5,799 CAROLINIANS KILLED DURING WAR

Casualty List Shows Tennessee Suffered Heaviest of Nine Southern States

Washington, Feb. 10.—Tennessee suffered heaviest of the nine Southern States east of the Mississippi River, in consecutive mourning for soldiers and seamen who were members of the American Expeditionary Forces during the World War. Virginia's losses were second, North Carolina's third, and Alabama's and Georgia's fourth and fifth, respectively. A statistical summary of all casualties prepared in the office of the adjutant general of the Army and last announcement shows the total number of those Southern States to have been 57,999, including officers and men, out of a grand total of 582,413 for the entire country. These casualties include losses from every cause which put the men out of action.

Table showing casualties for various Southern states: Tennessee 121,000, Virginia 100,000, North Carolina 80,000, Alabama 70,000, Georgia 60,000, South Carolina 50,000, Florida 40,000, Louisiana 30,000, Mississippi 20,000.

REVALUATION ACT GETS GOOD START

Saving Every Property Owner 45 Per Cent on Taxes He Would Have Paid

(By Gov. T. W. Bickett.) Every man who studies the revaluation act should be able to give the act credit for a saving of forty-five per cent. In the year 1919, 1920 every property owner paid for the year 1919 more taxes than he would have paid if the general average of 1919 had not been the subject of valuation. This is not an argument. It is a statement of fact.
