

NEWS OF REIDSVILLE AND ROCKINGHAM

Coal bills are a large part of your living expense—reduce them by using Cole's Hot Blast Heaters.

The Ladies Aid Society of the Baptist church will hold their annual bazaar about November 1.

Misses Margaret Womack and Sue Howard have resumed their studies at Converse College, Spartanburg, S. C.

The Ladies Aid Society of the Main street M. E. church will hold a bazaar about the first week in December.

Revival services will begin at the Main Street M. E. Church, South, September 30th. Rev. L. Berge Abernethy of Charlotte, brother of Dr. W. E. Abernethy, will assist the latter in the conduct of the revival.

The Winston-Salem Fair will be held October 25th. Secretary Garland Webb assures us that this will be one of the best of the Winston-Salem fairs. Hon. William Jennings Bryan will speak at the fair grounds on the afternoon of the first day—October 2nd.

Send The Review to your soldier boy. It's twice-a-week visits will be welcomed by him as a letter from home. The Review can be sent to them wherever they may go. You cannot write them all the news from the folks back home, but you can send them The Review and thus they will be able to keep up with the news, and the price is so low you would hardly miss it—one year, \$1.50; six months 75 cents; four months, 50 cents.

All communications of every character must have the name of some responsible person signed to them before any attention will be paid them in this office. This name is not required for publication, but in order that we may know who is the author. A note of appreciation was received last week which we will gladly publish in our next issue if the author will furnish his or her name. Please remember this and always sign your name.

The Reidsville Library Association is hoping to help the soldiers by collecting reading matter to be sent to the camps. All the libraries in the State are doing this work. We urge all who have magazines of this year's date which they have already read to send them to the Public Library on Wednesdays or Saturdays as those are the library days. Mrs. W. B. Wray will receive them and see that they go on to the camps. Good books are also desired. Books of travel, adventure, love, etc., are acceptable. Do your bit and help

lighten many a lonely hour for the boy in camp.

On Sunday morning, September 30, Pastor Abernethy will preach the first sermon in the revival meeting at the Main Street Methodist church. At 7:30 in the evening Pastor E. N. Johnson will preach in the Methodist church, having no service at the Baptist church. On Monday evening at 7:30, Dr. L. Berge Abernethy, brother of the pastor, will preach. Later announcements will follow.

Carefully Treat Children's Colds

Neglect of children's colds often lays the foundation of serious lung trouble. On the other hand, it is harmful to continually dose delicate little stomachs with internal medicines or to keep the children always indoors.

Plenty of fresh air in the bedroom and a good application of Vick's "Vap-O-Rub" Salve over the throat and chest at the first sign of trouble, will keep the little chaps free from colds without injuring their digestions. 25c, 50c, or \$1.00.

WINSTON

The Highest Tobacco Market On Earth

Don't Take Our Word For it, But Come and See and Then You know

We sold at least 20 loads out of Rockingham last week that brought above \$500.00 for each load. It does not take a big load of Rockingham tobacco cutters to bring \$500 to \$700. Our averages on Rockingham tobacco at least \$35 per hundred.

JOE GLENN

OUR SALE TODAY, MONDAY, 58,042 Pounds for \$18,380.38; Grand Average \$31.66

Three Sales running every day now and you can sell and never have to wait.

We shall look for you soon.

We want our own county folks to get all the money possible out of their tobacco and to do this you must come on to Winston and sell at **BROWN'S**.

We are selling one-third more Rockingham tobacco than ever before. Why? Because when a man comes with a load he never fails to come back. You are losing money when you don't come.

We guarantee you the highest prices ever before known—much more than you can get on any other market. It is a duty you owe yourself to come and see.
