CHATHAM TEAM WINS BASEBALL OPENER SATURDAY

PILE UP 10 TO 0 VICTORY OVER BOONVILLE; PLAY WINSTON MONDAY

The Chatham Base Ball team started the season off at Riverside Park Saturday by piling up a 10 to 0 victory over the strong Boonville team. All of the Chatham boys played air-tight ball throughout the game. Gross started the box work for the local boys and only allowed two singles in the seven innings in which he worked when he was relieved by Southard who continued to keep the Boonville batsmen guessing with his left hand slants. The local boys collected thirteen hits and pushed ten runs across the plate. Finny pitched good ball through most of the game but received bad support from his team mates in the pinches. Chatham will play the strong Hamptonville team on the local ground Saturday afternoon and then take on the Chatham team of Winston-Salem for two games Easter Monday.

MOUNTAIN PARK AGREES TO ASSIST BRYAN STUDENTS

WILL GIVE HIGH SCHOOL TUITION IF COUNTY FURNISHES THREE TEACHERS

The county commissioners in special session at Dobson Friday rejected the proposal to issue \$75,000 in bonds to build three new schools in the county and additions to other buildings, but recommended that the issue be completed as soon as the county is financially able.

In this end of the county, the turning down of the issue was of special interest to the Bryan township community where a tax levy was recently voted to take care of further and higher educational needs there.

In the special meeting Friday Dr. J. H. Fulgham, president of Mountain Park Junior College, made a special proposition to the effect that the county furnish three teachers to be added to the Mountain Park faculty and operate school busses to carry the students to and from school that Mountain Park will bear all other expenses and give free tuition to all high school students.

A petition asking that the Mountain Park offer be accepted and full cooperation with Mountain Park be made has been signed by the following tax payers in that community: W. B. Williams, Morgan Cockerham, E. W. Walters, J. P. Cockerham, Andrew Key, R. J. Williams, R. C. Wood, Claude Harris, B. H. Thompson, John Wilmoth, A. W. Cockerham, P. E. Burch, William Nivon, Tom Golden, Ether Cockerham, Ransome Key, C. H. Swift, B. J. Snow, J. K. Thompson, E. H. Cockerham.
