Martin Hinshaw Is Said To Have Been Ignorant of Events Which Preceded His Death At Traphill

WAS SHOT DOWN IN COLD BLOOD AFTER TROUBLE AT SPRING

No Trace Has Yet Been Found Of His Murderer

FUNERAL TUESDAY

No trace of Herschel Richardson, 26, of the Traphill community, who is wanted for the murder of Martin Hinshaw, 21, shot in the back of the head Sunday afternoon near a swimming pool in the vicinity of Traphill, had been found up until Wednesday afternoon.

Hinshaw, the son of Mr. and Mrs. L. M. Hinshaw, who make their home a short distance northwest of Elkin on the Traphill road, died in Hugh Chatham Memorial hospital here about two hours after the shooting occurred. He did not regain consciousness.

According to Clyde Hinshaw, brother of the murdered youth, who witnessed the trouble which led to the shooting, Martin was in no way connected with the events which led up to the tragedy.

He stated that a group had motored to the Holbrook pond, near Traphill, to swim and enjoy a picnic supper, there being several girls in the crowd and that following the swim, the party had gathered at a nearby spring, when Russel Hampton, of Elkin, who was one of the party, was said to have thrown a dipper of water on Clyde Hinshaw. It was then that Richardson, who was said to have been reclining on a nearby bank, jumped to his feet with an open knife in his hand and shouted: "Let him throw some water on me

LATE NEWS from the State and Nation

Approve Policies

Milwaukee, Wis., June 13.—President Roosevelt's policies on veterans' relief were commended today by the house of delegates of the American Medical association.

A telegram to the President and members of Congress approved reduction of federal benefits for war veterans with disabilities not service connected.

Signs Measure

Washington, June 13.—Voicing an appeal to creditors of small homeowners to abstain from foreclosures, President Roosevelt today signed the bill making \$2,000,000,000 available for refinancing mortgages.

"It will, of course," he said in a formal statement, "take a little while to set up the machinery necessary to carry the principles of the act into effect."

May Change Voting

Washington, June 13.—Despite the rush to adjourn, the house elections committee today found time to meet and approve the Lea resolution proposing an amendment to the constitution which would abolish the electoral college and provide a new system for electing the President.

To Merge Bureaus

Washington, June 13.—With the prohibition bureau slated to lose its identity late in the summer, Attorney General Cummings is working out the details of a plan for merging it with the justice department's bureau of investigation.

Convicts Wounded

Raleigh, June 13.—Three convicts were wounded, one seriously, today in an escape attempt at Caledonia prison farm in Halifax county.

Sherwood Today

Russel T. Sherwood, friend and alleged financial confidant of former mayor Jimmy Walker of New York is back after 21 months absence to face court charges involving a tax lien and a \$50,000 contempt fine. Sherwood disappeared preceding the Walker investigation.

EFFORT TO BE MADE TO GET ROAD FROM WILKES TO STOKES

Would Extend Proposed "Up River" Route to Danbury

IS BADLY NEEDED

A concerted effort to secure a hard surface highway from Danbury to North Wilkesboro, by way of Pilot Mountain and Elkin, is being made, it was learned Saturday from Captain J. E. Thore, field manager of the Atlantic Joint Stock Land Bank, with headquarters here.

Interested Elkin citizens and the Elkin Kiwanis club have labored for several years to secure a short and direct route from this city to North Wilkesboro, but to date have proven unsuccessful inasmuch as highway funds have not been available. Mr. Thore stated Saturday that citizens of Danbury have also been working for a road from that place to Pilot Mountain, and inasmuch as each project would be an extension of the other, broached the plan that both towns should work together in an effort to get a highway that would reach from North Wilkesboro to Danbury.

He pointed out that the link from

GILLIAM CLAN IN FAMILY REUNION

Relatives Gather From Far And Near For Annual Event

The annual reunion of the Gilliam family was a delightful feature of the day last Sunday at Bethel.

The reunion was held at the home of Mr. and Mrs. C. W. Gilliam, with relatives, friends and neighbors of the family gathering with picnic baskets to supplement the lunch which was enjoyed by all who attended.

Prior to the gathering a number gathered with the congregation at the church, near this home, where Sunday school and the regular 11 o'clock service was held. Immediately after the service the guests re-

Kiwanis Club Holds Outing Friday Night

An outing, of which the greatest feature was a picnic supper, was staged at Williams Park, on Mitchell's River last Friday night by the Elkin Kiwanis club, the event taking the place of the regular Friday night meeting at Hotel Elkin.

A ladies' night affair, a majority of the club membership was on hand and a fine time was enjoyed by all.

NATIONAL RECOVERY ACT IS APPROVED BY THE SENATE TUESDAY

Gives Power of Dictator To President Roosevelt

TAR HEELS SPLIT

Washington, June 13.—President Roosevelt acted quickly tonight to put into effect the vast powers given him today by Congress to stimulate national recovery through the public works-industrial control bill.

Members of the cabinet immediately in charge of this program together with General Hugh Johnson, who has been organizing the huge machinery for more than two weeks, were summoned to the White House to discuss plans for speeding its operation.

Washington, June 13.—Beating down a triple-threat opposition, senate administration forces today put the final stamp of congressional approval upon the industrial revival bill and sent that king pin of President Roosevelt's plan on its way to the White House.

The vote was comparatively close, 46 to 39, but it was enough to overcome a combination of independent Republicans and regulars from both parties, who had seen their favorite amendments greatly changed in con-

HOLD FINAL RITES FOR YADKIN WOMAN

Mrs. Lucy Bryant Buried From Fall Creek Baptist Church

Funeral rites for Mrs. Lucy Swaim Bryant, 74, were conducted Monday morning at 10 o'clock from Fall Creek Baptist church and interment was made in the family plot in the church cemetery.

The deceased was the widow of the late Aquilla Bryant of Yadkin county. She was a member of long standing of the Fall Creek Baptist church and was esteemed by a host of friends.

She is survived by three sons, Wilson Bryant and Bud Bryant, of Jonesville and Wesley Bryant of Alleghany county, and two daughters: Mrs. Wint Finney, of near Jonesville and Mrs. C. A. McBride, of Swan Creek. Two brothers, S. R. Swaim, of Jonesville and Attorney W. J. Swaim, of Winston-Salem and a half-brother, M. J. Bryant, of Arlington, also survive.

North Carolina Should Benefit Under New Act

Washington, June 13.—Senator Bailey and Senator Reynolds today divided their votes on the motion to agree to the conference report, on the industrial recovery act. Bailey voted with the administration in adopting the report which sent the bill to the White House, while the junior senator voted in the negative. The report was adopted by a vote of 46 to 39.

President Roosevelt within the next day or two will affix his signature to the industrial recovery act, which not only provides sweeping powers to abolish cut-throat competition among industries, and improve working conditions of labor, but carries a \$3,800,000,000 public works program. North Carolina will derive much benefit from this program. Ten million dollars alone will be given to the highway department. Roads will be constructed in the parks and forests of the state. Other millions will be available for grants to state and municipalities for construction of public works. Many of the federal construction

Unemployed Women and Girls to Camp

Three middle-aged women were the first applicants for entrance to the Experimental Camp for unemployed women and girls which has been established in the Bear Mountain district of New York state under the orders of Miss Frances Perkins, Secretary of Labor, and sponsored by Mrs. Franklin D. Roosevelt. Photos show first three applicants registering at the Welfare Council in New York City. Insert is of Miss Frances Perkins, Secretary of Labor.

Bank Situation Here Is At Standstill As Support Is Withdrawn

The bank situation here is apparently at a standstill. Although high hopes for its opening were entertained shortly over a week ago when it was announced that the necessary stock had been raised and all other provisions complied with, the apparent change of heart of Edwin Duncan, of Sparta, and Claude Doughton, of North Wilkesboro, who had entered into an agreement to take half of the stock, has thoroughly gummed up the works.

Following the full subscription of the stock and the agreement of depositors to accept 85 per cent of their deposits, the completed layout was submitted to Commissioner of Banks Gurney P. Hood, at Raleigh, June 8. Mr. Hood put his O. K. on the matter, and according to a member of the committee working on the proposition, the bank could have opened the following day had not Mr. Duncan and Mr. Doughton evidently repudiated their agreement.

DEATH CLAIMS MISS SHIRLEY PEGRAM, 70

Elkin Woman Dies Following Lengthy Illness

Miss Shirley Roberta Pegram, 70 passed away at her home four miles east of Elkin Monday morning at 10 o'clock following a lengthy illness from a complication of diseases. Miss Pegram had been critically ill for the past two weeks and her death was momentarily expected.

The passing of Miss Pegram removes one of the most interesting characters of this community. She

INSURING OF BANK DEPOSITS APPROVED

Measure To Create New Banking System Sent To President

Washington, June 13.—Without a dissenting voice, the Glass-Steagall banking bill—the center of so much dispute in the senate in another session—went through that branch to final enactment today and was dispatched to the White House.

The measure, called by some the most important banking legislation since the enactment of the federal reserve act, came to the senate from a house that little earlier in the day had given approval to the final draft of conferees by a vote of 191 to 6.

A few minutes after passing the measure the senate today added \$150,000,000 to the \$3,500,000,000 deficiency reconstruction appropriation bill in order to take care of the government's subscription to stock in the bank deposit insurance fund.

The legislation, which carries a plan for insurance of bank deposits, was called by Senator Vandenberg, Republican, Michigan, a "landmark on the road to permanent stabilization of the banking structure."

HARRY BARKER, JR. HURT IN ACCIDENT

Sustains Fractured Collar Bone When Car Overturns

Harry Barker, Jr., of this city, sustained painful bruises and a fractured collar bone when his roadster overturned in the town of Ronda about 11 o'clock Saturday night. The young man was alone at the time of the accident. Observing an object in the road near the Ronda Baptist church, which he mistook for a man, he swerved his car too near the edge of the roadbed and turned over down an embankment. Upon investigation the object in the road proved to be a bunch of hay.

Elmer Minor, of Ronda, witnessed the accident and rushed Mr. Barker to Hugh Chatham hospital where he received treatment. He was discharged from the hospital Tuesday. The roadster was badly damaged, having lost the top and a fender when it somersaulted.

Daily Vacation School Is To Begin June 19th

A Daily Vacation Bible school will begin Monday morning, June 19, at the First Baptist church in this city and will continue for two weeks, according to Rev. Eph Whisenhunt, pastor of the church. The classes will be held three hours daily, beginning at 8:30 in the morning and continuing until 11:30. The instructors will be teachers in the Sunday school and capable directors of arts and crafts, which will be taught together with Bible stories.

Any child in this community between the ages of four and seventeen years, regardless of religious affiliations, is invited to attend the classes.

BOARD AGAIN FAILS TO ELECT HEAD FOR SCHOOLS OF COUNTY

Four More Applicants Cast Hats Into Educational Ring

CHANGE 2 DISTRICTS

Meeting for the second time for the purpose of electing a superintendent of education in Surry county, the county board of education Monday night again failed to agree and as a result adjourned until tonight (Thursday) with the post still unfilled.

At the first meeting, which was held Monday, June 5, at Dobson, the Board split evenly its votes between J. N. "Buck" Freeman, of Elkin, and E. P. McLeod, of Franklin school, giving each three votes. However, the situation at the last meeting was complicated by the entry of four additional candidates who have made bids for the job.

Those now candidates for the place, in addition to Mr. Freeman and Mr. McLeod, are H. M. Finch, principal of the Mount Airy school; M. H. Taylor, of Siloam; John Comer, county welfare officer, of Dobson, and E. W. S. Cobb, of Guilford county. It is expected the deadlock will be broken and a man elected at tonight's meeting.

Taking up the matter of redistricting the county under the new school laws as passed by the recent legislature, the "White Dirt" district, which heretofore has been split between Dobson and Zephyr, was placed in the Zephyr district, and the Pine Ridge district was consolidated with Beulah. Other districts were left untouched.

38 ARE REGISTERED FOR SUMMER SCHOOL

All Courses Give College And Professional Credit

The Catawba College Summer School Division at Elkin is now a reality, according to Walter R. Schaff, local director. Registration of students began Saturday and continued through Monday. The number of registrations has reached a total of thirty-eight. Both Dr. Hadley and the local director expressed satisfaction as to the enrollment. All courses given give both college and professional credit.

Miss Meta Liles, of Salisbury, is assisting Mr. Schaff in the instruction. Actual work began Tuesday morning. The organization is functioning smoothly and a fine attitude is being shown by all the students. A second term will depend upon the number of requests from teachers for work. Indications now point to a second term.

Surry County Medical Society Meets Here

The Surry County Medical Society met Tuesday evening at 6:30 at Hotel Elkin, in the regular quarterly session, with Dr. Hugh Parks, president of the society, presiding over the meeting. A course dinner, served by the hotel management, was followed by a round table discussion. Dr. T. C. Britt, Surry County Health Officer addressed the meeting in an interesting talk on "The Scope of Public Health Work." Dr. T. W. Shore of Boonville, was a special guest of the society.

To Begin Revival At Jonesville Church

There will be a series of revival services at the Jonesville Pentecostal Holiness church beginning June 19. The services will be in charge of Rev. T. T. Lindsay, of Gastonia, assisted by the pastor, Rev. A. C. Correll. They will begin each evening at 7:45.

Rev. Lindsay is a native of Texas and is widely known for his ability to present the Gospel in a forceful manner. The public is most cordially invited to attend these services.

SUE HUEY FOR \$500,000

Libel damages sought against United States Senator Huey P. Long by Mrs. R. G. Pleasant, wife of a former governor of Louisiana, Saturday were raised to half a million dollars when Mrs. Pleasant filed a supplement petition asking \$250,000.
