PATROLMEN ACTING AS TAX COLLECTORS

Change of Rate On Truck License Is Explained

Since the first of July, when the state highway patrol was taken from the jurisdiction of the highcommission and placed under the state revenue department, the patrolmen have taken over new duties which consist of checking up on state beer licenses, checking beer truck licenses in order to see that they have proper state permits, and are also required to check gasoline trucks hauling gas into the state from bordering states.

Another duty taken over by the patrol is that of checking on and collecting outdoor signboard censes, all such signs placed at a distance of over 100 yards from the place of business being subject to

WILL BE NEW BANK

Up until 1 o'clock Wednesday afternoon there remained but \$1,400 stock to be sold necessary to open The Bank of Elkin. Those active in the work of stock subscription expressed assurance that that amount would be raised before sun-

In this event the bank should open by August 1, A. D. Folger, who has been working in the interest of opening the bank, said Tuesday night, stating that he could see no reason for a longer delay.

At the meeting held at Hotel Elkin Tuesday night, those present were informed that Guerney P. Hood, state banking commissioner, notified bank officials that something had to be done and done immediately towards reorganization of the bank or else a liquidating agent would be sent here. It was then stated that approximately \$17,000 over and above stock already subscribed had to be raised if the bank was to be opened.

At the close of the meeting all the stock had been subscribed but \$3,700, which was reduced Wednesday morning to the figure above, \$1,400.

It was said that all that would be necessary once the entire amount of stock is subscribed would be to secure a new charter from Commis-
