Attorney A. D. Folger
Addresses Club On
"Patriotism"

Dobson, Feb. 18.—The regular monthly meeting of the Dobson Woman's club met in the Club house on last Thursday evening at 7:30, with the president, Mrs. Emma Reece Mock, in the chair. Meeting opened in full chorus with "America the Beautiful", in memory of George Washington, whose birthday we celebrate in a few days. Next the Collect was repeated by the entire club, followed by the roll call. After the minutes were read of the January meeting and approved, reports were given by chairmen of the various departments and committees. Mrs. J. W. Comer, program leader, in a brief speech announced the subject, "Patriotism", as the theme of the evening program. Mrs. M. G. Stanley, at the piano rendered, with great skill and meditative interpretation, Morrison's "Meditative." Mrs. R. A. Freeman, in her usual happy manner, introduced the speaker of the evening, Attorney A. D. Folger, who brought to the club a most interesting and instructive discourse on "Patriotism."

Mr. Folger was at his best, and gave to the club women a constructive knowledge of true patriotism. Misses Emma Comer and Edythe Reece, and Mrs. J. G. Lewellyn sang a trio "Sweet Peace", accompanied by Mrs. Stanley. Mrs. Comer concluded the program with a few timely remarks, after which the club sang "God of Our Fathers." Miss Verdy Jackson then presented to Mr. Folger a gift, in behalf of the club in appreciation of his presence and speech.

APPRAISAL OF TWO BANKS IS UNDERWAY

Assets to be Sold Federal Agency and Final Dividend Paid

In the case of the Peoples National Bank, of Winston-Salem, and the Commercial National Bank, of Statesville, a closing out process is in progress, W. H. Spradlin, receiver of the two institutions, said last week.

By an act of the last Congress, receivers of national banks were authorized to appraise the assets of closed banks at a fair price and sell them to a federal agency, Mr. Spradlin said, the money obtained in this way to be turned over to the depositors as a final dividend. The federal agency will in turn collect all possible on the assets, and in case it is able to collect more than was originally paid, this excess amount will also be divided among depositors.

As yet an appraisal of the Elkin National bank has not been ordered.

.. and they all concede that Aerotype ESSO outperforms all other fuels

MODELED AFTER U. S. ARMY COMBAT AVIATION FUEL

Aerotype ESSO was the first motor car fuel ever modeled directly after combat aviation gasoline—the most powerful motor fuel known. It is the closest approach to U. S. Army Fighting Grade Aviation Fuel practical for use in automobiles.

In addition, it is an established fact that Aerotype ESSO starts quicker and attains maximum efficiency in less time and with less "warm up" than any other fuel on the market today.

BUY AT THIS SIGN
This sign identifies all the 30,000 Esso Stations and Dealers from Maine to Louisiana, representing the services and products of the world's leading oil company.

When 1,529,639 users out of a total of 1,529,752 give a product their unqualified endorsement the product must be good. That's exactly what happened in the case of Aerotype ESSO.

We guaranteed that it would outperform any other motor car fuel made. We offered a cash refund to any user who was not completely satisfied.

Of the 1,529,752 motorists who purchased Aerotype ESSO while our introductory guarantee offer remained in force* only 113 asked for refunds . . . less than 1 out of every 10,000 who bought.

Nearly \$3,000,000 worth of Aerotype ESSO was sold during the above period . . . while refunds amounted to only \$31.20.

Here's proof of performance far more impressive and eloquent than all the extravagant claims and fancy phrases we could invent.

In the light of this conclusive evidence, we ask motorists to try Aerotype ESSO with the expectation that it will prove the finest motor fuel they have ever used. And this pledge of performance is backed by the world's leading petroleum organization.

Fill up with Aerotype ESSO. You'll find that the first tankful makes a noticeable difference in the way your car performs.

*Cash Refund Guarantee discontinued December 31, 1934, on uncontested ruling of Petroleum Administrative Board.
