man Says He's Sane. It seems that a number of the Hans Schmidt, the priest who statements that have been given out murdered Anna Aumulier, became frenzied at the cofoner's inquest into the death of his victim, rose from charge of bigamy, have been far rosary he had worn ever since his from the true conditions of affairs incarceration, tore it into many bits, and hurled them at newspaper reporters sitting half a dozen steps

The jury found him responsible for

the girl's death. District Attorney Whitman pressed the positive conviction that Schmidt is sane and consequently will be placed on trial for the murder of Anna Aumuller, whom Schmidt killed as she slept, dismembered and sank in the Hudson river September 2nd.

Mr. Whitman's opinion, it is understood, is based on the finding reached by four alienists who have examined Schmidt in the Tombs at Whitman's behest. Their formal report will be made in a few days.

Coroner 'Feinberg empannelled his fury of millionaires and began an inquest into the slain girl's death. Only three portions of the body, upper and lower parts of the torso and leg, have been recovered from the a position as stenographer. river. These were viewed by the

Schmidt's outburst of temper occurred in the presence of the jury of millionaires empannelled to conduct the inquest. The verdict was Early in September Mrs. Scott quickly found. It was: "We, the had reason to suspect the double role jury, believe Anna Aumuller came her husband was playing and wrote to her death September 2, 1913, at him to that effect, and under the 68 Bradhurst Avenue, at the hands

Schmidt immediately was remandten he made the following state to to the Tombs to await the action in the interest of his health.

And Wilkes Will Remain in Eighth District.

The House recalled from the Sen-Dr. D. I. Craig is attending the ate the Bumgarner bill, which, under the guise of a purely local measure, undertook to transfer Wilkes county from the Seventh back to the Eighth Congressional district. It came back from the Senate with the report of the judiciary committee, denouncing it as misleading in title, calculated to deceive and violating the confidence the House has always placed in its members in local matters and expressed the contempt of the committee for the bill.

The Senate, in committee of the whole, defeated the Justice constichildren, of Danville, were visitors tutional proposed for the initiative and referendum, 28 to 14.

The proposal for pay of legislafrom Norfolk where she has been tors to be six dollars per day and ten cents mileage was adopted.

Senator Hobgood introduced the Senate and Repressentative Wood in the House duplicate bills the creation of a public service commission for North Carolina take rate-making duties from the Corporation Commission as to railroads, telephone, telegraph and hill was prepared by officers of the Mrs. J. S. Hutcherson and Mrs. State Just Freight Rate Association, H. G. Broome spent last week in it being claimed that for the next two years especially the State will need an expert commission to devote its entire time to readjustment of rate matters. This would leave to the Corporation Commission the supervision of State banks and State tax commission work more especially.

The resolution was considered for the Ward bill appropriating sixtyty-two thousand dollars for the State School for the Blind to be withdrawn from he appropriations committee and restored to the committee on school for the blind to see if Greensboro Woman's College, spent Raleigh will not pay the four thousand dollars balance due on the new site and take care of the situation, and if not that other towns in the State be allowed to bid for the institution. An amendment carried to have the judiciary committee investigate.

A bill to authorize the Corporation Mr. John W. Harris has gone to Commission to employ an additional bank examiner was presented.

The Senate, in committee of the Mrs. A. L. Haskins, and children whole, adopted without discussion leave today for a visit to Mr. John the proposal to change "insurrection" and "rebellion" in the constitution to "War Between the States."

The Thomas resolution for a commission to revise judicial procedure in North Carolina came in for lengthy discussion in the House and finally passed with an amendment that the expenses of the commission be limited to five hundred dol-

ing majority proposal eight, provid-
