

ADMINTERS OATH TO HIS SON IN THE COURT

An interesting feature of the session of the Forsyth Superior Court came yesterday morning when Mr. William Graves of Mt. Airy presented his license from the Superior Court and was admitted to the practice of law in the Superior Court and all inferior courts in the State.

Judge W. F. Harding, the judge presiding, requested Solicitor S. Porter Graves to administer the oath to his son, which he did. The oath was administered in the court room here where the young man's father has won so many laurels in the past few years during his term of office as solicitor of this judicial district.

Young Mr. Graves will locate for the practice of his profession at Mt. Airy, and will hunt a single shingle having determined to practice by himself.

He is a graduate of the University of North Carolina, Class of 1912, and is also a graduate of the University Law School. He secured his license from the Supreme Court of this State last February.

He is a young man of sterling worth has a fine knowledge of his profession and his friends predict for himself a great record in the legal field. —Winston Journal.

Solicitor Graves was sworn in while his father, the late Judge J. F. Graves, was presiding and now the third generation enters the profession. Rockingham friends wish young Attorney Graves great success.

Colonel Roosevelt Does Not Think We'll Go to War.

According to a letter received here by Russel J. Coles from Theodore Roosevelt, the colonel does not believe that America is destined to play a part in the world war any time soon.

Learning that Roosevelt was considering active assistance with the allies in the event of open hostilities Mr. Coles, who is preparing for a fishing trip with the colonel next month off the coast of Florida, wrote to the ex-president offering his services and Roosevelt replied saying that he would gladly accept him as an officer. Mr. Coles received his training at a military training school. —Danville Cor.

How Byron Fought Fat.

Poetry and a too pronounced plumpness do not harmonize well, and no one was more widely awake to this fact than Lord Byron. Many were the means he adopted for ridding himself of his unwelcome "adipose deposit." In a letter to his solicitor he says: "I wear seven waistcoats and a great coat, run and play cricket in this dress till quite exhausted by excessive perspiration, use the bath daily, eat only a quarter of a pound of butcher's meat in twenty-four hours. By these means my ribs display skin of no great thickness and my clothes have all been taken in nearly half a yard." —London Telegraph.

MRS. FITZGERALL DEAD

Mrs. Thomas Benton Fitzgerald passed peacefully away at her home on Virginia Ave., Monday night at 8:25, after an illness of several weeks. Mrs. Fitzgerald was born April 3, 1844 in Rockingham County, North Carolina the daughter of Byrd Jackson and Lucy Anderson Hall. She was married Jan. 14, 1868 to Mr. Fitzgerald came to live in Danville and since that time has been connected with most of the good works in this community. She was for many years a member and worker in the old Lynn Street Methodist Church and when North Danville grew large enough to sustain a church she was one of the founders of the Methodist church on that side of the river, the present Cavalry Church. She had a peculiar interest in children and long was the superintendent of the primary department of the Sunday School of this church. In 1899 she and Mr. Fitzgerald moved to his farm near Casade and she transferred her interest to the church of that place. After fifteen years in the country then returned to Danville in 1914 and united with Mt. Vernon's Methodist church which is the successor of old Lynn Street Church.

Mrs. Fitzgerald was a woman of deep piety and broad Christian sympathies and her well spent life was a potent factor in good with all who came under its beneficent influence. Many there are besides her own children who will rise up and call her blessed.

Besides her husband Mrs. Fitzgerald is survived by five children, Harrison R. Fitzgerald, Mrs. J. E. Perkinson, Mrs. Herbert Martin, Miss Katie Fitzgerald and A. Benton Fitzgerald, all of whom live in Danville. The funeral services will be conducted from Mt. Vernon M. E. Church Wednesday afternoon at 3:30 o'clock. Interment Leomont Cemetery. —Danville Register.

RESULTS TELL

There can be no Doubt About the Results in Reidsville

Results tell the tale. All doubt is removed. The testimony of a Reidsville citizen can be easily investigated. What better proof can be had? C. H. Rogers, tobacco buyer, 299 Lindsey St., Reidsville, says:

"I had kidney trouble for years. The action of the kidney secretions were irregular and I had backaches. I used different medicines, but was not benefited until I procured Doan's Kidney Pills at the Brittain-Penn Drug Co. Five boxes completely cured me. My children also suffered from kidney trouble and Doan's Kidney Pills gave the relief." (Statement given March 13, 1912.)

OVER TWO YEARS LATER, Mr. Rogers said: "I shall hold a high opinion of Doan's Kidney Pills for I have always found them very reliable."

BOSTON WOMAN RECOMMENDING IT TO HER FRIENDS

Popular Boston Lady Says Tonaline Has Proven a Godsend to Her

It is always interesting to listen to the statements of our friends, and especially when you know they are sincere and honest in what they say. Added interest is created in a statement coming from one who has spent a lifetime in Boston, where she is well known socially.

Such a person is Annie Stewart, who resides in Boston and is possessed of the respect and confidence of her associates, and is willing for anyone to call on her to verify the following signed testimonial.

"I have suffered with stomach trouble for the past seven years. It took the form of indigestion and dyspepsia. I had dizzy spells and headaches, and after I ate a little food it would ferment and cause gas to form in my stomach. I had pains all over my body, and was chronically constipated.

My liver was torpid, and I felt generally miserable. I had doctored and had been in a hospital, but received no permanent relief. I was so nervous and restless that at night I could scarcely sleep. The gas pressing under my heart caused palpitation, and when I arose in the morning I was just as tired as when I retired. About two weeks ago I began to take tonoline, and I can truthfully state that it has done wonders in my case. I can feel like a new woman and can eat any kind of food. I sleep the night through and have no more aches or pains; in fact, it has cured me, and I am recommending it to all my friends, as it has been a Godsend to me."

Gardner Drug Co. sell and guarantee tonoline.

There are numerous symptoms of this trouble that toniline can relieve in fact, any of the following may denote affections of the stomach: Indigestion, dyspepsia, belching of wind, bad breath, sick throbbing headache, poor complexion, night sweats, that tired feeling, costiveness, coated tongue or a poor complexion.

Caution:—As toniline is recommended as a flesh builder those not wishing to increase their weight 15 pounds or more should not take it continuously.

A NOVEL ENTERTAINMENT

Among the most popular and successful entertainments of the times are the Mock Trials given under the direction of an expert—Col. A. V. Newton of Worcester, Mass. Many cities in various parts of the country have been greatly excited over them as attested by the lengthy and favorable reports in the leading newspapers and best of all by the great audiences that have time and again packed the largest halls and opera houses to the doors; in many cases the interest being so great that every seat has been sold in advance, and hundreds turned away unable even to obtain standing room.

One of these popular entertainments will be given under the auspices of the Reidsville Public Library in the Graded School Auditorium on Friday evening March 9th.

One of the prominent citizens will be tried for the larceny of a Plymouth Rock rooster, (perhaps it is some politician who desired one to crow for his favorite candidate) and there will be fun without limit.

Indeed it is safe to predict that it will be many moons before the walls of the auditorium will again resound with so much laughter as will be heard on that occasion.

Let all remember the date of the great Mock Trial in which a large number of our prominent and popular citizens will take part.

GIRLS! HAVE WAVY, THICK, GLOSSY HAIR FREE FROM DANDRUFF

Save Your Hair! Double Its Beauty In A Few Moments—Try This!

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy health hair if you have dandruff. The destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots loosen, famish and die; and the hair falls out.

If your hair has been neglected and is thin, faded, dry or scraggy or too oily get a 25-cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually—why not now?

Mount Etna.

Mount Etna is one of the great volcanoes of the earth. In size it would cover the entire metropolitan district of New York and the surrounding counties. Its height is 11,000 feet above sea level. As to its power, one of its eruptions some centuries ago killed 80,000 people, which is probably more than Vesuvius has ever done in all its existence as a volcano, not excepting the great eruption of 79 A. D., which destroyed the cities of Herculaneum and Pompeii. As to its beauty, this is also very difficult to describe. It is teeming with life, animal and vegetable, and is snow covered one-half the year. The other half it is bare to its very summit.

When Hats Were Taxed.

Queen Elizabeth taxed the masculine beaver hat out of existence, and Pitt's hat tax of 1784 brought a substantial revenue. Stamps were fixed inside the crown of the hat from threepence to 2 shillings, according to its price, while the penalties for selling unstamped hats ranged from £10 to £20, and the punishment for counterfeiting a hat stamp was death. But an attempt to tax women's French straw hats of the Watteau style signally failed. They were smuggled over in large quantities, and before this could be coped with Watteau hats went out of fashion, and the tax was a dead letter.—London Chronicle.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the blood on the mucous surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

A Remover.

"Do you think that the automobile will displace the horse?" asked the conversational woman. "It will," answered the nervous young man as he gazed down the road, "if it ever hits him."

Corns Peel Right Off With "Gets-It"

2 Drops, and the Corn is a "Goner!" When you've got to walk on the sides of your shoe to get away from those awful corn-pains, there's only one common-sense thing to do.

Use "Gets-It." Your Corns Won't Swell in Water. Besides, They'll Shrive, Loosen and Peel Off!

Put 2 or 3 drops of "Gets-It" on the corn right away. Pain and inflammation will disappear, the corn will begin to shrivel from that instant—then it loosens and falls right off.

There's no other corn-remover in the world that acts like "Gets-It." No new discovery has been made in corn-removers since "Gets-It" was born. Don't forget that fact. "Gets-It" does away forever with the use of salves that irritate, bandages that make a bundle of your toe, plasters that half do the work, knives and scissors that draw blood. Use "Gets-It"—no more digging or cutting.

"Gets-It" is sold everywhere, 25c a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.

Sold in Reidsville, and recommended as the world's best corn-remedy by Gardner Drug Company.

No Escape From It.

We have been reminded that formerly the normal food of the Scottish child was porridge. Once a week only was he allowed, as a change, the far less satisfactory breakfast of the southron, which fact gives point to the story of the little laddie who one Saturday night suddenly asked:

"What's the morn, mither?" "Sabbath, laddie," was the reply. "An' will we ha' tay to brek'wus?" "Aye, laddie, gin we're spared." "An' gin we're no spared will we ha' parritch?" —London Chronicle.

How to Treat Croup Externally

Rub Vick's "Vap-O-Rub" Salve well over the throat and chest for a few minutes—then cover with a warm flannel cloth. Leave the covering loose around the neck so that the soothing medicated vapors arising may loosen the choking phlegm and ease the difficult breathing. One application at bedtime insures against a night attack. 25c, 50c, or \$1.00. At druggists.
