Head Stopped Up? Can't Breathe? Try the Vick Vap-O-Rub Treatment

Applied in Salve Form Over Throat and Chest Relieves by Inhalation and Absorption.
Vapor treatments are best for inflammations of the air passages. The vapors carry the medication direct to the inflamed surfaces without disturbing the stomach, as internal medicines will do. A very convenient vapor treatment is a good application of Vick's "Vap-O-Rub" Salve over the throat and chest, covered with a warm flannel cloth. The body heat releases vapors that are inhaled with every breath, opening the air passages, loosening the phlegm, and healing the raw surfaces. For deep chest colds, first apply hot wet towels to open the pores. Vick's is then absorbed through the skin, taking out that tightness and soreness. 25c, 50c, or \$1.00.

The Better Baby Contest.

The baby show was very interesting and attracted a goodly number of people. There were eighteen babies in this contest. And of course they were all nice fat rosy-cheeked babies that all the world would like to kiss. They could not all win a prize for there were only four prizes offered. We believe that is the reason that they did not all get a prize.

The winners (boys), Lenford Smith drew down the first prize, a loving cup. Daniel Graves Taylor, second, a medal.
Nellie Gray Turner was the queen of the girls, winning a loving cup, with Francis Jones, second, a medal.
Other babies entered were William Francis Roberts, Dorothy Virginia Gilie, Eleanor Clark, Thomas Martin, Milton Leffew, Leonard Van Noppen Frances Jones, Onie Houtchins, Allie Hall, Robert Tuttle, Annie Wood Shumate, Elizabeth Barker, Frederick Dillon and Garland Robert Morgan.
The judges were Messrs. Jason Barnea, John DeShazo, J. R. Dunn, Mrs. Tony Eggleston and Mrs. Peter Hopper.

Resting Land is Folly.

Those who practice resting the land instead of planting it to some legume should ponder well the result of an experiment at the Alabama Experimental Station. On a plot where velvet beans were grown the year before the yield of sorghum hay was 7,664 pounds, while on similar land where no crop at all was grown the year before the yield of sorghum hay was only 3,792 pounds. Oats yielded 33.6 bushels per acre after velvet beans and only 8.4 bushels after crab grass and weeds. Idle or "resting" acres are unprofitable; the land should be kept busy growing a profitable or a soil improving crop.
The practice is in no sense justified in the South, because of the great loss of humus and nitrogen which would result, owing to our long warm summers, open winters and excessive rainfall. Moreover, there is no need for the practice. A legume crop can be grown on the land, which will add to the humus supply instead of depleting it, and increase the available nitrogen as well as the actual amount present and still leave plenty of time for thoroughly preparing the land for fall or spring crops.—Progressive Farmer.

How Catarrh is Contracted.

Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucus membrane, at first acute, becomes a chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere.

When You Take Cold.

With the average man a cold is a serious matter and should not be trifled with, as some of the most dangerous diseases start with a common cold. Take Chamberlain's Cough Remedy and get rid of your cold as quickly as possible. You are not experimenting when you use this remedy, as it has been in use for many years and has an established reputation. It contains no opium or other narcotic. Obtainable everywhere.

Cut This Out—It is Worth Money.

DON'T MISS THIS. Cut out this slip, enclose with 5c. to Foley & Co., Chicago, Ill., writing your name and address clearly. You will receive in return a trial package containing Foley's Honey and Tar Compound for bronchial coughs, colds and croup; Foley Kidney Pills, and Foley Cathartic Tablets. Specially comforting to stout persons. At Gardner's.

Make the Best of Prosperity.

Every man should keep fit these days and make the most of his opportunities. No man can work his best handicapped with disordered kidneys and bladder, aching back, swollen joints, stiff muscles or rheumatic pains. Foley Kidney Pills pay for themselves a hundred times over in health improvement.—Gardner.

\$10,000 IN PRIZES AND CASH COMMISSIONS

Attention is called to the large advertisement on page six of today's paper explaining the great co-operative trading campaign inaugurated by the Register and Bee of Danville, Va., in co-operation with merchants, business firms and other newspapers in Danville, Reidsville, Leaksville-Spray, Roxboro, Martinsville, Chatham and other towns.
There are \$10,000 in prizes, including seven automobiles, to be given to vote-getters in the great trading campaign. The territory is divided into five districts, and a latest model Ford automobile is assigned to each district. The 5th district is composed of Rockingham, Caswell and Person counties. The winner of the prizes for each district must be a resident of said district but any contestant in each district has a chance at the capital prizes.
The campaign will continue until December 9, 1916, and will be divided into three vote periods. More votes are issued on each dollar of purchase in the first period than in the second period, and the number is still further reduced in the third or last period. Under this plan the early workers are correspondingly rewarded for their efforts. No restrictions are placed on where any contestant secures votes.

The following firms in Reidsville and Leaksville-Spray will issue votes to all customers calling for them:
The Review-Observer, Leaksville Spray.
B. F. Ivie, Gen. Mdse., Leaksville.
Jones Motor Company, Spray.
The Reidsville Review.
Reidsville Candy Kitchen.
Mrs. Sam Fels & Co., Ladies' Goods and Millinery, Reidsville.
Harris Bros., Gen. Mdse., Reidsville.
Reidsville Motor Co.
Morrison Jewelry Co., Reidsville.
Brittain's Drug Store, Reidsville.

Each of these firms will issue vote orders on purchases made in accordance with the schedule now in force. On each \$1.50 paid on new or old subscriptions on The Reidsville Review or The Review-Observer of Leaksville-Spray during the first period to October 28th, a vote order of 20,000 will be issued. On two-year subscriptions for \$3.00 an order for 50,000 votes will be issued. All other business firms named above will issue vote orders on cash purchases or accounts paid in accordance with the schedules in force. As an incentive to early activity on the part of contestants, each newspaper is allowed to issue an order for 500,000 votes up to Oct. 21st to each contestant who sends in four yearly or two two-year subscriptions, or an equal amount on back subscriptions, in addition to the regular votes. Each firm will likewise issue a vote order for 500,000 votes to each contestant whose purchases or payments on account amount to \$25, either by themselves or friends who will co-operate with them in the vote-getting campaign.

The following coupon is good for 500 votes. Clip it out and get your name in the list of contestants which will be published from time to time in the Danville Register and Bee:
