Mr. Luther Gray, of Wilkes county, has a beet on exhibition in the front window of the Farmers and Merchants Bank that beats all the beets. It is a good imitation of the ground hog, minus the hind legs. The head, ears, snout and fore legs are good imitations. It measures from snout to tip of tail 2 feet and 4 inches, and one foot and three inches around body.

Mr. James Martin, of Los Griven, Idaho, spent several days here the past week with his nephews, Messrs. H. H., Edgar, and R. J. Barker. During this time he has made but three or four trips back to his old home country.

On Monday some miscreant placed a heavy cross tie on the track of the Southern railway at "Big Bend," two miles west of Elkin, with a view to wrecking the west bound mail train. The tie was a large one, and the "cow catcher" knocked it clear of the track, preventing what would in all probability have been a serious affair. A colored boy named Harris has been arrested and is being held as a suspect while railroad officials are working on the case. It was a close call and might have been a very serious matter.

ANOTHER FIRE

Last Friday morning, between 1 and 2 o'clock, the granary of Mr. Thomas Rose, on the Greenwood place two miles east of Jonesville, was destroyed by fire with an additional loss of 425 bushels of corn and a lot of farming tools and rough feed in a shed attached to the granary. Mr. Rose believes the fire was the work of an incendiary, and authorizes us to say that he will pay a reward of \$50.00 for evidence sufficient to convict the guilty party. The loss will total about \$850.00. Mr. Rose is a good citizen and a hard working man, and this is a heavy loss to him at this time.

CHASTAIN-ALEXANDER

A beautiful home wedding was celebrated yesterday morning at Mr. Freeland Alexander's, near Traphill, when his daughter, Miss Fay, became the bride of Mr. Robert Chastain, of DuBois, Idaho. Rev. J. P. Hipps, of Elkin, performed the ceremony, using the plain form of the Methodist church. Only a few intimate friends of the family were present. The bride is a sister of Mrs. E. E. Harris, of Elkin, and is a young lady of many lovable traits. She spent several years in school here and has many friends who wish for her all the happiness possible. The groom is a native of South Carolina, but has been living in Idaho for a number of years where he is a successful and prosperous stockman. The happy couple spent last night here with Mr. and Mrs. E. E. Harris and left today for their western home, going by way of his old home in South Carolina, where they will stop for a few days.

Red Cross Notes

The display of knitted garments in Wilmoth's show window last Friday created quite an interest among the people, both of the town and country. It represented the fifth box of woolen garments that have been prepared and sent to Atlanta by the Elkin Red Cross Society for our soldier boys. It contained 32 sweaters, 35 pairs sox, 10 pairs wristlets and 2 mufflers.

The total number of knit articles sent by the Elkin branch to date is 94 sweaters, 28 mufflers, 113 pairs sox and 57 pairs of wristlets. In addition to these there has been a large quantity of surgical dressings, bandages, etc., prepared and sent forward.

There is still room for more workers and the list is open for more new members. If you haven't joined the society yet do so now and do your bit in the great cause.

Any one wishing to knit can get yarn at the Red Cross rooms Tuesday and Thursday in each week from 2 to 5 o'clock.

MAXWELL

\$1195
F. O. B. DETROIT

There is inflexible logic in the fixing of that price for the Maxwell closed cars. The purpose of the Maxwell builders was to strike the MIDDLE LINE of absolute value. They have done so with scientific accuracy. The Maxwell closed cars have grace, beauty, comfort, efficiency, durability, economy and standard equipment. But, if built to sell for less than \$1195 one or the other of these would be lacking. On the other hand, for a higher price you could get only larger size or fancier furnishings—not any greater VALUE or finer "class." That is what we mean by "the Middle Line."

Free-Passenger Sedan, \$1195, Six-Passenger Town Car, \$1195, Touring Car with All-Weather Top, \$835, Touring Car, \$745, Roadster, \$745. All Prices F. O. B. Detroit.
