It is essential that your prescrip-
tions have every bit of the poten-
cy that the physician relies upon
or else the results will be disap-
pointing.

To insure this, drugs must be
fresh, pure, active and must be
properly compounded. Our trade
is very large, which insures rapid
selling and, hence, freshness. We
have every drug ever called for.
All prescriptions are compounded
by registered pharmacists, and
the price is always reasonable.

**WAR PROVES WAGE RAISER
IN BRITAIN.**
War has unexpectedly raised the
wages of workers in Britain.
Food prices in England are up
about 10 per cent. Wages have
gone up more than 5 per cent. Be-
yond that there is much overtime.
According to the returns of the
British board of trade the follow-
ing wage increases have been
made:
Railway men, 75 cents a week.
Longshoremen, from 25 cents to
32 a week.
Police men, 75 cents a week.
Carpenters, \$1 to \$1.50 a week.
General laborers, 75 cents to \$1.50
a week.
Gas workers, \$1 a week.
Bakers, increase of \$1.25 a week
asked, but employers' offer of 75
cents accepted pending negotia-
tions.
Textile workers, bonus for over-
time work in factories doing work
on army clothing.
Miners, employers generally offer
10 per cent advance in pay; miners
demand 20 per cent.
Postal employees, including tele-
phone and telegraph workers, in-
crease of \$1 a week has been de-
manded.
Boot and shoe workers, 5 to 10 per
cent.
Coppersmiths, average wage be-
fore war \$9, now \$12.50.
Clerks, some increase; 150,000 go-
vernment assistants have asked a re-
adjustment of wages; similar move-
ments pending in other branches.
Engineering and building trade
workers, some sections have secur-
ed substantial increases.

**HOW TO TREAT
CROUP EXTERNALLY**
Don't dose delicate little stomachs
with nauseating drugs—rub
VICK'S Croup and SALVE
well over throat and chest; in five
minutes the breathing is easy and in
fifteen minutes the worst cases are re-
lieved. The heat of the body releases
antiseptic vapors which are inhaled
with each breath, loosening the tough
phlegm and cleansing the air passages.
Absolutely harmless; full ingredients
in wrapper. At all drug stores, 25c, 50c
and \$1.00. Liberal sample on request.

WHOOPING COUGH.
"About a year ago my three boys
had whooping cough and I found
Chamberlain's Cough Remedy the
only one that would relieve their
coughing and whooping spells. I
continued this treatment and was
surprised to find that it cured the dis-
ease in a very short time," writes
Mrs. Archie Dalymple, Crooksville,
Ohio. For sale by Gardner Drug Co.
