

LARGE ENROLMENT IN SURRY SCHOOLS

Number of Students Is
Said To Be Largest
In History

John W. Comer, county superintendent of schools, stated Wednesday that he had received reports from the 31 schools of the county for the first week of school and that the total enrollment was 10,123 for the schools for white children and 481 for the colored children.

In the twelve high schools of the county there was a reported enrollment of 1,913, and in the 31 elementary schools there was a reported

enrollment of 8,210. These schools are for white people.

CHANCES ARE FRANCE TO SUPPORT ENGLAND

Paris, Oct. 1.—Chances are "three to one" that France will support a strong British stand against Italy, a British spokesman said tonight after important conferences among officials of the
