

"GOLD DIGGERS" TO HEAD BIG PROGRAM

Lyric Theatre Books Special Plays For Next Week

A week of big pictures, headed by none other than one of the year's greatest—"Gold Diggers of 1933," has been booked by the Lyric Theatre as the first step in a fall program that will bring many of the biggest screen successes here.

With "Gold Diggers of 1933" leading the week's bill Monday and Tuesday, Wednesday will feature a family show picture, "The Girl in 419," with a good cast headed by James Dunn and Floria Stuart.

Thursday and Friday will mark the two-day run of another exceptionally big picture in the form of

"College Humor," and featuring such stars as Bing Crosby, Richard Arlen, Mary Carlisle, Burns and Allen and Jack Oakie.

Saturday, Tom Mix, hero of a million kids, as well as a favorite with the grown-ups, will appear in a rip roaring western, "The Fourth Horseman." As usual he will be ably supported by his horse, Tony.

Other special pictures to show here during the fall months will be announced shortly.

Ronda, Route 2, Sept. 25.—Mrs. Klizzie Bryan, who makes her home with her daughter, Mrs. N. E. Burchette, of this place, is visiting her son, James Bryant, near Roaring River.

Mr. and Mrs. Fletcher McBride and son, Billy, of Jonesville, visited relatives here last Sunday afternoon.

Most all cane has matured and is ready to be gathered, taken to the mill and made into molasses. Owing to the dry season early in the

spring, the cane did not grow very large, especially in the upland, but this, with the fodder and the tobacco, makes a busy time for the farmers.

Mrs. W. H. Jones returned to her home here last Sunday morning from Winston-Salem where she spent a few days visiting her sisters, Mesdames J. B. Armstrong and Louis Ferlazzo.

Misses Ethel Harris and Annie Mae Vestal attended the birthday party given for their cousin Miss Dema Holcomb, last Saturday night at her home near Fall Creek.

Lots of folks from this community will attend the revival at Swan Creek church next week. The superintendent, Mr. W. H. Jones, announced last Sunday that Sunday school next Sunday morning will begin promptly at 9:30 o'clock in order for those who wish to attend services at Swan Creek at the 11:00 o'clock hour can do so.

The home of Lee Armstrong, colored, was destroyed by fire between 10 and 11 o'clock last Monday night, including all household furniture and clothes. The fire is of unknown origin. The Negro was reared in the home of the late Clingman Armstrong. Lee has worked for this family and lived on the plantation all his life and he is now 60-odd years old. J. B. Armstrong, a grandson of Lee's master, and who now owns this old home-place, took him to Winston-Salem last Sunday where he will live at his home.

Johnnie Ball, who has lived in this community for the past three or four years is moving his family to Winston-Salem this week. Mrs. Ball is now at the T. B. hut, near North Wilkesboro, where she is receiving treatment. We regret that she does not improve very much.

Miss Joyce St. John, who has recovered from an attack of pneumonia, was able to attend Sunday School last Sunday.

Miss Juanita Johnson, of Wilkesboro, is spending a while with her home folks here.

L. W. Freeman, who is installing the heating plants in the school buildings for the coming season, is very busy.

We are glad to note that Mr. and Mrs. Chas. Williams are coming to live in our midst the coming year. Mr. Williams is here now preparing wheat land. We like to see men sowing wheat, it is such an important crop and so many are neglecting to raise wheat.

Mrs. T. H. Martin and children, Ray and Joyce, visited Mrs. Henry Beamer, who lives with her daughter, Mrs. Early Williamson.

Mrs. Cline Jones and family, of Winston-Salem, are visiting Mr. and Mrs. J. G. Gillespie this week. Mrs. Early Williamson had as her Sunday guests Mrs. Perry Grant and Mrs. Betty Reavis, of Winston-Salem.

FORD ADOPTS 35 HOUR WEEK

Henry Ford, the country's biggest holdout from the NRA, moved to place his 50,000 employees now working 40 hours a week—on a work week to comply with the 35-hour maximum provided in the NRA automobile code which Ford has not, and, it is indicated, will not sign.

COAL TO COST MUCH MORE AS RESULT OF CODE

Washington (UP).—Coal will cost the householder more this winter as a result of the NRA coal code, the recovery administration admitted today.

Soft coal to the small purchaser may go up as much as \$2 a ton, but the code as finally approved by President Roosevelt contains safeguards against profiteering and provision has been made for adequate representation for the consumer on the code authority set up to govern the industry.

Any increase in the price of coal will have to be justified by statistical information showing they are necessary to finance the raising of wages and spreading of jobs.

Some experts have estimated the increased costs at 30 to 40 per cent.

This Is True!
