State Highway Patrolmen Form Escort of Honor

Funeral rites for Mrs. Kate Cooper Duncan, 27, wife of Sergeant Guy R. Duncan, of the state highway patrol, were held Monday from the Sparta Methodist church and Glade Valley Presbyterian church. Mrs. Duncan, who was a resident of Sparta, died in a Statesville hospital following an operation.

The deceased was a native of Mebane and was a graduate of Guilford College. Prior to her marriage she was a successful teacher. She was a member of the Methodist Protestant church. An honorary escort of the state highway patrol accompanied the funeral procession from the home to the cemetery.

Mrs. Duncan is survived by her husband, Guy E. Duncan; two small sons, Billy and Guy, Jr.; her father, W. B. Cooper of Mebane; four sisters: Mrs. A. E. Pleasants, Mrs. W. L. Duncan, Mrs. P. C. Kivett and Mrs. V. M. O'Connor, and four brothers, Rev. Fred R. Cooper, Ashboro; L. C. Cooper, Mebane; D. L. Cooper, Siler City and C. A. Cooper, Monroe.

Mrs. Luther Tilley Is Released Today After Questioning

(Continued From Page One)

was a statement, alleged to have been made by him and the truth of which he is said to have admitted, to the effect that he could not buy some automobile tires until the money (at that time supposed to have been stolen from the home) had either been recovered or until a note from the girl was found. He was said to have said that he had a feeling the Childress girl left a note.

Mrs. Luther Tilley was arrested upon the grounds that she might have killed the girl due to jealousy of her husband whom she suspected of having an affair with Leoda Childress. However, after questioning this morning Mrs. Tilley proved to the satisfaction of the officers that she was at the home of her father when the murder was committed.

Luther Tilley was said to have been hunting nearby when the killing occurred. Officers suspicion him of leaving the hunting party, which included his father-in-law, and of going to the Tilley home possibly with robbery as a motive. Tilley, however, sticks fast to his story that at no time during the hunt was he absent from his companions more than 15 minutes.

Officers it is understood, are of the opinion that Clyde Tilley did not kill the girl, but that he wrote the note and was instrumental in aiding to cover up the crime.

No specific charges as yet have been preferred against either of the Tilley boys or against Johnson and Martin, all four being held for investigation.

Evidence in the case, described by Solicitor Jones as "startling" will be presented to the coroner's jury when it convenes at Ronda Wednesday morning.

In regards to Luther Tilley, Mr. Jones has stated that he is also holding him for investigation in another murder which occurred some years ago.

J. Hayden Burke, prominent Taylorsville attorney, has been employed to represent the Tilley boys.

Mystery Of Man Found In Lake Is Revived

(Continued from Page One)

stated that he was coming to Elkin to take a position with the Blitrite Furniture Co., and also that he would return to his home on Saturday.

It was the following week when nothing could be learned of their son's mysterious absence that Mr. and Mrs. Eldridge began making inquiries in every way possible for information which would relieve their anxiety and suspense.

Thoughts of foul play which had prevailed in the minds of some, upon the report of the discovery of the body, were dispelled when the county coroner and local physicians had completed a thorough examination and the coroner's jury had pronounced a verdict of death caused by drowning.

Whether the young man had missed his footing as he was attempting to cross the dam, or stepped off intentionally, will remain an eternal mystery, but the opinion prevailing generally, is that the fatal step was an accident.

The young man was 24 years of age. Last year he worked in High Point in one of the furniture factories of that city, but was forced to resign his job and return to his home on account of a severe attack of rheumatism. The body, after being removed from the lake was brought to the local undertaking parlors of the Reich-Hayes-Boren Co., and prepared for burial which was made at Poplar Springs church near the Eldridge home on Tuesday afternoon at two o'clock.

IN MEMORIAM

As the twilight hour silently drew near on Wednesday, November 29, 1933, the spirit of little Mary Virginia Cockerham gently took its flight to join the Angelic host around the eternal throne of God.

Drs. Salmons and Johnson determined heart leakage as being the contributing cause of the little one's passing. Medical science, willing hands and anxious hearts must give way to Him "who doeth all things well"; and be submissive to the voice that tenderly whispers: "Suffer little children to come unto me and forbid them not, for of such is the Kingdom of Heaven."

Mary Virginia, the idolized daughter of Mr. and Mrs. Folger Cockerham, was born December 27, 1931. Although her stay on earth was short, not quite two years, this precious little one had by her sweet smiles and winsome personality, endeared herself to the hearts of all who knew her. Perhaps no other child was ever more dearly loved and admired, not alone in the large family circle, but throughout the entire community in which her little life was spent.

How sadly will darling little Mary Virginia be missed in her home. No more shall her bright smiles and childish prattle gladden the hearts of loved ones in that home.

It is hard to give her up and say "Thy will be done." But God knew best. He called our darling home where the blighting hand of sorrow can never touch her fair brow.

"There is no death, The stars go down To rise upon some fairer shore And bright in Heaven's jeweled crown They shine forever more."

May our Heavenly Father bless and comfort the grief stricken parents and each sorrowing relative and friend.

Beside her parents, Mary Virginia leaves a twin brother, Bobby Lee, and an older brother, Wallace. Funeral rites were conducted from the Mountain Park Baptist church by the pastor, Rev. Scales Draughn.

The little body was tenderly laid to rest in the church cemetery, amid a profusion of flowers and tears.
