"THE LETTER E"

Someone has advanced the opinion that the letter "E" is the most unfortunate character in the English alphabet, because it is out of cash, forever in debt, never out of danger, and in hell all the time.

But we call attention to the fact that "E" is never in war and always in peace. It is the beginning of existence, the commencement of ease, and the end of trouble.

Without it there would be no Rexal store, no coffee, no bread, no life, no heaven, no service, no business, no appreciation, no regrets, no Fetzer's. The Words "Fetzer's Pure Drugs," and "Service" are synonyms and, we appreciate your patronage.

THE NEWS IN BRIEF SINCE OUR LAST ISSUE

All cheese now in storage must be marketed before June 15, unless special permission to hold is given by the Food Administration.

The prospect for the 1918 wheat crop in Japan is said to be very good by a report to the Department of Commerce. The 1917 crop is estimated at nearly 35,000,000 bushels.

More than 1,600 tons of anthracite coal were condemned in Pennsylvania markets by representatives of the Fuel Administration recently in the campaign to compel the delivery of clean coal.

The British and Egyptian governments have decided jointly to acquire the entire Egyptian cotton crop, beginning next August. A commission has been appointed to take control of the regulations.

A division of "betterments and additions" has been added to the railroad administration in charge of Judge Robert S. Lovett. The division will have its jurisdiction of betterments and additions to railroad lines throughout the country.

From the beginning if 1914 to August 1, 1917, there was a total advance of 82 per cent. in the retail prices of bread according to the Department of Labor. In the last few months there has been a decrease, and prices are now 66 per cent. higher than at the beginning of 1914.

The troops sent recently by Germany to Finland, to assist in putting down the red guard are meeting with little success which are continually being increased, says a semi-official statement issued in Berlin. On this account, further help by the Germans is said to be urgently needed.

Firms or individuals paying officers or business employees a portion or all salaries and wages during the period in which they are in the service of the United States may deduct those amounts from their taxable income, according to a regulation by the Commissioner of Internal Revenue.

A monthly survey of labor conditions in war plants will be made hereafter by the department of labor through the public service reserve. Reports are now being received from 500 plants and it was announced that

the survey will be extended to include 2,000 plants within the next eight weeks. Detailed statements of labor and housing conditions, labor shortages and future requirements, are to be secured.

From June 5 to December 1, 1917, only 5,870 arrests were made or reported to the Department of Justice for failure to register under the selective-service act. Of these, 2,663 were released after having registered and persecutions were begun against 2,059, of which about 1,500 are still pending.

Following the plan adopted for California and Colorado, the Food Administration has appointed a commission to determine the cost of producing sugar beets in Nebraska. The commission has no power to fix prices but it is expected that its figures will serve as the basis for voluntary price agreements between growers and purchasers of sugar beets.

The new "Mexican service badge" will soon be issued to officers and enlisted men who served under certain conditions in Mexico and on the border. Persons not now in the Army who would be entitled to the badge and those separated from the service has been honorable may secure authority from the Adjutant General to purchase and wear the badge.

A movement to save some sixty million eggs for food this year by country-wide observance of an eggless Easter has been launched by prominent women, headed by Mrs. Herbert Hoover, Mrs. Newton D. Baker, Mrs. Medill McCormick and Mrs. P. P. Claxton. It was announced recently that the annual egg-rolling on the White House grounds Easter Monday would be abandoned.

Martial law virtually has been inaugurated in Fort Worth, Texas, in what is declared to be the most sweeping anti-vice crusade ever undertaken by a city of the southwest. In raids upon rooming houses, hotels and resorts, more than 300 men and women have been arrested during the last few days. Eighty are confined in jail, 150 or more are out on bond and as many more under detention as material witnesses before the federal grand jury, now in session here.

Quarterly Conference Meets

Wentworth Circuit held its second quarterly conference at Lowe's M. E. Church, South, last Saturday, March 16, with the Presiding Elder, Rev. J. H. Barnhardt, in the chair, and Mr. J. T. Smith, secretary.

The report of the pastor, Rev. F. L. Townsend, was indeed gratifying and carried the information that the spiritual state of the four churches on his circuit is good. The financial report showed the sum of \$265.88 as having been paid the pastor during the last quarter.

Delegates to the District Conference which will be held sometime in July at Old Trinity in Randolph county, were selected as follows: T. A. Moore of Bethlehem, Chas. O. McMichael of Wentworth, Chas. O. Roberts of Lowe's, W. J. Clark, Jr. of Salem, The Charge Lay Leader, Jas. T. Smith, and the Recording Steward of the circuit, Numa R. Reid, are also members of the District Conference, and the circuit promises to be well represented at the Conference. Rev. J. H. Barnhardt is a delegate to the general conference of the church which convenes in Atlanta in May.

He thinks there will be three or four new Bishops selected by the conference. The conference at Lowe's was well attended by the officials of the various churches. The third quarterly conference will meet with the Wentworth church sometime in the summer.

GIRLS! LEMON JUICE IS SKIN WHITENER

How to make a creamy beauty lotion for a few cents.

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quart pint of the most remarkable lemon skin beautifier at about the cost one must pay for a small jar of the ordinary cold creams. Care must be taken to strain lemon juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands.

Certain-teed

Roofing - Paints - Varnishes

Certain-teed means certainty of quality and guaranteed satisfaction—

the first and last object of careful buyers. Both quality and satisfaction are guaranteed by a business which has gained world leadership because of its ability to manufacture and distribute the highest quality products at fair prices.

Certain-teed
Roofing & Shingles

Certain-teed is a conservation product. It is made from rags and asphalt, skillfully converted into roofing that is impervious to the elements. *Certain-teed* is the most efficient type of roof for all kinds of buildings, from the modern skyscraper to the farm barn. It is light weight, weatherproof, clean, sanitary, fire-retardant. *Certain-teed* is not affected by fumes or gases, and cannot rust or corrode. Its first cost is moderate, laying cost low, and upkeep practically nothing. *Certain-teed* is guaranteed 5, 10 or 15 years, according to thickness.

Certain-teed
Paints & Varnishes

Made from the best quality materials, mixed by modern machinery in scientifically correct proportions to produce the highest quality paint. *Certain-teed* Paints and Varnishes are sold at cost plus a small profit. Each color is priced according to its cost. Paint makers usually charge the same for all colors, basing their prices on the cost of making the expensive colors. The *Certain-teed* policy puts each color on the right basis. Therefore most *Certain-teed* Paints cost you less than competing paints of anything like the same high quality.
