SAYS DRINK WATER IF YOU WISH TO GROW FAT AND PLUMP

THIN MEN AND WOMEN

Do You Want to Get Fat or be Strong?

The trouble with most thin folks who wish to gain weight is that they insist on drugging their stomach or stuffing it with it with greasy foods: rubbing on useless "flesh creams", or following some foolish physical culture stunt, while the real cause of thinness goes untouched.

Caution:—Tonoline is recommended only as a wash builder and while excellent results in cases of nervous indigestion, etc., have been reported, care should be taken about using it unless a gain of weight is desired.

YOU NEED A LAXATIVE

Dr. King's New Life Pills will remove the accumulated wastes of winter from the blood. Get that sluggish spring fever feeling out of your system, brighten your eye, clear your complexion. Get that vim and snap of good purified healthy blood.
