

NEW MANGUM STREET METHODIST CHURCH.

## WORK ON CHURCH IS PROGRESSING

Will Begin Laying Brick for New Mangum Street Methodist Church

## HANDSOME STRUCTURE

Cornerstone Will Be Laid by Rev. A. McCullen in Near Future

Work on the new Mangum Street Methodist church is progressing rapidly, work of excavating having already been completed. The brick work will begin within the next few days. The contract calls for the completion of the building by October 1. When finished this will be one of the handsomest churches in the city and much commendation is deserved by those who worked so faithfully that the congregation might have a home commensurate with the needs of the church. The cost of the church is \$11,000.

The church will be 50 by 88 feet and will be of handsome pressed brick. The type of construction is modern in every respect. The main auditorium

will have a seating capacity of 350. There will be eight Sunday school class rooms. If converted into one large auditorium about 600 persons may be seated.

According to the terms of the contract made with the Universalists of this city, who purchased the old Mangum st. this building must be vacated by the Methodists May 1. It is expected that the Sunday school rooms of the new church will be ready for occupancy by the congregation about the first of June. During the month of May a temporary place of worship will be secured. Beginning about the first of June services will be held in the Sunday school rooms until the church is ready for occupancy in October.

The church has a splendid location. It is on the site of the old McCracken homestead on Trinity avenue. This is a more central location for the congregation than the old church. The contract for the erection of the church was awarded to J. T. Salmon, a local contractor. The plans and specifications were furnished by Rose & Rose, a local firm of architects.

It has been decided that the new church will be known as Calvary Methodist church. Rev. C. J. Harrell, the pastor, states that the cornerstone will be laid by Rev. A. McCullen, pastor of Trinity Methodist church. Although the date for the laying of the cornerstone has not yet been definitely determined in all likelihood these exercises will be held Sunday afternoon, April 23, which is Easter.

## PROCLAMATION BY MAYOR SKINNER

Whereas, all good citizens are interested in the welfare of their town and community and are desirous of aiding in any cause that tends to better sanitary and health conditions; And wise custom having been established in a great many cities of taking extraordinary precaution to prevent disease and promote and inculcate wholesome ideas relative to sanitary conditions, through the setting aside of a certain period during which all citizens are expected to give special attention to the removal and destruction of waste materials, dirt and filth, so that breeding places for flies and disease germs may be destroyed.

Now, therefore, the city of Durham, acting together with the Civic league, board of health and other Civic associations hereby declares and designates the week of April 2, to April 8th

1916 (inclusive) as "Clean up and paint up week for Durham." During this week every citizen should make an effort to clean up his house and property so as to avoid fire risk, to clean up his front and back yard, to paint his premises if necessary, to abolish all places that might breed flies and mosquitoes, to eliminate weeds and to help clean up vacant lots, so as to improve health and sanitary conditions.

The clean up campaign will afford an opportunity for every citizen not only to show his personal pride, but also his civic pride. No city is attractive nor healthy if it is dirty and littered up. All should be willing to co-operate in cleaning up not only his own premises, but in helping to clean up the premises of others when help is necessary.

I call upon our citizens to take part in this good work and I invoke the help of every man, woman and child to this end. Make a special effort to clean up your lot and deposit trash in proper receptacles. Attention will be given by the street cleaning department to the prompt removal of all trash.

Let all work together to clean up and paint up Durham during the week designated—to give the city a thorough cleaning as the good housewife does the interior of her home and to brighten up things with fresh coatings of paint—then keep the city that way throughout the year. Let us plant grass and flowers. Let us make Durham not only clean, but beautiful as well. The result will be a cleaner, happier, healthier and more attractive city in which to live.

This April 1st, 1916.  
(Signed) B. S. SKINNER, Mayor.

## THE SECRETARY IS EXPECTED TODAY

Mr. A. J. Colman, of Elizabeth, N. J., who was recently elected secretary of the Durham Chamber of Commerce, is expected to arrive today. He will begin his duties as secretary of the chamber tomorrow morning. It is the plan to push with unremitting zeal the work of the chamber, following Mr. Coleman's arrival. The new secretary is regarded as very efficient, having had wide experience.
