

# NEWS FROM THE COUNTY CAPITAL

Dobson, June 15.—The county attorneys met here last Friday to make up a calendar for July court, which convenes on the 13th day of July.

John W. Comer, Basile Marion, B. F. Folger, Emmitt Gillespie and John Lewellyn attended the Democratic state convention at Raleigh last week.

Livingston Williams of Boone, was in Dobson Saturday on business.

John Alfred Haynes and sister, Mary Grace, were in Dobson Wednesday looking after some legal business pertaining to the estate of their mother Mrs. DeEtte Kapp Haynes.

The Woman's Missionary society of the Methodist church met

with Mrs. Sallie Folger Tuesday evening. Mrs. Grady Cooper, the president, conducted the devotionals. Mrs. Maude Freeman was program leader. Miss Lucille Freeman played a piano solo. Mrs. Maggie Harkrader Lewellyn and others added to the program.

Will Lovell, attorney of Boone, was in Dobson today on legal business.

The June pension checks, making glad the hearts of old soldiers and widows, are now being distributed by the clerk of the superior court.

Mr. and Mrs. Henry Wolfe of Mt. Park, were visitors Monday afternoon in the home of Mr. and Mrs. W. L. Reece.

Tom Cooper spent Sunday in Winston with his daughters, Agnes and Mrs. Ernest Snow.

Henry Hampton spent Sunday in the Tuttle home near Rural Hall.

Clyde Wright, teacher of agriculture in Dobson school is spending a few weeks at the State College in Raleigh.

Mrs. Emma Reece Mock and Miss Emma Comer, are spending a few days with Mrs. A. D. Folger in Raleigh, during the illness of

Atty. A. D. Folger, who is in Mary Elizabeth Hospital suffering an attack of pleurisy. He is reported some better at this time.

Dr. L. B. Abernethy of Elkin, preached at the Methodist church Sunday evening, on "Helping Others." Everybody enjoyed his sermon.

Miss Iris Collins of North Elkin is visiting her aunt, Mrs. Clyde Wright.

Mr. and Mrs. E. L. Taylor are spending some time in Virginia. Their children, E. L. Jr., Bob and Larry, are visiting Mr. and Mrs. Walter Taylor in Ashe county.

Grady Cooper left today with a group of 4-H boys and girls of Graham for Swananoa on a camping trip. Miss Mary Cooper and Grady, Jr., accompanied them. They will spend a week along the beautiful Swananoa river.

Mrs. Wendell Stone left today for Boone where she will attend summer school.

## Two Accidents Occur At Bridge

(Continued from front page)

the north end of the bridge when the truck operated by Lindsey, going west on East Market street extension, entered the intersection and crashed into the side of the trailer, doing quite a bit of damage to both trailer and truck. Lindsey, aside from a cut on the arm, was uninjured. Hamilton was unhurt.

The Raleigh truck, heavily loaded with shelled corn, was en route to Sparta. Patrolman Crowell stated he had made no arrests.

## Real Estate

Dear Soldier "Buddies:" You are receiving your "adjusted service certificates" (not bonus). We earned this at \$2.00 per day in the U. S. and at \$2.50 per day overseas.

At the time we were receiving \$1.00 per day in camp or \$1.25 per day overseas, our playmates and friends were working at the camps for from \$10.00 to \$15.00 per day, so you easily see this is still only part of the amount paid for. (In lots of cases boys that were not physically fit for army service. (So do not think of your bonds as a bonus or as "come easy" and "go easy" money; but consider and see if you can make this your first payment on a home or if you have a home and want a better one spend it that way. The old saying is very true, viz: "The dearest place on earth is our home next to Heaven." We know this is not true in every case, but it should be true if we as man and wife do as we should. I have had more than 20 years experience in both building and real estate business and know I can be of some service to many of you if interested in these lines. Do not fail to call and see me if you need either a home or your own remodeled.

We still have some real values in both small farms and city property. Come in and see me. D. C. Martin, Elkin National Bank Bldg. Phone 78

## GEORGE'S PLACE ROBBED SUNDAY

### Odell Payne in Yadkinville Jail in Lieu Of Bond

Odell Payne, about 25, of Jonesville, is in jail at Yadkinville in default of \$500 bond on a charge of entering George's Place, a filling station located in Jonesville at the south end of the new bridge, and stealing two slot machines. Payne is also alleged to have stolen an automobile belonging to Marshall Hemric, proprietor of the filling station, and to have wrecked it.

Discovery of the robbery was made Monday morning, and the wrecked automobile was found on Elk Spur street where it had been driven from the road and through a fence.

It was said Payne admitted robbing the place, and that after bursting the slot machines, which were thrown from the bridge into the Yadkin river, he attempted a getaway in the stolen car. After wrecking it, however, he returned and confessed, giving back the money alleged to have been taken from the slot machines, it was said.

Hemric and another man were sleeping in the filling station at the time it was entered and robbed, thus making Payne liable to a charge of first degree burglary, which is a capital offense. However, no such charge has been preferred, it is understood.

## State Secretary Tells Kiwanians Of Opportunity

(Continued from front page)

\$100,000 building can be secured, it will contain a full size gymnasium, an excellent swimming pool, health and social rooms, and other departments for both sexes, he said, also space to be used as a meeting place for community affairs.

Mr. Chatham has also offered to connect such a building with the electrical and heating plants of the Chatham Manufacturing company here, Mr. Wilson said.

It was further stated that there are a number of towns with populations of around 12,000 which are anxious to secure a Y. M. C. A. building but are unable to finance it. However, due to the fact that Elkin, even with a much smaller population, has a manufacturing plant with funds and a management with a heart, the town has the finest opportunity to secure such a building of any other town within the speaker's knowledge.

L. G. Meed, president of the club, urged the Kiwanians to take the matter under serious consideration and to see what can be done. A club committee to further the matter is to be appointed within a few days.

Mr. Wilson was introduced by Kiwanian Errol Hayes, who acted as program chairman.

## Large Sum Loaned In Surry County

(Continued from front page)

repaid this year, while from two to three years is allowed for repayment of livestock loans. In some of the cases the borrowers are expected to be able to repay the loans in one year.

Farmers to whom loans are made conduct their farms upon the planned cropping and farm production system worked out for this vicinity by the farm experts under supervision of the supervisor and advisory committee in order to insure proper repayment of the loans and profitable farming for the small-scale farmer in normal years, Mr. Harrison stated in his explanation of the rural resettlement program as it has been applied to Surry county.

The live-at-home idea is stressed by the resettlement bureau, which includes in its plan for farm operation a method for producing necessities of life, as far as this is possible.

The farm system worked out for the smaller planters in this country who had been unable to make their farms pay because of the bad crop years, droughts, low prices and other reasons includes a balanced cropping plan with provision for feed and food crops, which had formerly been very much neglected by the farmers.

The live-at-home plan, worked out in conjunction with the main farm system and supervised by Mrs. Sara A. Hough, provides for an adequate amount of food, clothing and equipment for the home. Stress is placed upon sufficient garden space, hogs for meat, poultry and cows.

One of the most important divisions of the program, it seems and the one upon which its success hinges, is that the supervisors endeavor to educate the farmers in regard to their own situation and to teach them that their primary aim should be toward making themselves self-sustaining

in regard to food, clothing and shelter by handling their farms in the proper manner. The matter of foodstuffs is stressed instead of cash crops, which had formerly occupied much of the farmers' time and caused the financial failure of many when prices dropped during the depression.

## Three-Fourths Of Tillable Land In Surry Signed Up

(Continued from front page)

calling at the county farm agent's office at Dobson within the next few days. Those who had signed working sheets before the recent changes were made in the program will be eligible to receive the additional benefits of the program as well as the more recent signers. The changes allow a mixed crop of wheat and lespedeza to count as one half soil conserving crops. Also corn and cow peas or soy beans will count as one half soil conserving, and will be eligible to the cash payments.

Mr. Crawford also stated that he expected the 1935 tobacco checks to be in within the next two or three weeks.

## State Democrats Pledge Votes To Pres. Roosevelt

(Continued from front page)

Almost every reference to Roosevelt and Ehringhaus brought cheers from the more than 3,500 persons who sat through most of the convention.

Business was disposed of with dispatch after the keynote address but the convention had to wait two hours then on the platform committee's report and hundreds of delegates left the hall.

Immediately after the convention adjourned the delegates to the national convention, acting on instructions, named A. D. (Lon) Folger of Surry county national committeeman. Miss Beatrice Cobb, of Burke was re-elected committeewoman.

Governor Ehringhaus was named chairman and spokesman for the delegation, Senator J. W. Bailey of Wake was placed on the platform committee, Congressman R. L. Doughton, of Alleghany on the rule committee and Charles H. Robertson, of Orange, internal revenue collector for the state, on the credentials committee. Hugh Mitchell, of Statesville was elected delegation secretary.

## SURRY MAN DIES IN FLINT, MICH.

### Pneumonia Is Fatal to Van Alexander Kennedy

Van Alexander Kennedy, 76, a native of Surry county, died June 1, at Hurley Hospital, Flint, Michigan, following a brief illness from pneumonia. The deceased spent his long, useful life in this county, going to Michigan to

make his home with his daughter, only eight months ago. His wife, Mrs. Nannie Harris Kennedy, preceded him in death six years ago.

He is survived by four daughters, Mrs. Geo. D. Smith, Michigan; Mrs. Walker Macey, Leaksville; Miss Thelma Kennedy, Maydan, and Mrs. Curtis Beamer, Michigan; and two sons, Heber Kennedy, of Michigan, and Olin Kennedy, of this state. Funeral services and interment were in Michigan.

Makes A Difference Passenger: "Have I time to say good-bye to my wife?" Porter "I don't know, sir; how long have you been married?"

## VETERANS! Spend Your Bonus Wisely!

When the Bonus Bill was passed by Congress, we, like thousands of other merchants the country over, were of the opinion that payment of the bonus would serve to stimulate business by releasing millions of dollars into the channels of trade.

However, now that Veterans are receiving their bonus bonds from the government, we want to urge all Veterans to spend their bonus money wisely. Without a doubt, since payment of the bonus was authorized by Congress, more schemes have been cooked up to re-lieve the veterans of their money than we have space to tell. But you will find no schemes advertised by reputable merchants.

As furniture dealers, we are not in business altogether for our health. We need business to exist. But we do not need it bad enough to start shouting for the Veterans to spend their entire bonus for furniture and furniture alone. Rather, we counsel you to spend your bonus wisely.

However, if by chance you are in the market for new furniture, naturally we hope you will favor us with your patronage. We are ready and willing to serve you in any way possible . . . to aid you in selecting the furniture you desire and in making every dollar go as far as possible. But we do not believe in trying to high pressure you into buying just because we know you have money in your pocket. It's not our way of doing business.
