THE TIMES TOPICS

NO. 22. Reidsville, N. C. By G. W. BRITAIN

So often do we see in the many, many papers the prophetic claims of Tom, Dick, and Harry. Tom claims that the war will last two years. Dick claims it will last three years, and Harry says perhaps ten years. Now in our humble opinion we declare that any man is as capable of really knowing as is Tom, Dick or Harry. And if you asked us, we'd frankly say, "we wot not." Now while the war is pretty nearly what Sherman claimed it to be, it might be even worse and let's hope the worse is in sight. And we have added so many cousins across the sea to our American Family that we can hardly hope to know them individually, but we have 'em just the same, and our power is broad enough and strong enough to encompass every one of them.

It's better to plant potatoes than wild oats.

We have the stock, we have the experience, we have a heart. Let us fill your prescriptions. Britain fills them and he knows how. He does.

Now should Congress decree that all single girls between sixteen and thirty must register, and go to Europe. There'd be more volunteers for the same route.

One of the most popular forms of light exercise is falling in love.

Oh! where is the swing of the swoonful swish? And the land of the springful prole? Must the blue mist blur on the tinkers drale, and freight with their fraught my soul?

Listen! For the best answer to this above query, we will give one dollar's worth of Toilet articles. Answers to reach us not later than July the 10th.

Mr. Hutcherson will leave for Pamlico, S. C., next week where he will run a tobacco warehouse. The South Carolina market opens July 10th. The crop is said to be very fine in the Palmetto State.

Invitations reading as follows have been received by friends in the city: "Mrs. Beulah Amey Cavitt requests the honor of your presence at the marriage of her daughter, Catherine, to Robert Evans Denny, on the morning of Wednesday, June 27, 1917 at 11 o'clock in the home of Mrs. James Harvey Mitchell, Wheelock, Texas."

C. A. at Virginia Polytechnic Institute, Blacksburg, Va. After the marriage Mr. Denny will take his bride to Blacksburg, where they will make their future home.

Plans are under way for a big celebration to be held at Leaksville on July 4. Company G, of Reidsville, will spend the day there and will march from Leaksville through the Boulevard to the park, where the day will be spent. The business men of the Boulevard are planning a program for the evening that will outdo anything of the kind they have ever undertaken. A famous war picture will be shown. This picture will be in the open air, will be free and it is expected that hundreds of people will see it. A fiddlers' convention will also be a feature of the evening when 30 fiddlers of Rockingham and adjoining counties assemble for the first time in ten years. Other features of the evening will be the athletic parades refreshments, mercantile window exhibits, band concerts and public speaking.
