MADISON.

L. L. Joyce, more familiarly known as "Tank," and who was about 75 years old, committed suicide at his home near Sandy Ridge Monday morning by shooting himself through the head with a pistol. Mr. Joyce had been in declining health for some time and this is supposed to have caused him to become despondent. He is survived by a widow and several children.

Probably the severest storm that has visited this section for a long while, passed South of this place Thursday evening, though the wind was pretty strong here. At Billy Williams' three of his chimneys were blown down, while the roof of his house was badly damaged, and his loss is estimated to be at least one thousand dollars. A little further on the storm played havoc with Holman-Stewart's orchard, uprooting several apple trees. At the home of Jim Tisdale on the Price place lightning struck a chimney and Mrs. Tisdale was badly shocked.

Dr. R. C. Matheson's peach orchard was robbed one night recently. He went out to his farm to harvest the delicious fruit and found that others had preceded him and took everything in sight, stripping every tree of every vestige of fruit. Not only that, but the thieves had broken into the house and purloined some sacks in which there were clover and grass seeds for the purpose of carrying off the fruit.

Mr. and Mrs. John M. Gallaway have moved to Greensboro and are now occupying their handsome new residence in that place which has recently been completed.—Messenger.

A Great Remedy.

The merits of Chamberlain's Colic and Diarrhoea Remedy are well known and appreciated, but there is occasionally a man who had no acquaintance with them and should read the following by F. H. Dear, a hotel man at Dupuyer, Mont. "Four years ago I used Chamberlain's Colic and Diarrhoea Remedy with such wonderful results that I have since recommended it to my friends."

Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of **CARDUI**, the woman's tonic, according to letters we receive, similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

CARDUI
The Woman's Tonic

She writes further: "I am in splendid health. . . can do my work, I feel I owe it to Cardui, for I was in dreadful condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.
