DON'T MISS INAUGURATION!

Roosevelt's Inauguration on March the fourth will be a big event. Souvenir programs of the complete Inaugural Ceremony can be obtained from the Columbia Broadcasting System. Write to them in New York City and enclose 35 cents for your program. You will want one to keep. The weather permitting, I will have the broadcast of the ceremony on the street in front of the Reich-Hayes-Boren Co., over my loud speaker system. If you do not have a radio, come down and hear the ceremony anyhow. And by the way we got a sample of a new R. C. A. Victor radio this week that sells for \$19.95. It is a corker. Then along comes Mr. Jake Brown and now we have no radio, but we will be "gettin' more of 'em" all along. Come in and see one for yourself. You will like it. You folks that have a radio with old tubes that are worn out, better get all fixed up for the Inauguration, and a lot of other good programs that bad tubes will garble up for you. Beginning right here tubes are cheaper. New prices are on my list right this minute. So long 'till next week.
