Academy of Music, Thursday Night, July 16, 8:30 O'clock----Admission 50c

BASEBALL

DURHAM WON FOUR PRIZES

Out of the Five Events Planned for the Day Charlotte Got One

ANGIER GRABBED TWO

Carried Away Honors in the Field Events Yesterday

Rain broke up the second of the Charlotte series yesterday afternoon after the events of the field day had been pulled off, in which Durham took all of the prizes except one. The managers called the game fifteen minutes earlier than the regular time in order to get a start before the threatened rain arrived, but the umpires decided to call it after one and a half innings had been played.

Although lowering clouds which began to gather just before noon threatened rain a big crowd of people went out for this big day which had been planned in honor of the manager of the Bulls. A heavy rain about noon made the grounds very wet, but the sun came out, and the crowds went to the park.

Emery and his crowd were a little late in getting to the field and the events did not begin till about 3 o'clock. The two managers selected the men who were to compete in the various events. Umpires Corcoran and Cowan were the judges of the events and Mr. E. B. Lyon was the time keeper. President W. G. Bramham did the announcing.

The scores made follow: Circling the bases, prize, a carton of Bull Durham tobacco, given by the American Tobacco company, Butts, 15 2-5 seconds; Hartle, 15 1-5 second. Best time to first on bunted ball, prize, a pipe, given by the Durham Cigar store. First time, Meadows, 3 4-5 seconds; Wofford, 3 4-5 seconds second trial Meadows, 3 2-5 seconds; Wofford, 3 4-5 seconds.

Farthest thrown ball, prize 500 Sovereign cigarettes given by the American Tobacco company. Angier and Butts of Durham, and Patterson and Tiney Stuart, who has been signed by Emery, competed in this event. Angier was an easy winner. While no measurements were taken, the heave by Angier was about the longest that has ever been seen on the East Durham diamond. All of the players went to deep center. Angier beat Tiney Stuart, whose ball hit directly in front of the home plate, by several yards.

Race around bases, one player from each club, one going by way of third and the other by way of first base, prize, pipe, given by W. A. Mabry. Welch and Angier ran this race. A flip of a coin gave Angier the choice of the route and he chose that around by first. Angier made the bases in 15 1-5 seconds and Welch in 16 3-5 seconds.

Farthest hit ball contest was won by Forbes, of Durham, who was competing against Hicks, of Charlotte. Each man had a chance at three balls. Forbes' shortest hit ball went farther than Hicks' longest hit one.

Owing to the very wet condition of the grounds the other events which were scheduled were not pulled off.

The crowd took a great interest in the various contests and cheered the Bull runners and contestants when the announcements were made.

President Arthur Lyon, of High Point, was an interested spectator for the contests yesterday afternoon.

TOURISTS' ERRORS COST THEM GAME

Harry Watson Pitched in Great Style but Was Beaten

ALLOWED THREE HITS

Asheville, N. C., July 14--Errors by Reddy Rowe and Rickard gave Greensboro a 2 to 1 decision over Harry Watson and the Mountaineers here today. Watson pitched a brilliant game of ball, holding the visitors to three measly singles but the miscues came at a time when they counted and the decision went the way of the visitors. Owen was forced to use two pitchers to get away with the game but he turned the trick successfully.

Watson went all the way for Corbett and never pitched a better game in his baseball career. The only slip of the local slabbist was a wild pitch that sent a runner across the pan but the rotten support accorded him had put the man in a scoring position. But two men got to first on Watson's passes and he fanned twice this number.

Harper began on the mound for Owen and worked six and two-third innings in splendid style. With two down in the seventh Johnny gave three free passes to first, putting all on the patches that the rules allow. Owen seemed to be asleep for he made no move to use the hooks. The fourth man took his place at the bat and two balls were called on him. Still Owen slept. Milliman refused to hand the game away with the bases on balls and halted proceedings by squaring himself on the plate and telling Red that some one else would have to do the receiving unless Harper was given relief. This brought the manager into action and he ordered Peter Boyle to the mound.

Boyle forced the batter to hit a fly to left, retiring the side. How the runs were made--The visitors scored first in the second frame when Owen led off with a single to center and took second when Rickard allowed the ball to get through him and roll to the fence. Doak sacrificed him to third and Gold contributed a second out by whiffing. Milliman smashed a grounder at Rowe and he fumbled the ball allowing Owen to score and Milliman to reach first, but he was out when he attempted to steal. The deciding run was sent across in the ninth frame when Boyle singled to left. Dysert bunted in front of the plate and Frye recovered the ball, throwing it to second for a force out. All would have worked nicely but Boyle accidentally stepped on Reddy's toe and he dropped the ball. Crane popped out to the pitcher and Peritt lifted a weak fly that was smothered by the third baseman. McCarthy drew a base on ball, filling the sacks and Watson wild pitched Boyle home.

Asheville's lone tally came in the ninth inning and was the result of Frye's home run blow into the negro bleachers in right field. The game was featured by the excellent pitching of Watson and the poor support given him with men on. Harry Watson was the only player in the game to get more than one safe blow. Watson counted twice out of three times up, one of his licks going for two bases. In addition he fielded five chances in fine style. Crane played faultlessly at short stop accepting five difficult chances without a bobble.

WINSTON BLANKED RALEIGH MACKMEN

Chief Myers Was Bated to Far Corners of the Lot CARL RAY PITCHED

Winston, N. C., July 14--Carl Ray was in great for mto-day and while he held the Mackmen to three scattered hits his teammates got next to Happy Myers for sixteen safe blows for a total of twenty-one bases and won the contest, 7 to 0. Ray worked in fine style, the cloudy weather helping him to a great extent. The portpaw's control was better than usual and his curves were breaking beautifully.

Fitted against him was Myers and he was powerless to prevent the locals from hitting him when hits counted. Myers whiffed ten men but Muck caught a rotten game and his inefficient work behind the bat greatly assisted in the undoing of the pitcher. He was not able to use the unusual speed that was his today, for Mack was not able to hold on to Myers' fast ones.

How the runs were made--The Twins scored a brace of tallies in the first inning when Buck Roberts started things humming with a two bagger to left field fence. Rollings connected for a one base lick to right, advancing Roberts to third. Rollings followed up his hit with a stolen base and Gus Schrader hit to the right field fence for half the circuit scoring both. In the third inning, Rollings scratched a hit toward second and took second when Myers cut loose with a wild pitch. Schrader fanned but Rollings went to third when Mack allowed a ball to get by him. Hickman was out, second to first. Rollings scoring on the play. In the sixth frame three additional tallies were added when with one down Garvin singled over second. Evans was substituted to run for him and he took third when Ray singled to right. From this station he was wild pitched home by Myers, Ray going to second.

Roberts then came across with his second two base blow, scoring Ray and counting also when Litchfield allowed the ball to get through him. The seventh and last run was scored in the seventh frame when Stuart singled to center and took second on Gates' sacrifice, and third on Spence's infield out, short stop to first. He scored when Garvin singled by second. Raleigh secured two safe licks off Ray in the first inning and one in the second, but following that there was nothing else doing for the visitors. The Mackmen never reached second following the close of the second frame.

Two base hits, Roberts (2); Schrader, Spence, Rollings. Sacrifice hits, Gates. Base on balls, off Myers 1; off Ray, 4. Struck out by Myers, 10; by Ray, 5. Wild pitches, Myers, 2. Stolen bases, Rollings, 2. Double plays, Rollings to Schrader (2). Passed ball, Mack. Left on bases, Raleigh, 3; Winston, 10. First base on errors, Winston, 1. Time, 1:35. Umpire, Mr. Benett. Attendance, 700.

Returned Home Mrs. W. G. Perrow, daughter of Mr. and Mrs. A. A. Sears, of Morris street, and daughter, little Miss Mary Elizabeth Perrow, returned to their home in Seattle, Wash., yesterday, after spending two months in the city with Mr. and Mrs. Sears. Mrs. Perrow formerly lived in this city, but removed to Washington following her marriage.

Miss Annie Miller returned to the city yesterday from Raleigh, where she spent the day with friends and relatives.

A DOUBLE HEADER WITH CHARLOTTE

Game Called Off in the Second Inning Yesterday Afternoon

RAIN CHECKS GOOD

At the completion of the first half of the second inning yesterday afternoon the game between the Bulls and Charlotte had to be called on account of rain and wet grounds. The game started in the rain which gradually grew worse during the fifteen minutes of play.

Both games will be played this afternoon, the double header beginning at 2:30 o'clock. The rain checks which were issued yesterday afternoon may be exchanged for tickets today at the Cigar store. Of course they will be exchanged at the grounds but the ticket offices there will probably be crowded.

Neither side had scored yesterday when the game was called. Weiser and Emery were both out in the first inning on infield plays. Hartle singled. Wofford hit a ball to short left field. Butts came in to receive the catch, but dropped the ball, and Hartle stopped on third base. The two runners attempted the double steal, and Doyle received the throw from Short. He chased Wofford back up the base line, and Hartle made a dash for home. Doyle threw to Morpeth, who shot the ball to Short, catching Hartle at the plate for the third out.

In her half of the inning Durham made two hits, but scored nothing. Butts was out from second to first. Angier singled to center field. Gorham singled to short right. Hartle fielded the ball perfectly and then made a good peg to third base, where he caught Angier. With two out and Morpeth up, Gorham was caught trying to annex the second station.

In the second inning McCall, first up for Charlotte, was out from W. Kelly to Morpeth. Hicks hit a hot
