G. O. P. Propaganda? Teacher: "Harold, where is the gate. elephant found?"

"But teacher, the elephant is so SWANS fresh water big that it couldn't get lost?"

Of all the forms of animal life which I see around my country home, birds always interest me There is something fascinating in the facility with which iting her mother, Mrs. Sam Car- and son, Billy, of Guilford Col- they do what humans can do only that is to fly. And even the best airplane ever built can't light on the limb of a tree!

The trees around my house are populated by a great variety of principal tenants. They are not only beautiful to look at, but alone among the birds I know they seem to have a sense of humor. At least, they always seem to be laughing, as if at a good joke.

I have a friend, Dr. Casey Wood, a famous oculist now retired from practice, whose hobby is the study of bird vision. He tells me except hawks.

HAWKS and owls Wild-life experts are saying now! that farmers make a when they shoot hawks. The oc-pital during the past week Atkinson and a sophomore at may snatch when there is no Pardue, Elkin; Mrs. Edna Church, other food in sight is small pay Yadkinville; J. B. CLAIMED BY DEATH

Mr. Jasper W. Shermer, 53, passed away early Friday morning at his home, Yadkinville, route 2, near Forbush Baptist church. He had been in declining health for the past year and critically ill for 7 months.

Mr. Shermer was born in Yadkin county near Deep Creek Baptist church, a son of the late Perry and Louisa Hoots Shermer. He had spent his entire life in the county except a few years spent in the West in early manhood. He

profit is a necessary adjunct if one is to stay in busine
