## PLANS FOR SUMMER SCHOOL ARE PUSHED

**Will Be Announced At Early Date; Plan 2 Six-Weeks Terms**

As has been previously announced, Catawba College, of Salisbury, will conduct a branch of its regular summer work in Elkin this summer. Walter R. Schaff, local director of the division announces that plans for the type of work to be offered and instructors are nearing completion and will be announced through the press at an early date.

A great number of teachers in Surry, Yadkin and Wilkes counties will have to do summer work in order to raise their certificates. Superintendent Comer, of Surry, superintendent Eller, of Wilkes, and Superintendent Reece, of Yadkin have heartily endorsed the summer work as a good thing for the teachers in this territory, Mr. Schaff said.

Two six-weeks terms are anticipated with the first term beginning June 9. Literature, about the summer school, Superintendent Schaff said, will be available soon. It has been suggested that teachers who do not know exactly what their course requirements are to raise their certificates should take up the matter with the Division of Certification at Raleigh, as this will save time.

## Ice Company Opening Refrigerator Campaign

The Carolina Ice & Fuel company is announcing in this issue of The Tribune a campaign designed to place attractive and modern ice refrigerators in Elkin homes, and is offering six months' free ice with each purchase of a refrigerator.

The plan, as announced in their advertisement is exceedingly attractive and provides a real service. A visit to the Carolina Ice & Fuel company office will reveal full particulars.

## Kiwanians To Hold Joint Meeting 13th

A joint meeting of the Elkin and Statesville Kiwanis clubs has been scheduled to be held at Harmony Friday, April 13, at 7 o'clock, it was learned Wednesday from Walter R. Schaff, secretary of the local club. It is understood that Elkin will have charge of the program.
