. Newell announced his discovery. The announcement followed three years of research work, he said.

What he has found, he explained, is a chemical process for the extraction of poison from a malignant tumor in man and with this poison obtaining from rabbits a serum which when mixed with the original serum in the proper proportions wholly nullifies the poisonous properties of the tumor extract.

Will Experiment on Humans.
Dr. Newell soon will experiment on cases of cancer in human beings. Every patient to be inoculated with his serum must first have been declared by a committee of five surgeons to be a victim of cancer.

Dr. Newell describes how, from cases of operable tumor where a diagnosis of cancer (carcinoma) had been positively established by clinical and by microscopic findings, the freshly extracted malignant growth was freed from fat and extraneous tissue, cut into small pieces, boiled for several hours in water and then filtered and boiled and filtered again to remove the proteins.

"This filtrate," said he, "was exactly neutralized and the solution was evaporated on the water bath to a sirupy consistency. This sirup was carefully extracted with pure alcohol, and the extract after the removal of the alcohol by distillation was repeatedly treated with ether. The residue, insoluble in the ether, was then dissolved in water, and the solution was rendered strongly acid and again thoroughly extracted with ether.

"This time the etherial extracts were collected, the solvent removed by distillation, and the final residues again were dissolved in water. The aqueous solution was rendered alkaline, boiled for half an hour and again filtered. On the spontaneous evaporation of the filtrate long, white, needle shaped crystals separated, and these were purified by repeated recrystallization in water.

"These crystals in their purified form are the basis of the subsequent investigations," he said.

Experiments on Rabbits.
"While up to the present the exact chemical nature of the active tumor extract is not known, its capacity to produce anti-bodies could be studied experimentally to advantage. To this end a series of immunization experiments were undertaken with healthy adult rabbits.

"These were used with one-tenth of a cubic centimeter of the tumor solution. Ten days later an immunizing dose of ten milligrams of the active substance formed in the body of the guinea pigs was given. Ten days later a second solution was used. This dose had been sufficient to kill nonimmunized rabbits in twelve hours. Three more immunizing doses were given at ten day intervals. In a period of fifty days the animals received sixty-four milligrams of the toxic substance, divided into six doses.

Hope Cure May Be Found.
"The serum from these rabbits when mixed with the original tumor solution in the proportion of ninety-nine parts of solution to one part serum completely immunized all other rabbits and guinea pigs from the action of the original solution, though double the death dealing dose was administered in every experiment.

"The serum from the animals immunized contains a substance or mixture of substances which possesses the power of antagonizing the toxic action of the tumor substance. This has been demonstrated by use of the serum either previous to or simultaneous with that of the tumor poison. In both events no effect is observed from quantities of the poison which if used alone would produce a rapidly fatal intoxication.

"With the simultaneous use of poison and anti-body it has been shown that one part of the latter will effectually antagonize ninety-nine parts of the former."

Funds For Polar Expedition.
The National Geographic society, with headquarters at Washington, has voted \$20,000 toward the cost of the scientific north polar expedition which will leave the Pacific coast under the command of Captain Roald Amundsen in June, 1914, to explore the polar basin.

PLAN MEMORIAL TO MOLLY PITCHER, FAMOUS HEROINE

Patriotic Citizens Suggest a Monument at Her Grave in Carlisle, Pa.

Patriotic citizens and organizations are taking great interest in the proposal that a monument in honor of Molly Pitcher, heroine of the battle of Monmouth during the Revolutionary war, be erected at Carlisle, Pa., where her body is buried.

Advocates of the memorial plan got the Pennsylvania legislature interested in the subject and expect definite results soon.

It is planned to honor this American woman, who bravely took her husband's post at a cannon in one of the fiercest battles of the Revolution after he had fallen.

The proposed memorial has been designed as a pedestal surmounted by a figure of the strenuous Molly, whose married name was McKelley or McCauley. Particular care has been taken by the sculptor to make the likeness as perfect as possible.

Five women descendants of Molly, now living in Carlisle, were used as models for the statue. Excellent descriptions by people who knew the woman were available and were used in molding the figure.

On the proposed monument, for which the state of Pennsylvania will be asked to spend \$15,000, are two bronze tablets, one of which will show Molly with her traditional pitcher lending succor in the midst of battle and the other will show her at the cannon's mouth. In front of the monument an exact reproduction of the cannon she served will be constructed.

Pains in the Stomach.

If you continually complain of pains in the stomach, your liver or your kidneys are out of order. Neglect may lead to dropsy, kidney trouble, diabetes or Bright's disease. Thousands recommend Electric Bitters as the very best stomach and kidney medicine made. H. A. Alston, of Raleigh, N. C., who suffered with pain in the stomach and back, writes: "My kidneys were deranged and my liver did not work right. I suffered much, but Electric Bitters was recommended and I improved from the first dose. I now feel like a new man." It will improve you, too. Only 50c. and \$1.00. Recommended by all druggists.

Coughs and Consumption.

Coughs and colds, when neglected, always lead to serious trouble of the lungs. The wisest thing to do when you have a cold that troubles you is to get a bottle of Dr. King's New Discovery. You will get relief from the first dose, and finally the cough will disappear. O. H. Brown, of Muscadine, Ala., writes: "My wife was down in bed with an obstinate cough, and I honestly believe had it not been for Dr. King's New Discovery, she would not be living today." Known for forty-three years as the best remedy for coughs and colds. Price 50c. and \$1.00. Recommended by all druggists.

For Burns, Bruises and Sores

The quickest and surest cure for burns, bruises, boils, sores, inflammation and all skin diseases is Bucklen's Arnica Salve. In four days it cured L. H. Haflin, of Iredell, Tex., of a sore on his ankle which pained him so he could hardly walk. Should be in every house. Only 25c. Recommended by all druggists.

LAND SALE.

Under the power of sale contained in a Deed of Trust executed to me by John Settle of date July 13, 1912, the terms of which have not been complied with, I shall at the court house door in Wentworth, at noon, on Monday,

THE 19th DAY OF MAY, 1913, sell for cash to the highest bidder a certain tract of land, lying in said county, adjoining the lands of J. P. Smothers, Cicero Knight, F. P. Saunders and others:

Beginning at a white oak in the line of the heirs of T. C. Moore, (afterwards Knight); thence North with said line 45 poles to a black oak, Moore corner; thence East with the old King line, (afterwards Newnam) 50 poles to a poplar; thence South 45 poles to a black gum in the Newnam line; J. P. Smothers' corner; thence West with J. P. Smothers' line 48 1-2 poles to the beginning, and containing 14 1-2 acres, more or less, on the head waters of Piney Creek.

This the 15th day of April, 1913.
H. R. SCOTT, Trustee.

ADMINISTRATOR'S NOTICE.

Having qualified as administrator of the estate of John H. Settle, deceased, notice is hereby given that all persons owing said estate will please come forward and settle their accounts. All persons having claims against said estate must present them to the undersigned, duly verified, on or before April 11th, 1914, or this notice will be pleaded in bar of their recovery.
R. S. MONTGOMERY, Adm'r. of John H. Settle, Deceased.
Reidsville, N. C., April 11, 1913.
