WHIRLWIND TOBACCO SIGN-UP CAMPAIGN **UNDERWAY IN STATE**

Machinery for Drive Set Up After Farmers Meet

SEEK COOPERATION

Raleigh, March 17.-A "whirlwind" tobacco sign-up campaign seeking the co-operation of Virginia. South Carolina and Georgia planters in an effort to reduce the 1936 fluecured crop, was launched in North Carolina today.

Machinery for an intensive drive to secure the signatures of 80 per cent. of the growers or of growers owning 80 per cent. of the acreage on which the 1935 tobacco crop was produced was set in motion immediately after a representative group of farm leaders unanimously had endorsed provisions of the proposed contract.

Under the contract, the flue-cured crop this season would be limited to 70 per cent. of the base acreage under the old AAA.

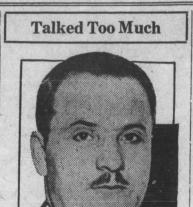

Governor Ehringhaus was author ized by the central steering committee to contact Governor George Peery of Virginia and Governor Olin D. Johnston, of South Carolina, tonight to urge immediate conferences looking to similar campaigns in those states

Dean I. O. Schaub of the N. C. state College extension service, tola the farm leaders a sign-up campaign was started in Georgia today as the meetings held last outgrowth of week, and said he had assurances the program would be backed there. Named on the central steering committee to direct the drive in North Carolina were: Claude T. Hall who was selected Woodsdale, chairman; J. Con Lanier of Greenville, who was chosen secretarytreasurer; Dean Schaub, J. E. Winslow of Greenville, head of the farm bureau federation; Harry P. Caldwell of Greensboro, representing the state Grange; H. P. Foxhall of Rocky Mount, president of the Eastern Carolina Tobacco Warehouse-men's Association, and Titus Currin, farmer of Oxford

Dunk Vestal, of Jonesville, and Gilbert Smith, Yadkin county negro, of whom local police have been able to learn very little, are in jail at Dobson in default of \$750 bond each as a result of their alleged robbery of the Railroad Lunch, located in the rear of the Casstevens Hardware Co. building here, last Thursday night. The two were arrested later in Yadkin county by Deputy Sheriff Ruffin Haynes, when several people informed police that they had witnessed the break-in. The robbery occurred about 9 p.m. The loot consisted of a slot machine, cigarettes candy and a small quantity of wine and money.

Vestal was also charged with carrying a concealed weapon.

Thad Evans, who is said to live on the Boonville road, is also being sought by police in connection with

the robbery. Another robbery occurred here the latter part of last week when thieves entered the rear window of the pool room located in the old Farmers & Merchants bank building and looted a slot machine. No arrests have been made in this case.

Still a third theft took place Saturday night at the Rendezvous, near Jonesville, the automobile driven by Charlie Hanes, of Elkin, having been Farmers Needing Loans stolen while outside. The car, it is understood, was later recovered at Elizabethtown.

ATE NEWC from the State and Nation LITTLE HOPE OF NEW PEACE PACT

London, March 17.—A high British authority said tonight "it was not conceivable" a lasting solution for European problems could be found at the present meeting of diplomatic representatives of Locarno pact powers.

His statement came as Locarno representatives adjourned after another midnight session on the heels of a fresh French "ultimatum" and a Soviet blast against Adolf Hitler.

The diplomatic gloom, temporarily dissipated by Nazi acceptance send delegates to the League of Nations council session considering violation of the Locarno treaty by German remilitarization of the Rhineland deepened in the face of the British statement.

REFUSES TO

Washington, March 17.-After refusing to appropriate \$12,000,-000,000 for the Florida ship canal, the Senate today involved itself in an indecisive debate over compulsory military training, that deferred · until tomorrow a final vote on the \$611,000,000 army supply bill.

By a 39-to-34 vote it rejected an amendment by Senator Fletcher (D), Fla., which would have added \$20,000,000 to the measure, including \$12,000,000 for the ocean waterway begun with relief funds and \$8,000,000 for three smaller WPA-initiated projects.

The event, Elkin Bargain Days, will be really worthwhile to citizens of this section and neighboring towns and communities. Elkin merchants have been preparing for weeks by stocking their stores with special merchandise which will mean really worthwhile savings to those who take advantage of them. Elkin stores offer a wide range of merchandise and everything that can be purchased in larger towns can be obtained here, thus doing away with the trouble and expense of long trips to more distant towns.

The complete program for both big days will be found in an advertisement located elsewhere in this issue. Everyone who is interested in saving money on their purchases and in having a lot of fun and entertainment in addition, is urged to visit Elkin on both trade days.

PUBLISHED WEEKLY

WORK ON BUILDING

John W. Comer, county superin-tendent of schools, stated Wednesday morning that the appropriation. for the construction of the new school building now being erected on Elk Spur street here has been increased from \$12,120 to \$16,817 by the WPA authorities, and that the increased appropriation by the government organization will allow the completion of the school building without incurring any obligations or expense of the building upon the town.

When the original plans were drawn up an appropriation from the WPA was granted in the amount of \$12,120, which was to have been 45% of the cost of the building, the other 55% of the cost to be paid by the county. But a necessary alteration of the plans for the building made an increase also in the cost of its construction, which made the original appropriation insufficient for its completion, and it looked for a time that the town would have to pay the added expense.

However, through the efforts of F. W. Graham, M. Q. Snow and Paul Gwyn, of Elkin, who were given wholehearted assistance by Congressman Frank Hancock, the WPA authorities were prevailed upon to increase their appropriation to \$16,817, an amount sufficient to take care of the 45% of the cost of construction, and the amount desired has been granted.

Gap To Sparta Blocked

An unexpected snow storm which Tuesday morning swept over western North Carolina, left a trail of wreckage and deep snow drifts from Roaring Gap to Sparta, the highway early Wednesday morning having been reported as blocked.

Snow was said to have fallen to a depth of six inches at Sparta, a stiff wind piling it into huge drifts. Power lines were blown down and many fallen trees had to be cut away to open the highway. The extent of the storm here was

marked by a rapid drop in temperature, accompanied by snow, sleet and hail, the rain which had been falling Monday night and Tuesday morning changing into snow late Tuesday morning.
