

MADISON.

The prospects, again, are very bright for lights for Madison. Sam Carroll was given a hearing before Esq. Jesse Pratt Monday morning on the charge of being implicated in transportation of whiskey to this county from Ridgeway, when a team and wagon belonging to his mother-in-law were captured several weeks ago along with several gallons of whiskey. After the witnesses for the State had been heard Esq. Pratt dismissed the case, in view of the fact that no case was made out against Mr. Carroll. Several days ago Dr. J. A. Roach and

H. J. Walker had a misunderstanding about the courtesies of passing each other while driving automobiles. Chief Walker drove by Dr. Roach at a pretty rapid gait and the latter did not propose to "take dust," so he passed Walker. The latter issued a warrant for Dr. Roach for reckless driving when Dr. Roach in turn issued a warrant for Walker for exceeding the speed limit. Dr. Roach plead guilty and was fined \$2.50 and costs. Walker plead not guilty and was fined \$5 and costs. He appealed to the Superior court. They were given a hearing before Mayor Jones on Wednesday

day of last week. Tom Smothers, the Norfolk and Western special officer, has been pretty busy during the past week running in hoboes. In our last issue we noted that he had captured several. During this time eight have been added to the road force of Rockingham county, each serving a term of thirty days. These gents will soon learn, no doubt, that it does not pay to attempt to beat a Norfolk and Western train, for when they do so and are caught it means thirty days real work, and as a general thing they are somewhat averse to this kind of labor. The contract has been let for the enlargement of Hotel Sterling and the carpenters will begin this week. Eight rooms are to be added. T. R. Pratt, who went to Baltimore several days ago for treatment, returned Sunday night and his many friends will be pleased to learn that his condition has greatly improved.—Messenger.

STONEVILLE.

Miss Aubrey Gerry is visiting relatives in Roanoke. Miss Ruby Thomas is visiting her sister, Mrs. L. A. Taylor, at Siloam. Miss Ruth Cooper of Critz, Va., is visiting her aunt, Mrs. G. M. Mitchell. Miss Nell Taylor is visiting friends in Mayodan. Miss Ethel Crantz of Spray was visiting here recently. Miss Elizabeth Matthews of this place is staying with her brother, Dr. W. W. Matthews, at Spray and attending the Leaksville-Spray Institute. Messrs. Frank King and Frank Joyce were in Reidsville and Greensboro Tuesday on business. Mrs. Sue Stone of Reidsville is visiting her son, R. L. Stone. Mr. H. L. Mitchell has returned from a business trip to Charlotte. Mr. B. R. Stone of Reidsville was in town a few days ago. Mr. Green, the actioneer for the Union Warehouse, spent the week-end at his home near Walnut Cove. A team of mules property of Messrs. G. C. and H. N. Joyce of Spencer, Va., ran away as they were leaving here and badly smashed the wagon. Fortunately none of the occupants was injured. The animals became frightened at a hand car sitting on the track just above Mitchell's garage. First, they struck a large oak tree in the front yard of M. H. Fitz's residence, then went up the railroad track running for about half a mile until they reached the deep fill, when the wagon, mules and all rolled down the bank into the road. The four-year-old son of Mr. H. N. Joyce was in the wagon un-

til it rolled down the fill bit he escaped injury.

Mr. and Mrs. H. L. Glenn have returned after spending several days near Price with the latter's parents, Mr. and Mrs. N. C. Deshazo.

The Stoneville High school opened last week with about 250 pupils enrolled. Quite a number of people attended the opening exercises and reported that it was the best in years. Prof. J. C. Caldwell of Gastonia is principal, and Mrs. Weathersby, Miss Ada Joyce and Miss Cassie Fagg are assistant teachers.

ROUTE 6 (REIDSVILLE).

The Brunswick stew given by Mr. Bob Corum was enjoyed by a good many. It seems that Brunswick stews are all the go on Route 6.

Mr. Jim Kemp has accepted a position with R. M. Gillie and will move to town soon. We don't like to give up so jolly a fellow as Jim.

Mr. and Mrs. J. O. Craddock have returned to their home in Meridian Miss., after spending a week with their mother, Mrs. E. A. Craddock.

Mr. Harry Crist was a visitor on Route 6 last week. Mr. Velma has gone to Burlington where he has accepted a position. We wish him great success.

Services were held at Sadler every night the past week. Good crowds attended.

We are indeed thankful that Mr. Bennett is grading our road which has been in very bad condition.

Sadler School began today (Oct. 3.) The children are already busy with their studying.

Mr. John Johnson and sisters, Misses Lillie and Edna, attended the big stew at Wentworth and reported a large crowd and plenty to eat.

Guess the wedding bells will be ringing soon on Narrow Gauge. Seems like some of our boys have China fever. Two will leave soon for a voyage to the Orient.

Born to Mr. and Mrs. "Pete" Brande, a son, this being the seventh son. Mr. Brande is making good progress toward securing a baseball nine in his family.

DEMOCRATIC PROMISES TO FARMERS FULFILLED

Benefits Under Wilson Set Forth in Official Pamphlet.

The Democratic platform of 1912 made this promise to the farmers of America:

"Of equal importance with the question of currency reform is the question of rural credits or agricultural finance. Therefore we recommend that an investigation of agricultural credit societies in foreign countries be made, so that it may be ascertained whether a system of rural credits may be devised suitable to conditions in the United States; and we also favor legislation permitting national banks to loan a reasonable proportion of their funds on real estate security.

"We recognize the value of vocational education, and urge Federal appropriations for such training and extension teaching in agriculture in co-operation with the several states."

These pledges, with many other services to the farmer, have been completely fulfilled in the legislation of the present Administration. The record of Democratic Performance is offered in comparison with the Republican record of broken promises to the farmer, in an attractive pamphlet issued by the Democratic National Committee. Copies have been furnished to every Democratic State Committee for free distribution.

Only Democratic Congressmen Appeared for Action.

Congressman C. C. Dill, of Washington, cites the records of the committee hearings on suffrage in Congress to prove that "the only Congressmen who have gone before the Judiciary Committee of Congress this year to ask that a suffrage amendment be voted upon have been Democratic members." He adds that "no others have appeared to ask for consideration of the measure. That is, I think, sufficient answer to any claim that the Democratic Party opposed Woman Suffrage."

This record need only be supplemented with the personal voting history of the rival Presidential candidates to show who is the real friend of suffrage. President Wilson made two trips from Washington to New Jersey to register and vote for Woman Suffrage when it was submitted in his State. Candidate Hughes did not take the trouble to register or to vote the same year—1915—when the suffrage amendment was submitted in his state.

"There is no means of judging the future except by assessing the past. Constructive action must be weighed against destructive comment and reaction." — From President Wilson's Speech of Acceptance.

GETTING HIGHER EVERY WEEK!

Never Saw Anything Like it in All My Life

All kinds of Goods, even the poor farmer's tobacco, cotton, wheat, and everything else the farmer raises, or should raise, have gone up so high until ordinary poor folks can't buy them. And still most of them are grumbling because they haven't got as much of these things as they should have.

It looks like foolishness for a merchant to advertise to sell his goods at old prices. Yet Hendrix is doing that very thing. Why? Simply because he is anxious to get out of the goods Business. That is the only reason in the world he is doing so.

Hendrix has a magnificent stock of all kinds of dress goods, shoes, coat suits, cloaks, blankets and other winter goods, bought six months or more before the advance in prices. Customers who trade at Hendrix's this Fall shall have these goods at old prices. Act wise and buy from Hendrix. You will surely save money.

10c gingham and domestics have advanced to 12 1-2c. Hendrix is selling his at 10c. 10c percales are now selling at 12 1-2c, and 12 1-2c percales are now selling for 15c. Hendrix is selling his at the old prices. All 10c outings are now selling at 12 1-2c. Hendrix will sell his at the old price of 10c.

Everything in Hendrix's store will be sold at old prices, except a few silks, woolen dress goods and coat suits.

Come to Hendrix and get your supply of Winter Goods. None better, none newer, and certainly none as cheap in price.

:- HEADQUARTERS FOR HIGH PRICES :-

WATT'S LEADER WAREHOUSE, Reidsville, N. C.

TO MY FARMER FRIENDS:

I am glad to say that tobacco is selling at very satisfactory prices and all of my customers are highly pleased with returns. I am making the highest averages ever made in any previous year on this market for the same grades of tobacco.

There is a keen demand for all colony tobacco and bright smokers and cutters are especially sought after. In grading your tobacco be careful to not mix fillers with your smokers, as it hurts the sale of the latter. Get your tobacco in good order and when ready to market, drive straight to Watt's Leader Warehouse where you will always find good accommodations and can count on getting the top of the market.

Yours Faithfully,
J. N. WATT, Proprietor
