Tour Itinerary

Tours start from Winston-Salem, N. C. every week, on Monday. Coaches will operate through without change into Chicago via Bluefield, Charleston and Cincinnati. Passengers desiring accommodations on this through bus, but who must start west of Winston-Salem will be accommodated on regular schedule buses from their home to Winston-Salem.

Through Bus All the Way

The advantages of traveling in a through bus without change all the way from Winston-Salem to Chicago cannot be over-estimated. It insures every member of a party traveling together and eliminates bother with baggage and porters and taxis. And you will travel with jolly, congenial people, all (like yourself) going to the Fair and eager for a good time.

No Planned Routine in Chicago

The absence of a planned, stereotyped routine in Chicago is a distinct advantage for the Tourist. The four nights and three and one-half days in Chicago may be spent as the tourist desires. The two admissions to the Fair, the one admission to Fort Dearborn or Lama Temple and the sight-seeing tour of Chicago are available at any time. The sight-seeing tour leaves from down-town Chicago every half hour and the Tourist may go at any time he wishes. Theatre parties, boat rides on Lake Michigan or any other of the hundred diversions Chicago offers may be enjoyed at any time by the Tourist.

This is the reason that no meals in Chicago are provided for. Since Tourists will have no set routine, it would be difficult to arrange for meals at any point; some may be inside the Fair Grounds, while others may be shopping, etc.
