"THE DEPENDABLE DRUGGIST AT IT FOR OVER THIRTY YEARS"

**CLEAR AWAY THE WASTE**

Bowel regularity is the secret of good health, bright eyes, clear complexions, and Dr. King's New Life Pills are a mild and gentle laxative that regulates the bowels and relieves the congested intestines by removing the accumulated wastes without griping. Take a pill before retiring and that heavy head, that dull spring fever disappears. Get Dr. King's New Life Pills at your druggist, 25c.

**FOLEY KIDNEY PILLS**  
FOR BACKACHE KIDNEYS AND BLADDER

**RAILROAD MEN WILL BE FIRST TO GO TO FRANCE**

Nine new regiments of army engineers, to be composed exclusively of highly trained railway men, will be the first American troops to be sent to France. They will go at "the earliest possible moment," the War Department announced for work on communication lines, but speculation as to exactly when or what points they will be sent is forbidden because of the submarines.

The new forces will be volunteers, raised at the great railway centers of the country. Each regiment will be commanded by an engineer colonel of the regular army, aided by an adjutant. All other officials will be railway engineers or officials.

The expedition will have a total strength of between 11,000 and 12,000 men, each regiment being composed of two battalions of three companies each. Every branch of railway work necessary to the building or operation of lines will be represented in the ranks and the War Department expects a response to the call that will permit a careful selection to be exercised and insure a force already trained to the minute, an army of experts in railway operation.

**Unshak'n Testimony**

Time is the test of truth. And Doan's Kidney Pills have stood the test in Reidsville. No Reidsville resident who suffers backache, or any annoying kidney and bladder ills can remain unconvinced by this twice told testimony.

Mrs. J. W. Pettigrew, Lawsonville St., Reidsville, says: "I had been having trouble with my kidneys and it showed itself in different ways. I was dizzy and nervous and my back hurt. I didn't sleep well and mornings I was all tired out. I got Doan's Kidney Pills at Tucker's Drug Store and they gave me prompt relief making me feel strong and well in a short time."

**LATER TESTIMONY**—Over Three Years Later, Mrs. Pettigrew said: "I still think Doan's Kidney Pills are an excellent medicine for disordered kidneys. I cheerfully confirm my former endorsement."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Pettigrew has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

When making chocolate fudge add two or three tablespoonfuls of juice from apple sauce. This makes a pleasant flavor.

**Premature**

It appears from later information than was obtainable last week that the announcement by Mr. Saunders to the effect that a device to destroy submarines had been perfected was premature. The committee which has this matter in hand gives the world to understand that many devices have been presented; several are being considered; the hope is that finally something will be found, but up to date nothing can be given out. And then why should Mr. Saunders have sent out this thrill? Why give the people a false hope for a few hours? No reason why such statements should be made, and every reason why they should not be made. It is also stated that Mr. Thomas Edison, the great wizard, is working 18 hours a day trying to invent something that will rid the seas of the submarines. We do not know just what it will take to do this. If it were to be some electrical apparatus then we would bet our last dime on Edison, but when he gets out of that field and takes to the water we haven't any reason to believe that he can make good. However, here is hoping that to some man will be revealed the plot that will cause him to produce some kind of mechanical device which will meet the one great menace now confronting the allies. Destroy the submarine warfare and the war will end so quickly that we will hardly know it. Let the submarine go unchecked and there is no telling what will happen. But publicity in this case does no good. You can tell a man to plant something, to shoot something, to do most anything, except you can't command him to hasten to make a submarine destroyer.—Greensboro Record.

**Road to Happiness**

Be amiable, cheerful and good natured and you are much more likely to be happy. You will find this difficult, if not impossible, however, when you are constantly troubled with constipation. Take Chamberlain's Tablets and get rid of that and it will be easy. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.

Davidson College, North Carolina, has a remarkable record as an educator of men for various types of Christian service. Over five hundred of its students have gone into the ministry and there at present seventy-eight candidates in its student body of less than four hundred. One in six of the male college graduates who have gone into foreign missionary service of the Southern Presbyterian church, are graduates of Davidson.

**STACY**

A large crowd from Ruffin visited Stacy Sunday School Sunday. We would be glad to have them come again.

Miss Etta Brown has returned after a short visit to relatives in Grooms. Mr. Ernest Wright of Ruffin was at our city the past Sunday.

Misses Annie Roberts and Willie Collier of Ruffin visited Miss Lillie Cardwell Sunday.

Misses Willa Burgess and Sadie Burton visited in Danville Friday.

Miss Sadie Burton was hostess to a tacky party last Thursday evening and all present reported an unusual good time. The prize was won by Miss Willa Burgess.

Miss Sue Lee of Lawsonville visited Miss Etta Brown Sunday.

Mr. and Mrs. Howard Snow and children of Sadler visited Mrs. Golden Sunday.

Misses Sadie and Mattie Burton were among the Reidsville shoppers Saturday.

Miss Ruth McAllister visited friends here Sunday.

Mr. and Mrs. Jack Lindsey was in Reidsville Saturday purchasing their spring outfit.

Miss Lillie Cardwell entertained a crowd of her friends Monday night. All report a fine time.

**Many Found in North Sea With Heads Blown Off.**

England has a new ally in the fight against German mines. Many reports are coming from the North sea of dead whales being found with their heads blown off, presumably after bumping the horns of mines.

It is suggested that the admiralty might open a training school to teach the sea monsters to hunt for mines.

**An Expensive Blunder.**

For mistaking movie picture of German U boat for American submarine and applauding, a man in a New York theater was manhandled, arrested and given ten days in the workhouse.

**Clock Ran 119 Years.**  
Clock in old St. Paul's tower, New York, stopped for first time in 119 years when it was taken down to make way for one that is expected to last 200 years.
