All registrants and other persons are required and strictly enjoined to examine from time to time said notice (Form 1002), so posted by the Local Board, and the classification list (Form 1000) upon which said C. S. Pritchett Tells How He Was dates are to be entered, in order to

be informed of the time for the performance of any duty or the exer cise of any right or privilege; and it is the duty of every registrant concerning whom any notice is posted, but who for some reason has not received the questionaire or notice, as the case may be, to apply to his Local Board for a copy thereof. Failure to receive notice or questionnaire will not excuse the registrant from performing any duty within the time limit, nor shall it be in itself ground for extension of time.

INCOME TAX OFFICER TO VISIT THIS COUNTY.

Collector Watts announces that a Federal income tax officer will be in ers with their neturns without cost to them, as follows:

Leaksville-Spray, January 2 to 5th. Reidsville, January 7th to 12th. Reidsville, Feb. 26th to 28th. Wentworth, January 15th and 16th. Madison January 17th 17 and 18th Returns of income for the year 1918. Because a good many people don't understand the law and won't know how to make out their returns, the government is sending this officer to do it for them. But the duty is on the taxpayer to make himself known to the government. If he doesn't make returns as required before March 1, he may have to pay a p.nalty ranging from \$20 to \$1,000pay a fine or go to jsil. So if you don't want to take chances, you should call on the income tax man. If you are nit sure about being subject to the tax, better ask him and make sure. Whether you see the income tax man or not, you must make return if subject to tax.

The collector suggests that everybody start figuring up now his income ond expenses so as to be ready with the figures when the officer arrives. Expenses, however, don't mean family expenses, money used to pay off a principal of a debt, new machinery, buildings, or anything like that. They mean what yiu spend in making your money-interest, taxes paid, hired help, amount paid for goods sold, seed, stock bought for feeling, rent, (except for your dwelling), etc. Income includes abot every dollar you get.
