and, likewise, everyone used hand-mixed paint. To-day, when machine-spun cloth is so much better and cheaper, no one would think of wearing homespun. Many people are still using hand-mixed paint, however, because they do not know that

### OLD GLORY'S CALL.

Amid the din of battle cry—  
I hear the call; our country's call.  
We would have peace with all the world,  
Would keep OLD GLORY still unfurled  
And have her floating in the breeze  
And sail our ships o'er peaceful seas.  
But hark! a despot tells the world,  
"You have no rights on land or sea,  
My submarines, they guard the seas,  
Your ships must sail just where I please,  
So furl your banners, take your ease  
Until my foes come to their knees."  
Your ships must stay out of my zone,  
Our allied foes we would destroy.  
Tis ruthless war we wage today,  
And if you do not like our way  
Just try our ready hand to stay,  
Our submarines will say thee nay."  
Sons of the sires of Seventy-Six,  
Old Glory calls! Old Glory calls!  
God gave us pathways through the seas,  
He bids us use the heavenly breeze  
Nor have we ever bent our knees  
A king or kaiser's will to please.  
Old Glory calls; the tramp is heard  
From lakes to gulf; from sea to sea.  
Millions are ready for defense,  
We read the news with feeling tense,  
We seek no scrap, but common sense  
Bids that we drive invaders hence.  
Tis sad to hear a call to arms  
To see our gathering hosts arrayed,  
But freedom's battle hath begun.  
Tis sadder still to see the sur  
Bedim'd by despot victories won  
And freedom slain by Goth and Hun.  
Sons of AMERICA, be true,  
Nor ever flinch from duty's call.  
Old Glory's banner is unfurled;  
We'll sail our ships around the world  
To despot—answer now is hurl'd,  
"Old Glory still remains unfurled."

### WONDERFUL STUFF! LIFT OUT YOUR CORNS!

Apply a Few Drops Then Lift Corns  
Or Calluses Off With Fingers  
—No Pain.

No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift out, without a particle of pain or soreness.  
This drug is called freezone and is a compound of ether discovered by a Cincinnati man.  
Ask at any drug store for a small bottle of freezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callus.  
Put a few drops directly upon any tender, aching corn or callus. Instantly the soreness disappears and shortly the corn or callus will loosen and can be lifted right off with the fingers.  
This drug freezone doesn't eat out the corns or calluses but shrivels them without even irritating the surrounding skin.  
Just think! No pain at all; no soreness or smarting when applying it or afterwards. If your druggist don't have freezone have him order it for you.

### RISE, COLUMBIA!

(Dedicated to Woodrow Wilson, President of the United States.)  
Rise, Columbia, with thy mighty buckler,  
To defend thy rights on the pathless seas!  
While thy proud heart swells with righteous ire  
At the Teuton's lawless decrees!  
Though peace-loving, as thou art long-suffering,  
Thy patience cannot bear this weight of crime  
Heaped by Teuton power on weaker lands  
In foulest wrong of all earth's time.  
Great waves of blood, of agony, of fear  
Rise in accusing flame to the watching stars!  
But at last must halt this mad career  
For now its course is Columbia bars!  
Yes, Columbia, with thy ships, thy buckler,  
Stretched in defense of Right over the sea  
Thou canst stand, despite the "war-lord's" rage  
For the Peace of Humanity!

**The Blood is the Life**  
The blood is the life because it is the nutritive fluid. If the blood becomes very impure, the bones, the muscles and other parts of the body are impaired and finally become diseased. Slighter variations in the quality of the blood, such as are often brought about by breathing the bad air of unventilated rooms, have equally sure though less plain ill effects on the nervous system.  
Persons that have any reason to believe that their blood is not pure should begin to take Hood's Sarsaparilla at once. This medicine has done more than any other in cleansing, enriching and revitalizing the blood and giving strength and tone to all the organs and functions.  
If you want to be entirely satisfied, insist on having Hood's. Accept no substitute.

### CULTIVATE ALL LAND SAYS SECRETARY LANE

Secretary Lane appealed to holders of land made valuable by government reclamation work to put all their available soil in food crops. He said land in excess of 700,000 acres made useful by the government and not under tillage if planted would produce \$15,000,000 worth of food this year.  
"Loyalty and patriotism, as well as economic necessity," said the secretary, "demanded that you get busy and put this land into food crops this year and next. The United States cannot perform her just function in the world crisis in which we are now precipitated unless our farmers do their full duty."  
"These lands are not public lands. They belong to private owners and if they do not utilize their property, the time may not be far off when our national needs will require confiscation and government cultivation. No one is entitled to that which he does not use."
