It's tailored so skillfully that it looks like a hand-made job throughout. It's styled by some of the most experienced designers in the business. And it's form-fitting!

But its chief claim to fame is its new Arosset Collar—the collar that keeps its fresh spic and span look from morn till night.

It won't wilt or blister in hot weather. It won't wrinkle. And yet it stays as comfortable as any collar you ever buttoned on your neck.

This new shirt with the Arosset is Sanforized Shrink, of course—guaranteed for permanent fit. See it.
