**FOR GOOD HEALTH AND LONG LIFE**

Do not eat meat more than once a day. Drink plenty of pure water, exercise outdoors, and take a pleasant laxative at least once a week. Such a one is made of May-apple, root of Jalap, juice of aloes, sugar-coated, and first made up and sold as Dr. Pierce's Pleasant Pills—nearly fifty years ago.

**Old Looks?**

(BY DR. L. H. SMITH)  
Persons suffering from too much uric acid in the system frequently look older than they should. They age faster and the appearance of gray hair or baldhead in early years is, indeed, often a sign of uric acid. The face appears lean and haggard, lines and wrinkles appearing in young men or women.

The best way to combat this premature age and the obstruction to the arteries and faulty circulation is of the simplest: Drink copiously of pure water between meals. This will not make you fat, as it is only the water taken with the meals that fattens. Obtain at any drug store a small package of Anuric, which is to be taken before meals, in order to expel the uric acid from the system. The painful effects of backache, lumbago, rheumatism, gout, due to uric acid in the blood should quickly disappear after treatment with Anuric.

**ROUTE 4.**  
Route 4 asks for a little space in our county paper. Well, we are having some old time March winds today was a hummer; it fairly blew ankle Doodle on our tin roofs and rying pans, and the snow flakes were fling to beat the band. Monday morning old Mother Earth was found.  
The choppings are all over in this vicinity, I am glad to note, but the mud keeps too wet to plough. We've had three wet moons in succession—he will soon new again—and if she turns up new this time, Gee! won't we be set back in the mud again. But bye and bye 'will be dry—About the first of July—Some will cuss; others tattle.

**RUN-DOWN WOMAN**  
Made Strong By Our Vinol  
Fort Edward, N. Y.—"I was in a run-down, nervous and weak condition, so I could not do the housework for my little family of three. I had taken cod liver oil emulsions and other remedies without benefit. A friend told me about Vinol. I tried it and it soon built up my strength and made me a well woman so I now do all of my housework."—Mrs. ELMER GLIDDEN.  
We guarantee Vinol to restore strength and build up run-down, weak and debilitated conditions.  
C. H. FETZER, Druggist.

We'll be so dry our hides will rattle. Duffie's Malt can't reach our State. Our old gray heads must bear their fate. Such laws as these bring dearth and cares— They may say things besides their prayers. The mud is being dried up by these high March winds and autos can speed along much better.

**Colds Coughs Catarrh**  
A trinity of evils, closely allied, that afflict most people, and which follow one on the other, in the order named, until the last one is spread through the system, leading to many evils. But their course can be checked.

**PERUNA CONQUERS**  
It is of great value when used promptly for a cold, usually checking it and overcoming it in a few days. Ample evidence has proved that it is even of more value in overcoming chronic catarrh, dispelling the inflammatory conditions, enabling the diseased membranes to perform their natural functions, and toning up the entire system. The experience of thousands is a safe guide to what it may be expected to do for you. Liquid or tablets—both tested by the public and approved: THE PERUNA COMPANY, COLUMBUS, OHIO
