"He bought a score card at the ball game and neither team scored."

WHAT GEORGE MEANS

Ruth was a sweet girl. She was

reading a book that gave the meaning of names. Her mother was watching her, and thinking of all the young men who were attracted to her.
"Mother," says Ruth, "it says Philip means lover of horses, and James means beloved. Mother, what does George mean, I wonder?"
"I hope, my dear," said her mother "that George means business."
