GUERNSEY CALF SALE MONDAY GREAT SUCCESS

THIRTY HEIFERS ON BLOCK AT KLONDIKE FARM BRING \$5327.

NON-PROFIT SALE

Most of Animals Will Remain in This Immediate Section

Foundation stock was placed in many herds of Guernsey cattle in this community Monday afternoon when thirty pure-bred calves fresh from Wisconsin were placed on the auction block at Klondike Farm and, in each case brought far above the purchase price.

The sale was a complete success and went beyond the fondest expectations of the promoters. The highest bid was made by G. B. Price of West Jefferson who bid \$280.00 for a ten months old heifer.

Mr. Thurmond Chatham, owner of Klondike Farm and, who made all the preliminary financing, in a short address before the sale started said that federal income tax filings showed North Carolina farmers 48th in the nation in the amount of incomes filed and that of those who filed, practically all of them were in the dairy business.

He stressed the fact that this state is supplying only 40% of its dairy products and pleaded for farmers in this section to get busy and help themselves by getting into the dairy business with pure-bred cattle, Guernseys if possible.

The sale, Mr. Chatham pointed out, was not to make a cent of profit but to take the initiative in aiding the farmers and especially the boys, to start at the ground floor in building up pure bred herds. Klondike Farm fed the calves on arrival without a cent of cost and Mr. Chatham financed F. H. Farnham, state dairy expert, who made a 5000 mile trip through Wisconsin buying the best calves possible, tracing their ancestry and having them tuberculin and blood tested and paying the freight charges himself as well as the owners of the calves.

J. A. Airey, state dairy expert, made a few remarks preceding the sale in which he stressed the need of more dairying in this state. H. C. Bates, of Peterboro N. H., president of the Guernsey Cattle Club of America, was the auctioneer. Mr. Farnham, who purchased the trip to Wisconsin and purchased the calves gave a his-m-story of each one and read its pedigree and told of the long travel, exhaustive research and hard study in selecting the heifers.

He lamented the fact that to get pure-bred Guernseys for North Carolina farms, it was necessary to go to Wisconsin and predicted the time would come when this section centered around Klondike Farm, would

Gets \$1,000 a Month

Gloria Caruso, daughter of the late famous tenor, to whom the courts have awarded \$12,000 a year from the royalties on her father's phonograph records.

PRISONER FLEES JAIL; NO SESSION RECORDER COURT

JIM CLAMPETT TAMPERS WITH HINGES TO MAKE ESCAPE

UP FOR CAR THEFT

Officials Believe He Has Assistance in Making Get-Away

There was no session of Recorder's court Tuesday morning because but one case was slated to be tried and the lone prisoner, Jim Clampett, who is charged with the theft of an automobile belonging to Dr. Hugh Parks of this city several weeks ago, escaped from the local bastille sometime Sunday morning.

When local officers visited the jail they found Clampett nowhere to be found while the jail door was ajar, the hinges having been molested. Suspicion centered on Clampett's mother who is said to have visited her son on the previous night. It is thought that tools which would enable him to make the escape, were brought in at this time.

When officers visited him at the jail on the previous evening Clampett told them he didn't desire a thing, so the officers left and it is now presumed he had already tampered with the hinges and was all set for the jail delivery. No clue was left as to his whereabouts although a motorist reported having seen him walking near Brooks Cross as well as the owners of the call-roads. His home was near Lone Hickory.

MUST BE REGISTERED TO VOTE IN PRIMARY

Persons who have become of age or have moved to this township since the last registration purchased the calves gave a his-m-story of each one and read its pedigree and told of the long travel, exhaustive research and hard study in selecting the heifers.

Persons whose names are already on the registration books need not register again but persons who have become 21 years of age since the 1928 registration or have moved here since then are required to register before they are allowed to vote. It is necessary to live in the state a year and in a township four months in order to be eligible to vote.

Highway Head Becomes Political Football in the Folger-Commissioners War

U. G. Belton, county highway superintendent became a political football at Dobson Monday when a group brought charges against him that he had used a county wagon on his farm; used a county automobile for his personal use as well as gas and time and charged it to the county besides other charges.

The charges were brought by Attorney Woltz for a group of persons who demanded the commissioners take action. The Democrats led the attack on the Republican Highway head.

The present board simply tossed Belton and the political football back on the lap of the Democrats and Frank Folger, the Democratic purchasing agent

BASEBALL GAME TO BE PLAYED IN ELKIN BUILDING

COUNCIL GIVES PERMIT TO PROMOTER TO INSTALL NEW SPORTING DEVICE

TO STAKE LIMITS

Expert Surveyor to be Hired to Set the Official Corporate Limits

Still another amusement device is coming into Elkin to provide sport and recreation to the tired business man and some others who have not so good reason to be tried and incidentally ring up the tills of the promoters.

The town council in session Monday night gave a permit to F. W. Carot to establish an indoor baseball game in the Mosely and Carot building next door to the bowling alley. The town license fee was set at \$20.00. It is said the new sporting device will move in the location within the next few days.

In spite of the talk of hard times, it is said that all the sporting and game device promoters in Elkin have been reaping a rich harvest with their places of amusement crowded all hours day and night.

The council also ordered an expert surveyor to come here and lay out the true town limits as established by the state law and ratified by the special election of last year.

The town fathers also went on record as passing an ordinance making it an offense for persons not members of the fire department to jump on the truck when it is responding to a fire call.

NANCE SINGERS RECORD 30 SONGS FOR PHONOGRAPHS

LOCAL PEOPLE BACK FROM NEW YORK CITY WHERE RECORDS WERE MADE

The Nance singers have returned from New York City where they recorded sacred songs for the Independent Recording Laboratories. The local singers recorded thirty songs in all, the largest number ever recorded by singers from this part of the country.

The choir consists of Mr. and Mrs. E. R. Nance and daughter, Helen Nance and Misses Rita and Velena Jolly. The numbers will soon be released for phonographs.

TWO FIRE ALARMS WITHIN FEW HOURS

Two runs within a few hours were made by the fire truck Tuesday night but both calls found blazes of no consequence. The first call was to the I. R. Johnson home on Church Street about 7:30 o'clock where a small blaze had originated in the house and was extinguished when the department arrived. The second call about 11:30 o'clock, was to the Carolina Cross Arm Company where some shavings had caught fire in the boiler room. The damage was slight.

County Dads About-Face and Okey Bond Issue to Build 4 New Schools; Boosts Tax 2 Cents

M. R. BAILEY IS NAMED MANAGER OF 1930 PICNIC

MASONIC EVENT THIS YEAR EXPECTED TO ECLIPSE ALL IN PAST TO BE ON JULY 4

Military Review, Bands and Noted Speaker to Feature The Event

M. R. Bailey was named manager of the Surry, Yadkin and Wilkes Picnic Association at a special meeting held in the Masonic lodge rooms last Thursday night and began plans at once for the picnic this year which will be held on July 4. H. M. Foy, Mt. Airy, district deputy grand master, S. O. Maguire and F. E. Hendren were named as chairman of the dinner committee to be assisted by R. L. Church, H. P. Lindsay, of the board, of Mt. Airy, in which vicinity practical all the schools are to be built, and Somers voted against the issue and Somers voting against the expenditures.

Those for the bond issue however were not downhearted and at the session at Dobson Monday, had an oratory barrage laid which has few times been equalled at a session of the county board. The orators pleaded and demanded and finally had their way. It is said that the issue will raise the general county tax levy next year, approximately two cents.

It is pointed out that it is necessary to build a new school at Cook because the old frame building there recently burned while the others are badly overcrowded. Bryan township will have no high school for the present at least, an agreement having been reached between Mountain Park Institute and the patrons of Bryan whereby Mountain high school students providing Bryan furnishes three high school teachers and transports the students.

ARLINGTON WITH 240 PERSONS IS MADE A NEW TOWN

FAST GROWING COMMUNITY ELECTS MAYOR, COMMISSIONERS AND POLICEMAN

A new town has arisen at the doorstep of Jonesville and Elkin with the incorporation of Arlington, which lies on State Route 26 just at the northern limits of Jonesville. The new town has 240 people which gives the community a population of 3903 including Elkin's 2357; Jonesville's 1306 and the new town's population. Ten years ago Arlington had fourteen inhabitants and its growth during the past decade is considered remarkable.

At a recent meeting of the dwellers within the new corporation, M. J. Bryant was elected mayor, R. C. Pardue, V. L. Renegar, Cleve Simmons, W. D. Martin and Parks Gregory commissioners and R. H. Wilmoth, policeman.

Incorporation papers are being prepared this week and it is expected that Attorney Marion Allen, who is the legal advisor for the new town, will take them to Raleigh within the next few weeks to get the new corporation officially on the state map of towns of North Carolina.

It is pointed out that it is planned to keep taxation to an absolute minimum. A total of 45 homes are built or under construction in Arlington and a number of other are contemplated.

GRADUATES WITH HONOR

Thomas Shugart, son of Mr. and Mrs. Will Shugart, has graduated from the Harmony High School, first in the class of 42 graduates, according to word received here. He received a medal at the commencement exercises for being the best all round student.

He Has Never Slept

Albert E. Herpin of Trenton, N. J., 78 years old, declares that he has never slept in his life. He reads newspapers all night.

WAGONER SWEEP INTO MAYORALTY OF JONESVILLE

PLURALITY IS 98, MONDAY ELECTION RESULTS REVEAL

WHOLE SLATE WINS

E. E. Wilmoth, Is New Police Chief of Town Across Yadkin

Swept into office with a plurality of ninety-eight votes, Gurney Wagoner, is the new mayor of Jonesville, carrying with him the entire ticket at the Monday, Wagoner received 184 votes against 86 cast for J. M. Holcomb, his opponent for the office. The new officials were sworn in as soon as the election results were made known Monday night by Dan Vestal, justice of the Peace.

R. E. Wilmoth, candidate for police chief is now on duty, receiving 187 votes for the marshalship against 85 cast for E. B. Scott, candidate on the opposition ticket.

The new councilmen with their votes follow: C. G. Mathis 199; W. J. Brown, 194; I. W. Vestal, 183; Clint Wilkins, 181. He defeated ticket were: J. D. Eller 84, J. E. Reece, 87; H. M. Burcham, 79; R. M. Osborn, 80; and F. A. Lineberry, 82.

Both candidates for mayor came out for a strict observance of all the laws but the overwhelming victory of the Wagoner ticket is taken as a slap at the present administration of the town and the rumors which were whispered about that the defeat of Bryant, the present mayor, who he did last year when John Arnold was elected mayor but soon gave way to Dr. Bryant. Arnold saying his business duties would keep him away from the town much of the time. Although the defeated ticket hotly denied that this same feat would be duplicated it, has its effect in the election, those close to the situation there, aver.

"FEDERALITIS"

"Federalitis" is a new word coined by Attorney Marion Allen of this city and used before Judge Hayes in the Federal Court at Winston-Salem Monday when the case of Dr. E. F. Hartsell for violating the narcotics law was called.

Attorney H. H. Barker presented a physicians certificate saying Mr. Hartsell was unable to come. Mr. Allen replied Dr. Hartsell had "federalitis!" "What's that?" quired the jurist. "It's a disease that comes upon a man just before every term of court when he is a defendant therein and doesn't leave him until the case has been continued."

HEART TROUBLE IS CAUSE OF DEATH

Mrs. Tom Haynes died suddenly Friday night at her home on the old Dobson road a few miles east of Elkin. Heart trouble was the immediate cause of her death she had been well as usual and attended to her household duties during the day and retired in her usual health, about 10 o'clock she awoke her husband complaining of severe pains of the spine and expired before medical aid could reach her.

Surviving are her husband and ten children. Funeral services were held Sunday afternoon at Mulberry Church, interment being in the cemetery there.

CIVIL WAR VETERAN DEAD IN YADKIN

Funeral services were conducted Friday afternoon from the home for John Henry Hausder, 82, of Yadkinville. Mr. Hausder was a veteran of the civil war and a member of the Masonic fraternity, and the interment in the family graveyard near the home was attended with honors from that order.

Surviving are three daughters and four sons, thirty three grand children and eighteen great-grand children.

EXPECT OKEY ON HOSPITAL PLANS WITHIN A WEEK

CONTRACT TO BE LET TEN DAYS AFTER BLUE PRINTS ARE SATISFACTORY TO DUKE

MONEY COMING IN

Most of Local Pledges Have Been Paid and Foundations Check for \$24,000 Expected

Architect's plans for the Hugh Chatham Memorial Hospital are expected to be okeyed by the Duke Foundation within a week and bids will then be offered contractors for the actual construction of the edifice which will be erected in the pine clay land just to the right of State Highway 26 in the northern section of Elkin.

An intensive drive to garner in all pledges made in Elkin has been of great success and the few straggling accounts still unpaid are expected to be in the hospital coffers before the week is past. In fact these outstanding pledges are necessary to get the Duke gift of \$24,000.

Mr. Thurmond Chatham has made his gift of \$12,000 and almost a similar amount has been raised in Elkin. This \$24,000 when the outstanding local pledges are paid, will be matched by the Duke Foundation hospital treasury.

The total cost of the hospital will be \$80,000 and the ground on which the building is to be built costs \$15,000. The Duke Foundation will send a draft for \$16,000 to complete its gift of \$49,000 as soon as the Foundation committee is satisfied that the construction is being carried out according to all specifications. This means that approximately \$8,000 is yet to be raised before the institution is clear of debt.

As the final plans now stand the hospital will have 48 beds, 36 for adults and 12 for children while there will be two wards where negroes will be treated.

Rev. L. B. Abernethy, the guiding spirit and the father of the whole hospital movement, has made trips throughout the Methodist Conference and has seen given whole hearted encouragement from all the churches. Both the Methodist Churches in Winston-Salem plan to have a hospital day next September when the membership will be given an opportunity to contribute solely to the Hugh Chatham Memorial fund.

Next Sunday will be Golden Cross Sunday for all the Methodist churches and a heavy response is expected from the local as church because of the great benefit which will come back to this community because of the hospital being located in Elkin.

During the past few weeks the Hugh Chatham Memorial Hospital has been advertised to several million Methodists of the South. Each member of every church being handed a leaflet relative to Golden Cross Week. Pictures of the twelve Methodist hospitals in the South are given and it was hoped to include the architect's drawing of the Hugh Chatham Hospital but at the last moment found it would be impossible to get the drawing and hence the Elkin picture was missing from the group. However the leaflet has the following to say relative to the Elkin hospital:

THE HUGH CHATHAM MEMORIAL HOSPITAL

At the meeting of the Western North Carolina Annual Conference in Charlotte, in 1928, a committee composed of Rev. Dr. H. K. Boyer, Dr. T. A. Hatcock, and W. H. Webster, was appointed (Continued on page 12)

Late News

CYCLONES DO DAMAGE

66 persons were killed and hundreds were hurt as a tornado struck in Central and South Texas Tuesday night. The property damage will amount to \$500,000.

NEARBY TOWNS GROW

Mt. Airy has a population of 9,045, a 27.3% gain over the 1920 census, the 1930 checkup reveals. North Wilkesboro has a population of 3666 while Lenoir has 4522.

PARKER REJECTED

John J. Parker of this state, was rejected as a member of the United States Supreme Court by a vote of 39 to 41 in the senate chamber Wednesday evening. Both Senators Simmons and Overman voted for Parker's confirmation but many Southern Democratic senators along with the radical element of the Republican party voted against him.

DISMISS CHARGE OF DYNAMITING FISH

Worth Brown, of Mt. Airy, came clear in the court of Justice of the Peace R. L. Lovelace Saturday afternoon of using dynamite or explosives in getting fish from Mitchell's River.

The court said that there was not sufficient evidence to convict and flayed game wardens and sportsmen who censured him for his act when he said that if convictions were secured in his court, the evidence must be procured upon which to convict.
