## SOUTHERN TO TAKE OFF 2 TRAINS HERE

### Schedule To Be Discontinued Saturday; Will Hurt Mail Service

Beginning Monday only two trains will come chugging into Elkin daily, the Southern Railway company having announced that the train which arrives here each morning at 7:30 from North Wilkesboro and at 3:40 from Winston-Salem will be discontinued Saturday.

Under this arrangement, Elkin will have train service west at 11:40 a. m. and east at 3:40 only.

However, although outgoing mail will be delayed considerably by the discontinuation of the trains, incoming mail will not be affected provided arrangements now being worked out prove successful.

Under the new plan the truck which brings in the morning newspapers will also pick up Elkin mail at Brooks Cross Roads, delivering it to the postoffice at around 6 o'clock. Under the old arrangement, the mail goes up to North Wilkesboro by mail truck and comes down to Elkin on the morning train. How-

## NEGRO KILLER TO BE TRIED TODAY

### Few Cases of Importance Are Disposed of in Dobson Court

Trial of Talmadge Dowell, Winston-Salem Negro, for the murder of Walter Sale, Elkin man is scheduled to begin in criminal court at Dobson today (Thursday), before Judge Hoyle Sink, of Lexington. Witnesses have been notified to be present.

The majority of the opening session Monday was taken up with calling the report docket, and other cases of small importance. No cases of local importance had been tried up until Wednesday morning.

It is expected that the state will ask for a verdict of murder in the first degree when the Dowell case is brought to trial. However, in the event the evidence shouldn't warrant a verdict calling for the death penalty, it is probable that the Negro will be convicted of second-degree murder, maximum sentence under which is 30 years.

The inter-denominational revival services being conducted at the warehouse each evening by Rev. W. L. Surbrook, assisted by Mrs. Surbrook, are being largely attended.

## Hyde Park Favored As The Summer Capitol

The summer capitol of the United States this year will likely be at the New York residence of President Roosevelt at Hyde Park, which is shown above. Such is the report from Washington where great uncertainty prevails as to when Congress will end its work on immediate legislation. Reports from the White House also tell of the President's plan for a week's cruise on the 45-footer, "Amber Jack II", with only his four sons as shipmates. It is thought the cruise will be up the Maine coast for a short stay at the Roosevelt home there. Below, the President and Mrs. Roosevelt off for a short week-end rest.

## DESTITUTION IN STATE SHOWS SOME DECLINE IN MARCH

### Much Greater Decrease in Relief Load Expected In April

### FIGURES QUOTED

For the first time since federal relief funds became available last October, destitution in North Carolina showed a decline during the month of March, according to figures just released by the Governor's office of relief. A total of 161,000 families were given aid as compared with 164,000 in February.

Previous to March there had been a continuous increase in the number of families aided, the figures show.

It is anticipated that a much greater decrease in the relief load will be experienced for the month of April. The program of gardening and truck farming, which was not far enough advanced to materially affect the situation in March, will be an important factor in lessening the relief load for April, it is expected.

The number of families actually given aid in Surry, Wilkes, Alleghany and Yadkin counties during March follows:

Surry county, 1,681; Wilkes county, 775; Alleghany county, 351, and Yadkin county, 1,250.

Total expenditures in the state for March relief work amounted to \$1,323,346. The amounts expended in the four counties mentioned above were:

Surry county, \$9,898; Wilkes county, \$10,157; Alleghany county, \$2,565, and Yadkin county, \$6,959.

### WAS BORN TO DIE

## Bill Introduced by Eaton of Yadkin Stopped By Haynes

### PLAN SALARY CUT

Raleigh, April 26.—"Finis" was probably written for this session of the General Assembly to the attempts to remove the part of Yadkin county now in it from the territorial jurisdiction of the Elkin recorder's court when the House failed to pass on its third reading the bill of Representative Eaton to exempt that part of Yadkin within five miles of Elkin from the court's jurisdiction.

The bill had a hectic trip. It was referred in succession and favorably reported by three House committees, counties, cities and towns, courts and judicial districts, and judiciary No. 2, and each time it would come out favorably, Representative C. H. Haynes, of Surry, would have it referred. At the time it was up for second reading, he asked that it be again referred, but the House refused to do it, and passed the measure on its second reading.

But it was apparently born to die, as an earlier bill, in so far as Yadkin was concerned, died. Wilkes and Yadkin both would have been exempted from the jurisdiction of the Elkin recorder's court in that bill introduced by Senator Black-

## SURRY IS ALLOTTED SIXTY-FOUR YOUNG MEN AS CAMP QUOTA

### Must Be Between Ages Of Eighteen And Twenty-Five Years

### MUST SEE COMER

Sixty-four young men of Surry county are eligible for jobs in the federal forestation camp, which is to be located near Asheville in the Smoky Mountain national park, it was announced the latter part of last week by John W. Comer, Surry county welfare officer, who is in charge of enlistments in the county.

The enlistments, limited to young men between the ages of 18 and 25 years, will be for six-month terms and must be from families listed on the county's relief rolls. The terms of enlistment provide for pay at the rate of \$30 per month or \$1 per day, with the government contracting to furnish clothing, board, medical attention, transportation and other necessary expenses.

One clause of the enlistment contract states that each young man must agree to allot from \$25 to \$27 per month for the support of his family back home. This clause assures that the support of the families will thus be taken off the shoulders of the county relief committee for the duration of the enlistment.

Application blanks may be obtained from Mr. Comer's office at Dobson, and once an applicant is accepted, he will be sent to the recruiting office at Winston-Salem for examination. He will then be sent to Fort Bragg for two weeks of hardening army training, after which he will be assigned to the forestation camp in Western North Carolina for his six months' service.
