Hon. John Buxton Dead

Hon. John Cameron Buxton one of Winston-Salem's leading citizens, prominent member of the North Carolina Bar Association and member of the General Assembly and members of the General Conference of the Episcopal church, died Thursday at his home following a lingering illness of several months.

Though he had been under the care of a physician for some time prior, the seriousness of his condition was not observed until October of last year, when he was taken desperately ill while attending the general conference of his church at St. Louis. Since that time he had been constantly under the care of medical attendants.

The death has cast a gloom over the entire State, for Mr. Buxton has always been active in all things that were for the advancement of the Old North State, and especially active in the promotion of the progress of Winston-Salem and Piedmont and Western North Carolina. Widely known as a leader in his profession, he was also recognized as a leader in everything that pertained to the advancement of the educational, social and religious life of the people. For twenty-six years he had served as chairman of the city school board, and during all these years Winston-Salem has maintained its position as a leader in public school activities.

Base Located by British, the Starving Crews Surrendered.

A member of the British war commission declared in Washington that twenty German submarines and their crews were captured by the British on April 30, the day before the party sailed.

"They weren't exactly captured, either," said the Englishman. "They had been searching for a destroyed base for days, had been suffering for food and water, and when our boats picked them up many of the men were on the verge of starvation. The crews were quite subdued and gladly surrendered."

"England is getting a lot more submarines than you people in America have any idea of."

"The submarine commanders are having a rough time of it. Their bases are sought out and destroyed almost before they are established. The British know of certain bases, but they let them alone until the submarines are gone, then destroy them and leave the U boats in a hole."

Rescued Prisoners After Submarine Sank Hospital Ships.

Only one of the incidents reported in the sinking of the two hospital ships Donegal and Lanfranc, showing the amazing difference between the morale of the Germans and British, is that told of the saving of a badly wounded German officer by a British soldier only less badly wounded.

While other German wounded prisoners aboard the Lanfranc were fighting frantically to get into the lifeboats as the ship was settling and foundering was imminent this Briton left the struggling Teutons on deck and went below for one of their countrymen they had forgotten, carrying him up to a lifeboat barely in time.

Another signal contrast is seen in the action of the British patrols in waiting around to pick up 152 German wounded, although in immediate risk of being torpedoed.

Catarrhal Deafness Can't Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by the constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and the tube restored to its normal condition, hearing is destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts through the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrh that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, 75c. F. J. CHENEY & CO., Toledo, O

McCOLLUM-WILSON

Mr. Henry C. Wilson and Miss Sadie McCollum "stole a march" on their friends Wednesday afternoon at four o'clock and motored over to Greensboro and were quietly married at Hotel Huffines by Rev. B. M. Williams, pastor of the bride.

Only a few friends and relatives accompanied them. The bride is the youngest daughter of Mr. and Mrs. J. D. McCollum of Midway and the groom is a prosperous young farmer of near Summerfield.

Constipation and Indigestion

These are twin evils. Persons suffering from indigestion are often troubled with constipation. Mrs. Robert Allison, Mattoon, Ill., writes that when she first moved to Mattoon she was a great sufferer from indigestion and constipation. Food distressed her and there was a feeling like a heavy weight pressing on her stomach and chest. She did not rest well at night, and felt worn out a good part of the time. One bottle of Chamberlain's Tablets corrected this trouble so that she has since felt like a different person.

Plain Horse Sense

Gentlemen, we want you to understand the value of buying from B. S. Motley & Co. in Danville. For that purpose we're going to tell you something about this big concern every week in The Review for some time to come. We've recently bought the entire stock of Hodnett, Adkins & Mobley Co., and that, added to our already immense stock of hardware, gives us approximately a \$115,000 set of merchandise for you to make your selections from.

We want you to know that it's just "plain, common, horse sense" for you to do your buying at the store with the largest stock. We sell Vulcan Chilled Plows--can't beat 'em, can you? We sell corn planters, mowers, farm tools of all kinds, paints, varnishes, fencing, roofing, Cream Separators, Gas engines and practically everything that any GOOD hardware store carries--and some things none of them sell. In some lines of the New Stock we've got a little more than we want to carry and we're making good sized reductions. Better ask us about it when here
