COMPLETE VICTORY

Every Democratic Candidate Is Placed In Office

LARGE MAJORITIES

Standing in line and awaiting their turn, voters of both the Democratic and Republican parties were on the job promptly at the time set for opening the polls, and but little time elapsed during the day when citizens of the township were not casting their votes.

Many predicted a majority for the Republicans; likewise enthusiasts of the opposite party forecast a victory, while still many others composed a group who either expressed themselves as doubtful of the outcome or remained silent on the question. But as the day peeled forth and the hours drew near when the polls would close, it was evident that the Democrats in Elkin township had piled up a substantial majority.

Despite the fact that a drizzling rain fell throughout the entire day, voters were seen from every point of the township, coming afoot, in their cars, and by transportation furnished them by friends who were interested in getting a full vote of the registration.

Friends of Worth M. Gray, candidate for Register of Deeds, rejoiced when he finished late Tuesday evening, which gave him a total vote of 837 in the township, leading his ticket here by 18 votes. Mr. Gray's majority over his opponent, T. R. Marsh, was 859.

Alex Chatham for county commissioner, received 819 votes. For Solicitor of the 11th Judicial District, Carlyle Higgins received a vote of 784 as compared to 275 for F. Eugene Hester, his opponent.

For Senator, 785 votes were cast for John H. Folger and 274 for his opponent, David L. Hiatt. Caleb H. Haynes, Democrat, won over Frank Whitaker, Republican, by a vote of 730 to 222.

The race for Clerk of Superior Court, in which Frank T. Lewellyn, Democrat, and now in office, was in competition with S. O. Maguire, aspirant for the office, showed a vote of 745 for Lewellyn and 323 for Maguire.

John D. Thompson, Democrat defeated A. M. Smith, Republican, 763 to 289, for the office of Sheriff.

Lee Snow Republican coroner of Surry, received a vote in Elkin Township of 304, as compared to 750 for Dr. Miles A. Royall, Democrat.

The Democratic candidate, Curtiss Harbour, found 747 votes had been cast favoring him for the office of surveyor, against 293 for E. L. Wolfe, Republican.

JOHN WALL CUTS W. H. CHANDLER

Registrar of Marsh Township Is Stabbed in Back While At A Corn Shucking

W. H. Chandler, registrar for Marsh township, Surry county, was stabbed in the back last Friday night by Will Wall, while the two were attending a corn shucking at the home of Panco Dobbins, near Crutchfield.

An old grudge of a political nature is said to have been the cause of the trouble which led to the cutting of Chandler. The knife wound, said to have been perhaps four inches deep, was not considered serious other than considerable suffering, and he was taken to Martin Memorial hospital at Mount Airy for medical and surgical attention.

While the consumption of whiskey is usually participated in at events of this kind, (corn shucking) no report has been circulated to the effect that liquor had anything to do with the affair, but simply that the men became angry and the cutting resulted.

SUDDEN DEATH OF MR. L. J. MESSICK IN WINSTON-SALEM

Heart Attack Causes Death While On Way Home

PROMINENT HERE

Mr. Leonard J. Messick, 39, who was connected with a local tobacco warehouse, died suddenly last Saturday night, following a heart attack.

Realizing that his condition was serious, he was taken from Elkin to his home in Winston-Salem, and just as he was being taken into the home he expired, the attack being of short duration.

Mr. Messick spent his early boyhood in this city, and later moved to Winston-Salem, where he, in company with his brother, Mr. J. G. Messick, was engaged in the wholesale business. He became interested in the Elkin Tobacco Market, and had been on the floor daily since the opening here for the season. Apparently he was in good health, and had made friends since returning to the scene of his boyhood days who will regret to learn of his untimely death.

Mr. Messick was a member of K. of P., T. P. A., and the D. O. O. K. He was also a member of the Brown Memorial Baptist church of Winston-Salem, and was held in high regard by a wide circle of friends.

Surviving the deceased is his widow and a son, Edwin Messick, and two brothers, J. G. Messick, now of Elkin, and D. W. Messick, of Winston-Salem.

Funeral services were held at the home on Monday afternoon at 4 o'clock, conducted by Rev. S. H. Templeton and Dr. John R. Jester, and interment was made in Salem cemetery.

Pallbearers were: R. N. Hauser, G. B. Womble, Alonzo Bagby, W. C. Sale, Leo Disher, Harry Sharpe, J. H. Wadley and S. H. Gough. Honorary pallbearers were R. L. Tuttle, Fred Smithdeal, J. G. Flynt, T. P. Fulton, Mr. Lindsay, Dr. P. H. Mason, N. P. Stone, J. W. Smitherman and Z. D. Hoots.

Prominent Man Dies At Hospital In Statesville

Funeral services will be held at Grassy Creek Baptist church this afternoon at 2 o'clock, for William V. Hurt, 53, who passed away at Davis Hospital in Statesville Wednesday morning, following an operation for appendicitis early in the week. Mr. Hurt had been seriously ill since he was stricken, and his recovery was not expected. He was very prominent in the religious and civic life of his community and had been a Justice of the Peace for several years.

Surviving are his widow, four children, Clyde, Ovid, Grace and Howard Hurt, his parents, Mr. and Mrs. J. C. Hurt, all of near Elkin, and three brothers, Arthur, Charles and Earl Hurt, all of Los Angeles, California.

The funeral will be in charge of Rev. C. A. Morrison, of Jonesville,

LATE ELECTION FLASHES

(Special to The Tribune)

A telephone message received from Booneville late last night gave the following official result in Tuesday's voting in Yadkin county:

Solicitor, John R. Jones (R) 1997; J. W. Ragland (D) 1254. State Senate, A. T. Grant (R) 2046; T. W. Shore (D) 1320.

For Legislature, L. F. Amburn, (D) 1697; J. C. Pinnix, (R) 1704.

For Clerk of Court, Craver (D) 1380; J. L. Crater (R) 1999.

For Sheriff, Grover Williams (D) 1225; Chas. Reavis (R) 2222.

For Register of Deeds, Jasper Long (D) 1315; P. D. Prim (R) 2068.

For Commissioners: Democratic—J. F. Myers, 1250; L. S. Flemming, 1230; C. E. Hartman, 1190. Republican—A. Dinkins 1800; S. W. Vestal, 1840; John Davis, 1865.

The contest in Yadkin for the Legislative seat showed a majority of only 7 votes, and a recount will likely be demanded. Mr. L. F. Amburn, the Democratic nominee, ran a close race with his opponent, Mr. J. C. Pinnix, and this vote as in the other contest marked

ed a decided reduction in the Republican majority in that county over previous years.

Returns from many counties and precincts of interest to the readers of The Tribune, are slow and incomplete, although Democratic victories are reported in many, even though not confirmed officially or by an approximate vote, to suggest a majority.

You will perhaps be interested in hearing from:

North Wilkesboro.—For the first time in thirty years Wilkes County is to have a Democratic representative to the State Legislature.

Tabulations of the vote today showed Hugh A. Craver, Democrat, beat John H. Johnson, Republican.

Iredell (complete)—Bailey 7,349; Pritchard, 4,254. Wakefield, 3,066; Doughton, 7,825. All other Democratic candidates received majorities of from 2,469 to 3,500.

In Alleghany County all Democratic candidates were elected, with majorities ranging from 80 for R. B. McMill-

an, Sheriff, to between 950 and 1,000 each for Carlyle Higgins for Solicitor and T. L. Doughton for Congress. R. L. Crouse was elected to the Legislature by about 450.

On the face of incomplete but practically accurate returns Carlyle W. Higgins, of Sparta, was elected Solicitor of the Eleventh Judicial District, by a majority of between 9,000 and 1,000 over F. Eugene Hester, Republican, from Reidsville.

The Democrats were driving toward a possible tie in the Senate on election returns this afternoon, and appeared headed also for something approximating a tie in the House.

Forging into Republican Senate strongholds, Democrats already had captured seats in Ohio, Kansas, Massachusetts, South Dakota, Oklahoma, West Virginia, Colorado and Illinois, and lost but one—in Iowa.

They needed the two remaining doubtful—in Kentucky and Minnesota—to bring the Democratic Senate strength to forty-eight, exactly one-half of the total membership, and they were leading in both of those disputed states.

SCHOOL FACULTY TO BE ENTERTAINED BY THE KIWANIS CLUB

Will Be Guests Friday Night At Regular Luncheon

POULTRY DISCUSSED

President J. G. Abernethy opened the regular meeting of the Kiwanis club at Hotel Elkin last Friday evening, invoking the Divine blessing upon the members. This was followed by a song, after which the usual "good eating" was confronted and largely disposed of.

When the luncheon period had been finished, President Abernethy arose and in a few brief words explained a movement that has been gotten on foot in the interest of stimulating poultry production in this section.

The original idea was to furnish any boy or girl within Elkin's territorial limits a setting of thoroughbred eggs, the only condition being that the eggs or hatched chicks were not to be disposed of within two or three years, but retained as breeding stock. Prior to the last meeting of the club, members were enthusiastic over the proposition and decided to "go one" better, by having the eggs hatched and delivering day-old chicks instead of eggs. The matter was left open for further consideration, but in all probability the idea will be carried out in ample time for the next chick-hatching season.

Elsewhere in The Tribune will be found a coupon, printed in order to obtain information as to how many boys and girls are interested in the poultry movement, and, if filled in and mailed to The Tribune or J. G. Abernethy, president of the Kiwanis

Bank Bandit Is Slain While Trying to Escape With Loot

Effland, Nov. 1.—In an unsuccessful attempt to rob the Bank of Effland at 10:30 o'clock this morning, one robber was killed in a gun fight with F. Carl Forrest, a merchant, and another escaped in a Buick roadster in which he sat in front of the bank. The dead man has been identified as Bruce Carpenter, about 25, of Durham. Papers found on him bore this name and address. Efforts were being made this afternoon to make the identification positive.

Frustration of the robbery was directly due to an alarm given by Mrs. George Shambley, who started to the bank while the job was in progress. Just as she started to enter the door the man in the car said to her:

"Lady, you can't go in now. We're attending to some business in there." Sensing trouble Mrs. Shambley, instead of standing by the yellow coupe of the yegg, went into the store of Mr. Forrest and said to him:

"Something is wrong over at the bank."

Mr. Forrest remembered that he had loaded a new double-barreled shotgun to shoot a hawk. It was lying nearby. He picked it up and went out toward the bank, about 50 yards away. Mr. Forrest was commanded to halt by the man in the car. He saw in his hands what appeared to be a rifle.

About that time Carpenter backed out, pistol in hand, wheeled and fired twice at Mr. Forrest. Carpenter had been warned by his confederate, who had raced his motor and blows his horn, that he was likely

to face trouble outside. The driver also fired, his shots going wild.

The first load Mr. Forrest fired into Carpenter staggered him, but he kept to his feet and made an effort to reach the car. He had almost succeeded when the second charge felled him. His buddy reached out in an effort to pull him in, failed and sped from the scene.

Duzham, Nov. 2.—The Buick coupe used by the robbers in the attempted bank robbery at Effland Saturday, in which Bruce Carpenter one of the robbers was killed, was found by local officers in a patch of woods just outside the city early this morning. Bank officials identified the car.

FORD CAR AND A WHIPPET COLLIDE

Ford Entering Highway at Marler Runs Head-On Into Another; One Painfully Injured.

A Ford touring car driven by Buster Brown, of Cycle, ran head-on into the side of a Whippet coupe which was traveling west on the Boone Trail Highway Sunday, resulting in painful injury to Miss Hester Newman, one of the occupants of the Whippet car.

The Whippet was being driven by Johnny Jones, and with him was Gus Swain, both of High Point, and Mrs. Laura Newman and daughter, Miss Hester, and son, Ray, of Indiana. Just as they approached the cross road at Marler, the Ford came into the highway and crashed into the side of their car, overturning it and pinning three of the occupants beneath. Miss Newman received numerous cuts and bruises, especially to her knees, and medical aid was necessary. She was carried to the Wilkes Hospital for treatment immediately after the accident.

According to witnesses, Brown, driver of the Ford car, was responsible for the collision, having entered from a cross road into the highway without stopping or ascertaining if the road was clear before driving onto it.

But for keen observation of drivers on the road at that time and close behind the Whippet, other cars would have joined in the smash-up unavoidably, as several cars were close behind on the highway following the course of the car that was hit by Mr. Brown. No arrests were made at the time of the accident, although Mr. Jones took the number of the Ford for future reference.
