New High Record For Purchases Set By Ford

Dearborn, Mich., April 17.—A new high record of purchases of materials and supplies for use in manufacture of Ford V-8 cars and trucks was set by the Ford Motor Company in March it was announced at the home offices here today.

Ford disbursements for materials and supplies in March totalled in excess of \$81,000,000. The former high was \$78,000,000, which was in April, 1930.

In addition, Ford payrolls during March totalled \$16,500,000, it was announced.

Before the end of the month, production of Ford V-8 cars and trucks in 1935 will pass the half-million mark, it was stated. Late last year Henry Ford announced that Ford production in 1935 would be a million or better.

Sales of Ford V-8 cars and trucks through April 10 this year exceeded total sales in all of 1932. Sales between January 1 and April 10 totalled 334,437 Ford cars and trucks. This compared with total sales of 328,607 cars and trucks in all of the year 1932.

2 KILLED, 4 INJURED

Honolulu, May 12.—A destroyer collision which killed one man and injured four and a plane plunge into the sea that took the life of an aviator were revealed here today as the casualties in the American fleet's secret mid-Pacific "war" operations.

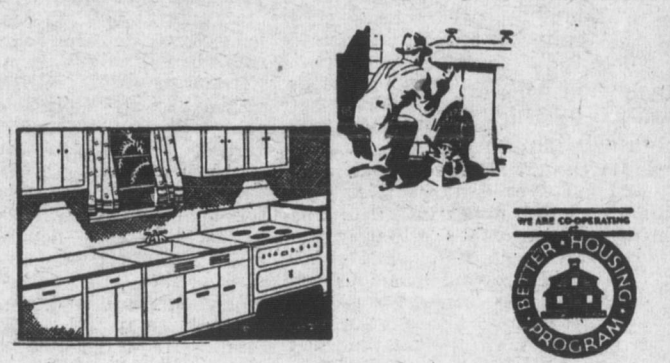

The casualties were disclosed when 32 of the 153 warships steamed into Pearl Harbor here this morning and Admiral J. M. Reeves suddenly lifted the right censorship that had shrouded the operations since last Thursday.

In trying to prevent Lem Wayman from shooting a dog, Gaston Williams of Cincinnati, was shot and killed.

Two New York youths stole two coffins from an undertaking establishment but were caught when they tried to pawn them.
