HOW WOMEN CAN DO NAVAL SERVICE

Commander Tells What Steps Are Necessary.

WOULD NOT BE SENT TO SEA

Usual Examinations Are Required. Women Are Also Welcomed in the Navy as Wireless and Telephone Operators—Pay Ranges From \$33 to \$66 a Month, Including Board.

What is a yeoman? How does one become a yeowoman?
What is the remuneration for the wearing of such a title?
Where does one go when one has planned it on—the title, not the remuneration?
Many young women are inquiring about doing yeoman service for the government. Commander John B. Patton, U. S. N., of the Third district of the United States naval reserve and on the staff of Rear Admiral Usher, commandant of the New York navy yard, gave the following information:
"The service of a yeoman, which may be undertaken by a man or woman, constitutes clerical work," said Commander Patton. "This includes stenography, typing and any of the sub-heads that come under the general head of clerical work."
"There are four classes—chief yeoman, who receives \$66 a month and board on sea or shore; first class, \$44 and board; second class, \$38.50 and board, and third class, \$33.
"The salaries vary according to the class of work demanded. A chief yeoman must naturally be an expert. At present women as yeomen are not being enrolled because of the press of other matters. Immediately it is decided to take applications notices will be published through the newspapers."
Examinations Required.

"What examinations would have to be passed in order to qualify an applicant for yeoman duty?" he was asked.
"The usual examinations one would put any applicant through who wished to do clerical work," he replied. "He or she would be asked to take dictation, give an example of typing, etc. These examinations would be given in the navy yard. The physical examination of women would be given under the direction of the nurses at the naval hospital."
"In what other lines can women enroll in the naval reserve?"
"As wireless operators and telephone switchboard operators. In any of these classes—yeomen, wireless or telephone operators—women would probably not go to sea, but would be detailed for shore duty. Certainly they would not go to sea at first."
"What is the pay of a wireless telegrapher?"
"A chief electrician gets \$66 and board, first class operator \$55 and board, second class \$44 and third class \$33."
"The observation has been made," Commander Patton was told, "that it would be a bit hard on a woman should she give up a regular position to learn wireless for the sake of her country and then find herself uncalculated for and out of work."

Can Collect Retainer.
"There is, however, this feature of the problem," he answered, "that after she has taken her preparatory work she may take her three months' confirmation and, if she chooses to remain in the reserve, may for four years thereafter collect her retainer of two months' full pay annually without performing any service during the remainder of her enrollment if there is no war. In the event she is a chief operator she would receive \$132 a year, you see."
"How is this possible?" He was urged to be more specific.
"Because," he said, "the same rule that applies to men applies to women. This covers yeomen, wireless operators or any class in the service of the United States naval reserve. Men are enrolled for four years, but in time of peace they may resign whenever they desire. To be confirmed in their rank or rating they must have three months' training. They may have continuous active duty on full pay if they desire it and their services are needed."
"After three months' training and confirmation officers and men receive retainer pay every year of two months' full pay, without performing any service during the remainder of that enrollment. The training may be taken in periods of not less than three weeks at a time. Before being confirmed they receive an annual retainer pay of \$12. They may enroll in any naval district they choose."
"This brings up the question of districts. Would a woman desiring to give yeoman service be apt to be detailed in the district in which she had enrolled?"
"She would be apt to be," he replied. "It may be a matter of interest to note that there are fourteen districts in the naval reserve."

It Worked Six Years.
"Girl" arrested after working six years as a housemaid in Fall River, Mass., turned out to be a man who had worked as woman in many homes.

It Was Still Burning.
Hero dived from New York wall with pipe in mouth to rescue man overboard, and when he climbed out pipe was still alight.

RUFFIN

On last Tuesday evening Mrs. C. W. Warriner was hostess to the Ladies Aid Society at her home just out of town. The home was attractively decorated in a color scheme of red and white and blue being carried out with beautiful effect. The devotional exercises were conducted by the pastor, Rev. Smith, who was present, as was also his wife, who was made a member of the Society. A goodly number of the members answered to the roll call and at the conclusion of the business hour, were ushered into the dining room which was lovely decorated. From a beautifully appointed table Mrs. Warriner, assisted by Misses Wilhamette and Vivian Warriner, served a lovely two course luncheon, with ices.

After a ten days' wedding tour we were glad to welcome the return of Rev. and Mrs. Smith, who are now at home in the parsonage.
Miss Virginia Ferrell is visiting her sister, Mrs. Aycock, at Fremont.
Mrs. Ella Warriner has returned to her home after a short visit to relatives here.

We are glad to note the convalescence of Mrs. Cornelia Carter, who has been on the sick list for some time.
Mr. and Mrs. Ernest Mylum of Durham are visiting the latter's parents, Mr. and Mrs. J. J. Hooper.
Rev. and Mrs. Hill Williamson have returned to their home in Moore county after a short visit to Dr. Wharton's.

Misses Lela Chandler and Jan Lewis are at home for their vacation after teaching in Draper the past term.
Miss Bessie Stacey, a student in the Normal College, Greensboro, has returned to her home here for the summer vacation.
Rev. Mr. Smith conducted the funeral services of Miss Polly Haden on last Monday.
Mrs. Lou Alice Sergeant has returned to her home in Roxboro after a visit to relatives here.

Mrs. Baker and children are home again after a short stay with her mother in Stovall.
A good sized audience was out to witness the "Children's Day" exercises on last Sunday evening at the M. E. Church.
Miss Maymie Wrenn is home for her vacation.
Mr. and Mrs. Carter Wrenn of Hoffman are visiting their parents here at present.
Miss Sue Lee Carter of Wentworth is here with her relatives.
Miss Muria Fitzgerald of Oxford is spending some time with her parents, Mr. and Mrs. Tom Fitzgerald.

MUSCLE SORENESS RELIEVED
Unusual work, bending and lifting or strenuous exercise is a strain on the muscles, they become sore and stiff, you are crippled and in pain. Sloan's Liniment brings you quick relief, easy to apply, it penetrates without rubbing and drives out the soreness. A clear liquid, cleaner than musky plasters or ointments, it does not stain the skin or clog the pores. Always have a bottle handy for the pains, aches and rheumatism, gout, lumbago, grippe, bruises, stiffness, backache and all external pain. At your druggist, 25c.

CLEAR AWAY THE WASTE
Bowel regularity is the secret of good health, bright eyes, clear complexions, and Dr. King's New Life Pills are a mild and gentle laxative that regulates the bowels and relieves the congested intestines by removing the accumulated wastes without griping. Take a pill before retiring and that heavy head, that dull spring fever disappears. Get Dr. King's New Life Pills at your druggist, 25c.

Road to Happiness
Be amiable, cheerful and good natured and you are much more likely to be happy. You will find this difficult, if not impossible, however, when you are constantly troubled with constipation. Take Chamberlain's Tablets and get rid of that and it will be easy. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, O., is a constitutional remedy and is taken internally and acts thru the blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

Best Remedy for Whooping Cough
"Last winter when my little boy had whooping cough I gave him Chamberlain's Cough Remedy," writes Mrs. J. E. Roberts, East St. Louis, Ill. "It kept his cough loose and relieved him of those dreadful coughing spells. It is the only cough medicine I keep in the house because I have the most confidence in it." This remedy is also good for colds and croup.

RESOLUTIONS

Whereas God in His all wise Providence has seen fit to call from labor to reward Miss Eugenia Carter, of the First Baptist church, Reidsville, N. C.
Whereas she has been the organist for many years organist of our choir, and
Whereas she has for these years filled her place as organist faithfully, uncomplainingly and cheerfully, and
Whereas she was such a pure and true leader;
Whereas we as choir members have lost one whom we hold dear, and whose life we hold as an example of love and purity;
Be it Resolved therefore that we bow in humble submission to him that doeth all things well
Be it Resolved that we tender our sympathy to the bereaved family and that we as members of the choir may consecrate our lives to God, and when death comes to summon us, may it be said of us, as we believe was said of Miss Mittle Eugenia Carter, "Well done thou good and faithful servant, enter into the joys of the Lord that were prepared for you."

Plain Horse Sense

Gentlemen, we want you to understand the value of buying from B. S. Motley & Co. in Danville. For that purpose we're going to tell you something about this big concern every week in The Review for some time to come. We've recently bought the entire stock of Hodnett, Adkins & Mobley Co., and that, added to our already immense stock of hardware, gives us approximately a \$115,000 set of merchandise for you to make your selections from.

We want you to know that it's just "plain, common, horse sense" for you to do your buying at the store with the largest stock. We sell Vulcan Chilled Plows—can't beat 'em, can you? We sell corn planters, mowers, farm tools of all kinds, paints, varnishes, fencing, roofing, Cream Separators, Gas engines and practically everything that any GOOD hardware store carries—and some things none of them sell. In some lines of the New Stock we've got a little more than we want to carry and we're making good-sized reductions. Better ask us about it when here
