TIME.

Before you go to bed next Saturday night move your clock up one hour or you might be late at Sunday school and preaching Sunday morning. Watch the time or you'll get April fooled several times next week, and maybe miss the train, too.

The war is over and our boys are rapidly coming home, but the reconstruction period has just begun. Our people who remember the days and years that followed the close of the civil war in our country can draw but a faint idea of the suffering that is now following in the wake of the great world war that has just closed in Europe. Thousands upon thousands of our fellow men are dying every day from starvation and disease, while millions are suffering for clothes sufficient to protect their bodies from the cold and chilly blast of wintry winds and piercing rays of summer heat. Our government is sending food by shiploads daily to relieve the starving people, but the appeal for clothing comes to the people direct. The Red Cross is trying to meet this appeal and are calling on you for help. They are not asking for new garments or fine clothing. Any second hand garments that can be worn, suitable for the tiny infant in its mother's arms, to the gray-haired man or woman will be gratefully accepted. Look through your ward robes and see if you haven't some little dresses, pants, coats, stockings, hats or caps that have been outgrown or discarded. Make up a bundle of anything in the clothing line and send it to the Red Cross room Friday or Saturday afternoon between two and five o'clock and it will be promptly sent to these suffering people beyond the sea.

REAL ESTATE DEALS.

The land sale held last Thursday afternoon, under the supervision of the Linville & Ball Real Estate Agency, proved quite a success. Seventeen lots on east side of Main street extension in West Elkin, belonging to R. G. Franklin were sold. The first lot fronting on main and old street was sold to R. C. Ray for \$335.00. Lot No. 2 on old street sold to J. W. Glenn, for \$335.00. Lot No. 3 on Main street adjoining No. 1 on the South, 75x140 feet sold to R. C. Ray for \$180.00. Lot No. 4 100x200 ft. to J. C. Park, \$200.00; Lot No. 5 100x200 ft. to R. S. Call \$232.50; Next 4 lots 75x200 ft. each to J. R. Poindexter, \$1060.00; Next 2 lots 75x200 ft. each to H. P. Graham, \$415.00; Next 4 lots 300x200 ft. B. S. Call, \$640.00; Next 2 lots 125x150 ft. to J. W. Glenn, \$620.00; 2 lots 50x150 ft. on south Main to J. W. Glenn \$800.00; Total \$4,817.50. J. R. Poindexter to L. J. Bray, one lot on South Main street, 100x106 feet, \$890.00. The above lots are all on the west side of Elkin creek and are fine residence lots. One lot was sold on South Main street, 25 feet front and 125 feet deep, in which there is a one story brick store house by W. J. Bureham to J. R. Poindexter, \$1795.00. The total sales amounted to \$7,502.50. The crowd was small, but was good humored and the auctioneer, Mr. Ball was at his best, while the band boys furnished good music and held the crowd together.

By an error, resulting from getting dates mixed, the entertainment that was advertised for last Monday night by the Lyceum club, failed to materialize. The managers regret this very much but assure our people that the entertainment will be given in a short time. The Epworth League arranged with the Piedmont Lyceum Company for four entertainments during the spring season, two have already been given and two more will be given within the next month or six weeks.

JONESVILLE NEWS

Misses Beulah Mabery and Ethel Boles left Thursday morning for Winston-Salem to do their spring shopping. They spent the night there at the Zinzendorf hotel and returned home Friday afternoon.

Messrs. Gaston Long and Lee Roy Martin spent Wednesday and Thursday in Elkin and Jonesville with friends, while having their cars repaired.

Mr. Bob Boles, of Jonesville, left Thursday afternoon for Winston-Salem where he was detained a day or two on business.

Mr. Wise Swaim, of Winston-Salem spent a while in Jonesville last week with relatives.

Mr. Arthur Boles spent a few hours in town on business last Thursday.

Misses Pernie Mabery and Ethel Boles, of Jonesville, spent the week-end with friends and relatives at Pinnacle.

DOBSON LETTER.

Mr. Harry Jewell is visiting his people here.

Dobson Lodge, A. F. & A. M., held a special communication here Saturday.

There was a spelling match held here last Friday night between the pupils of the Dobson High School and the citizens of the town. The result was in favor of the citizens. Last year the school won and the pupils declare that this defeat is only temporary, that they will win again.

Miss Ethel Brim, of Mount Airy, visited friends here last Saturday.

The town commissioners have called an election to be held May 1st, for the election of a mayor and board of commissioners.

The Mount Airy newspapers have recently been having much to say about the court house being used as a lodging place. The Mount Airy News stated that it did not speak well for the hotels here for the court officials and county officers to be using the new court house as a sleeping place. Editor Johnson is indignant to the fact that the most popular hotel we had was completely destroyed by fire last summer, and it is being rebuilt as rapidly as circumstances will allow. However, there are other hotels and boarding houses here and lodging in the court house is a matter of choice, not necessity. Your correspondent is not custodian of the court house, nor is he representing any of the hotels here, but as a humble private citizen fails to see any reason or justice in any one, even though he be a judge holding court here, using any part of the court house for sleeping quarters. It is proper for the jurors to be thus accommodated, but if the judges, attorneys, and county officials are to receive such favors at the hands of the people of the county, why not extend it to the witnesses and litigants who are compelled to attend and camp out at times.

MRS. NELLIE HARRIS PASSES.

Mrs. Nellie Harris, widow of the late Franklin Harris, died at the home of her son-in-law, Rev. C. F. Fields, last Thursday at 3 o'clock, P. M. Aged 87 years. The funeral services were held Saturday at Macedonia church, conducted by Rev. A. J. Williams, after which interment was made in the church cemetery. Mrs. Harris was a consecrated christian woman, having professed faith in Christ and joined the baptist church more than sixty years ago. She is the seventh person that Rev. and Mrs. C. F. Fields have taken care of in their old age and laid to rest in the silent grave when they reached the end of life's journey. These were Mr. Fields' grandfather, Father, Step-mother, two aunts, and Mrs. Fields' father and mother. Surely this couple will hear the welcome words of the Saviour in the last great day "as ye did it to these, my children, ye did it unto me; enter into the joys of our Lord."

Mrs. Ed Spencer died at her home in West Elkin last Thursday at 10 o'clock, A. M., after an illness of several months with heart dropsy. Her remains were taken to Shoaly Branch church on Friday where the funeral services were conducted by Rev. Grant Cothren, after which interment was made in the church cemetery in the presence of a large congregation of sorrowing friends and relatives. She is survived by her husband, two sons and three daughters.

LETTER FROM B. D. PHILLIPS

U. S. S. "Jean,"
3rd February 1919.

Mr. and Mrs. A. C. Phillips,
State Road, N. C.

My dear Father and Mother:

Well, I am out on the sea again in the gold old ship Jean, going farther on though in the place of coming nearer the states, we arrived at Rio de Janeiro, Brazil, January 27th, and unloaded our cargo of coal there and left there yesterday morning for a place called Santos, Brazil. This place is about three hundred miles farther and we are expecting to get there this evening some time. At that place we will take on our cargo for the return trip, it will very likely be coffee.

Well, I must tell you something about our stay at Rio for it was indeed a pleasant one and I had a real good time while we were there. Rio has about a million and a half people in it and is the New York of South America. It is built on the sea coast with mountains all around it and before going ashore there doesn't look like you could find a very large level spot there, but after you get over town it is larger than you would imagine. The people speak Spanish and it is worse about talking here than in France. I spent two nights at the Hotel over town and had a time making them understand that I wanted a room.

The last time we were over there four of us boys went over just after dinner and got a car and rode over the city and out to a place called Sugar Loaf and there we took a car that went up in the air on a trolley line and went up a big mountain peak about 1500 feet high and going up we met a native of Brazil that had lived in New York a few years ago and he was just as nice to us as he could be and made us have supper with him and carried us around to see different things. Believe me it looked pretty when you were going up in that car about a thousand feet from the ground and could see the beautiful forest covered hills under us. When we got up we could see big mountains all around and the coast with the little islands dotted about.

We spent the evening up there and had supper with that man up on top of the mountain and it was a treat. Then we came down and he with us and got a car and went over town some more. Believe me, it makes a fellow feel good to find a friend in a foreign country. Every thing is as high as all get out here, except fruit, we can get bananas, and pine-apples here, and believe me I have been eating them since we arrived. Rio is one of the prettiest places I ever saw. I made and bought a good many pictures of the place that I will show you when we get back to the states.

We will probably be at Santos for about four or five days and then I don't know just where we will go, it is rumored that we may sail direct from here to Europe, but I hardly think so, for if we can get cargo for New York I think we will go there. Any way I hope that we will go back to the states in the place of Europe, for if we go there it will very likely be to Italy.

It has been some hot here since we landed, hotter than I ever saw it in the states and you know how it gets there sometimes, but as it were I don't get out in the sun very often. On going into port and coming out I have to be on the bridge with the Captain so as to make all necessary entries in the Log Book, and I was up there for about an hour and a half when we came into this port and my arms blistered so you can guess that it's not as cold here as in N. C. now.

This trip has been much nicer than the one we had to France, and I think that every body has enjoyed it very much, except the Paymaster as he has been sea-sick most of the time.

Wonder what all you are doing at home now and how every thing is progressing around there. You know we never hear anything out here on the water. I wrote you while at Rio, don't know when you will get any of my mail though. It seems ages since I have had a letter from you and still longer yet to wait. Any way I guess that I will get out when we get back to the states and that will end my career in the Navy.

Has many of the boys landed in home from around there yet or not? I imagine that Parthena is beginning to think it time for Ransom to get in from France. And has Lon Wilmoth

HOW TO MAKE A GOOD FAMILY COUGH SYRUP FOR 60c. PER PINT.

Go to any drug store or dealer and buy 2 1-2 ounces of Pine Mentha, put same in a pint bottle and fill with syrup.

Make your syrup as follows: Take one pint of granulated sugar, 1-2 pint of water and heat until dissolved.

This will make you an excellent cough remedy. Pine-Mentha is a concentrated extract of White Pine Bark, Wild Cherry, Balsam, Poplar Buds, Balm of Gilead, Spikenard Root and Sassafras, containing Pine Tar, Menthol and Chloroform.

A valuable remedy for colds, coughs, bronchial affections, spasmodic croup, winter-coughs and all diseases of air passage.

Full directions for taking prepared syrup of Pine-Mentha with every bottle.

For sale by all dealers and in Elkin, N. C. by Turner's Drug Store and Abernethy's Cash Pharmacy.

come over yet or not? I have a hunch that R. C. White will soon be back. I had a letter from Mary just before we left the states and they were hoping that he would soon be coming over.

I don't know when we will be back to the states so don't you worry any about me, for I am all right. If we were to go to Europe it would be two or three months anyway other-wise if we come from here we may get in by the 20 of March, and will be at New York I guess, or New Orleans. I hope that we go to New York, though.

You both try to take care of yourselves and not get out and be exposed to the rough weather any more than you can help. Hope that you have both been well and that you are getting along nicely and that it won't be very long until I can come home.

Well I will have to stop for I have got a list of repairs for the engineering department to make out and it will take me an hour or two to do that. We will probably get to Santos this evening if the fog clears away, otherwise we will have to drop anchor and wait until we can see so we would not run into a bank some where.

If you write me any time address it U. S. S. "Jean", c/o P. O. Master, New York, N. Y. and that way I would get it soon after our arrival to the states. Hope you are both well and getting along fine.

Lovingly,
B. D. PHILLIPS.

THE RESULTS VERY WONDERFUL.

Wilmington Man Claims Drego, The New Herbal Remedy, Did Him Much Good.

Just because you are not incapacitated from your business or pleasure, the warning of stomach trouble should not go unheeded, or serious results are bound to follow. These warnings take the form of dyspepsia, indigestion, dizziness, nervousness, constipation, headaches, backaches, pains in the back and side; that tired, run days feeling and various other symptoms of a deranged stomach, which can be restored to its normal condition by Drego, the great herbal system tonic. Under the influence of its great restorative effect, these disease symptoms rapidly subside. It clears up the liver, kidneys and bladder, and enables these organs to perform their proper functions; eliminates uric acid from the blood, which causes rheumatism, and brings back the flush of health to pale cheeks by enriching and purifying the blood.

Mr. D. B. Futrell, of 102 Orange St., Wilmington, N. C., says: "I have been bothered with constipation and stomach full of gas, indigestion and dyspepsia; I have taken Drego and the results are wonderful; all my troubles are over and I feel fine again. I am glad to endorse this medicine."

Drego is sold by good druggists everywhere and is especially recommended in Elkin by Turner's Drug Store.

FREE ART SERVICE

For the Correct Finishing of the Interior of Your Home.

The artistic decoration of the interior of the home presents many problems. Dimensions of various rooms, the character of the furniture and woodwork; the colors of draperies and carpets must be considered; all this requires experience, taste and skill.

If you are contemplating redecorating your home or building a new one, you will find it a decided advantage to consult with the Art Department of the Pease-Gaullert Company, Incorporated, of Louisville, Ky. Every assistance, every information, every suggestion bearing on the subject of proper finishing of your interior will be gladly furnished without cost or obligation to you.

Write for any information or suggestions you may wish. Send in your specifications and the Art Department will estimate designs, suggest practical ideas and schemes, and give you the promptest and most careful service.
