Mrs. Smith, is a daughter of the late David Pannill of Pennsylvania, the well-known writer and historian. She is a niece of the late Attorney John T. Pannill of this county and the couple have entered matrimonial life with the good wishes of hundreds of friends in both Virginia and North Carolina. They will reside at Martinsville.

Catarrhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by the constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and the tube restored to its normal condition, hearing is destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts through the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrh that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, 75c. F. J. CHENEY & CO., Toledo, O.

The word "plate" is often incorrectly applied to vessels of gold. It is derived from the word "plata," which in Spanish means wrought silver.

Nature Cures, The Doctor Takes the There is an old saying that "Nature cures, the doctor takes the fee," but as everyone knows you can help Nature very much and thereby enable it to effect a cure in much less time than is usually required. This is particularly true of colds. Chamberlain's Cough Remedy relieves the lungs, it quiets the tough mucus and aids in its expectoration, allays the cough and aids Nature in restoring the system to a healthy condition.

Plain Horse Sense

Gentlemen, we want you to understand the value of buying from B. S. Motley & Co. in Danville. For that purpose we're going to tell you something about this big concern every week in The Review for some time to come. We've recently bought the entire stock of Hodnett, Adkins & Mobley Co., and that, added to our already immense stock of hardware, gives us approximately a \$115,000 set of merchandise for you to make your selections from.

We want you to know that it's just "plain, common, horse sense" for you to do your buying at the store with the largest stock. We sell Vulcan Chilled Plows—can't beat 'em, can you? We sell corn planters, mowers, farm tools of all kinds, paints, varnishes, fencing, roofing, Cream Separators, Gas engines and practically everything that any GOOD hardware store carries—and some things none of them sell. In some lines of the New Stock we've got a little more than we want to carry and we're making good sized reductions. Better ask us about it when here

B. S. MOTLEY & COMPANY, Danville, Va.
