

# RESPECTED ELKIN CITIZEN IS TAKEN BY DEATH MONDAY

Luther M. Hinshaw, 62, Passes at His Home Here

WAS HIGHLY ESTEEMED

Stroke of Paralysis is Immediate Cause of Death; Had Been Injured

RITES HELD TUESDAY

Luther Monroe Hinshaw, 62, widely-known citizen, passed away at his home just west of Elkin at 7 o'clock Monday morning following a long period of ill health and a critical illness of two weeks. He was a native of Yadkin county and a son of the late Mr. and Mrs. John Hinshaw. During the quarter of a century he had resided in this community he was held in the highest esteem by all with whom he came in contact. He was a justice of the peace for a number of years and also was manager of the basement store of the Sydner-Spahnour company here as long as his health permitted.

About two years ago he suffered injuries when he was struck by an automobile on a downtown street and had never fully recovered from this injury. A stroke of paralysis was the immediate cause of his death.

Since early boyhood he had been a member of the Methodist church and was always interested and active in the work of the church.

Funeral services were held Tuesday afternoon at 4 o'clock from Mitchell's Chapel, Yadkin county. Prior to the service the body lay in state at the church for one hour. The rites were in charge of Rev. Mr. Poole, pastor of the church, assisted by Rev. W. F. Page and Rev. Robert Speer. Interment was in the church cemetery.

Immediate survivors include his wife, Mrs. Minnie Brown Hinshaw; one daughter, Miss Nettie Hinshaw; four sons, Leo, Clyde, Albert and Paul Hinshaw; four grandchildren, three brothers, I. M. and S. T. Hinshaw, of Yadkinville and Ed Hinshaw, of Booneville, and three sisters, Mrs. Miles Sprouse and Mrs. Bettie Casstevens, of Yadkin county, and Mrs. E. C. Mackie, of Guilford College.

The throng of people attending the services and the profuse floral offering attested to the esteem in which the deceased was held.

# DR. SETH BEALE TO RETURN HERE

Will Occupy Offices of Dr. Hugh Parks in Salmons Building

DR. PARKS TO HARVARD

Dr. Seth M. Beale, who left here about the first of April to take a place on the staff of the Federal Hospital, Lexington, Ky., will return today and re-enter private practice. He will occupy the offices of Dr. Hugh Parks, in the Salmons building. Dr. Parks will leave today for Harvard Medical College to do post-graduate work prior to taking his place as medical director at Hugh Chatham Memorial Hospital.

Dr. Beale, a native of Alamance county, is well-known here where he served as interne at the local hospital from July 1936 until early in the year, and also in 1933, and at the close of his association with the hospital he did general practice here for a short time before going to Kentucky. He is a graduate of Tulane University, New Orleans, and has had wide experience, having been stationed in the Marine Hospital at San Francisco until July of last year.

Both he and Mrs. Beale have many friends here who will be glad to know that they will return here to make their residence.

TO ORGANIZE PEACH GROWERS ASSOCIATION

There is to be a meeting of the peach growers of the county at the office of J. W. Crawford, county farm agent, at Dobson, Saturday, June 26, at 2:00 p. m. which will be for the purpose of organizing a peach growers association, the purpose of the organization being to secure better prices for the crop.

# Elkin Fair Is To Be Staged Here This Fall

At a meeting of the directors of the Elkin Fair Wednesday morning, it was decided to again have the fair here this year despite the disastrous attempt of last year when rain and wind resulted in its cancellation on the day prior to its scheduled opening.

This year's fair will be held in the new school gymnasium, which will provide ample space and which is situated so that ample parking space is available.

No date was named at Wednesday's meeting, but will be set at a meeting of a committee appointed by the directors, within the near future.

Last year's fair had to be called off when rain and wind blew down the large tents in which the fair was to be held.

Officers and directors of the Elkin Fair are as follows: J. R. Poindexter, president; E. S. Spahnour, vice-president; Mrs. Alan Browning, Jr., secretary, and Ruohs Fyron, J. W. Crawford, George E. Royall, Joe Bivins, H. P. Graham and H. F. Laffoon, directors.

# LATENEWS from the State and Nation

## AIM IS TO SPREAD WEALTH

Washington, June 15—President Roosevelt tonight pledged his second New Deal to a far-flung social-economic reform program designed to increase the country's wealth among 40,000,000 "ill-nourished, ill-clad, and ill-housed" citizens.

The new policy, he told newspapermen at a press conference, will not necessitate an overhauling of the federal tax structure and does not contemplate discriminatory taxes against the rich to help the poor. Business men, he said, will share in the prosperity which he expects will follow a more equitable distribution of the nation's wealth.

## IREDELL YOUTH IS KILLED BY LIGHTNING

Statesville, June 15.—Bristol Austin, 14-year-old son of Mr. and Mrs. W. C. Austin, was instantly killed by lightning during a thunder shower this afternoon in an open wheat field on his father's farm 12 miles north of Statesville, near Snow Creek Church.

The father and his boys, Hughey 16, and Bristol, 14, were working in a corn field when the heavy shower came and they all sought shelter under some wheat shocks in an adjoining field. Bristol's shock did not properly protect him from the downpour and he made a dash for another nearby shock and was hit by a bolt of lightning when within ten feet of the shock in which Hughey was hiding.

## VIGILANTES PATROL JOHNSTOWN STREETS

Johnstown, Pa., June 15.—A citizen's "army" patrolled the streets of riot-torn Johnstown tonight, sworn to defend their city against the disorder that has marked the five-day-old steel strike in the Conemaugh Valley.

Hopes of an early settlement in the bloody labor war soared and then ebbed as President Roosevelt, in a statement at the White House in Washington, broke his silence on the controversy, expressing the belief that the Republic Steel Corporation should be willing to put a verbal collective bargaining contract into writing.

## JOHNSON HITS NEW DEAL PROGRAM

New York, June 15.—General Hugh S. Johnson described 1937 legislative proposals of the Roosevelt administration tonight as pushing "carefully guarded democracy some distance toward the socialist and Communist experiments." The former NEA chief described what he called the "third new deal" written by a "brilliant brain trust" in a radio address here.

# EFFORTS MADE TO SECURE OUTGOING 5:00 P. M. MAIL

Present Dispatching Service Inadequate

ONLY TWO MAILS DAILY

Graham Seeking Connection With Brooks Cross Roads Route at 5:30 P. M.

EXPECTS EARLY ACTION

An effort is being made here by F. W. Graham, postmaster, to remedy the inadequate mail service provided for outgoing mail from the Elkin office.

Under the present mail schedule letters mailed in the local post-office after 2:30 p. m. each day are not dispatched until the following morning at 6:30. This mail does not clear the gateway at Greensboro for points north and south until 11:25 a. m. the morning the dispatch is made.

The above information was contained in a letter written by Mr. Graham to W. L. Cornelius, chief clerk of the Railway Mail Service, at Greensboro, and it is hoped that within the near future the postoffice department will authorize a return service of the messenger route from Brooks Cross Roads to Elkin, which would allow mail to be dispatched from Elkin as late as 5:00 p. m. each week day.

Under the present set-up, the first mail to reach Elkin daily comes in early in the morning from Brooks Cross Roads by messenger, who receives it from the Winston-Salem-Boone mail route service. It is Mr. Graham's hope that the postoffice department will allow this morning messenger to return to Brooks Cross Roads each week-day afternoon with mail, there to connect at 5:30 with the star route from North Wilkesboro to Greensboro.

Mr. Graham pointed out that by observation and actual count, the accumulation of letters at the Elkin office between 2:30 p. m. and 5:00 p. m. will average approximately 200 daily. He also stated that the local office receives an average of from two to three hundred letters daily from the Sparta star route. Under the present system these letters must remain in the local office until 6:30 the next day before being dispatched.

Mr. Cornelius has been here relative to the proposal for an additional mail dispatch service, and it is hoped such a dispatch will become an actual fact within the next 10 days or two weeks.

# CHATHAM TO FACE WALKERTOWN SAT.

Blanketeers Win Two During The Past Week-End By Close Scores

HOYT HAMBRIGHT STAR

The Chatham Blanketeers, handicapped by loss of several members of the team due to sickness defeated Statesville Chair Co., at Statesville, by a score of 4 to 3. Hoyt Hambright was on the mound for Elkin and pitched a good game, allowing the Chair-Makers only two hits. Mackie and Gough took batting honors for the Blanketeers.

Saturday the Blanketeers, backing the brilliant pitching of Boles, who allowed only eight hits, defeated Hanes Hosiery, of Winston-Salem, here by the score of 4 to 2 in 10 innings. Hambright featured at bat, driving in one run to tie the score in the seventh and again brought in the winning run in the 10th. Neither team made an error in all the 10 frames.

Next Saturday afternoon at 3:45 the local team will face Walkertown in the first appearance of that team here this season. For many years Elkin and Walkertown have been arch rivals and the fans of this section can look forward to a hotly-contested game.

# Roger Lee Reid

Roger Lee Reid, four-day old son of Mr. and Mrs. Clinton Reid died Friday. He is survived by his parents, and a brother and a sister. Interment was in Hollywood cemetery.

# Safety Parade To Be Held Here Saturday With Driverless "Magic" Car As Feature; Many Expected To See Unusual Exhibition

## Driverless Car to Take Part In Safety Parade

Pictured above is a view of a driverless "Magic Car" which took part in a Safety Parade which was held recently in a neighboring North Carolina City. A similar Safety Parade is to be held here next Saturday under the auspices of the Elkin Merchants association, and will feature a driverless car that will be made to move, stop, make right and left hand turns, and blow its horn exactly as if an efficient driver was at the wheel. However, this machine will absolutely have no one in it, concealed otherwise, and will be operated from another car 30 feet behind. Thousands have attended similar parades in other towns and cities of the state, and everyone in this entire section is invited to Elkin Saturday to witness the parade and see this amazing driverless car, which will be piloted by "Wild Jim" Lynch, dare-devil, ex-cowboy, movie actor and stunt man.

# Tobacco Specialists Of Opinion Flea Bug Damaging Leaf Crop

## IN THIS SECTION

Recommend Mixture To Be Used in Spraying Deadly Insects

## CAN USE OTHER SPRAYS

Sent into this section at the instance of Congressman Frank Hancock and "Farmer Bob" Doughton, who were acting on an appeal by A. D. Folger for help, specialists from State College and the state tobacco experiment station said Monday afternoon that in their opinion the flea beetle, or ordinary "flea bug" has been the worst enemy that has attacked young tobacco in North Carolina.

The specialists hurried to this section when it was disclosed that something was killing the young tobacco plants and that if something was not done chances were that only half a crop would be raised this summer.

In stating their opinion of the flea beetle, the state men said that it was probable that the much discussed wire worm and blue mold had weakened the crop of young tobacco, but the flea beetle had begun its deadly work so soon after the other plagues that it was all but destroying the bulk of the crop in Surry, Yadkin and Stokes counties.

Following a conference with County Agent L. F. Brumfield, of Yadkin, the specialists advised all farmers to start a spray program immediately. They believed that if the spraying were begun at once with a reasonable amount of re-planting, fair crops of tobacco can yet be grown. The spray that is advised is not expensive and has been found most effective when used this year by a few tobacco growers.

The experts recommended the following mixture for spraying: five pounds arsenate of lead, one pound paris green, first mixed together. Place 1½ pounds of this mixture in an ordinary barrel of water—that is, 50 gallons of water. These ingredients can be

# KLONDIKE GUERNSEYS MAKE FINE RECORDS

Two Gunerneys of the Klondike Farm herd have recently finished new official test records which entitle them to entry in the advanced register of the American Gunerney Cattle Club.

Four and one-half-year old Lord Sequel's Spring Queen, 342, 863, produced 12,401 pounds of milk and 607.3 pounds of butterfat in class BB, and four and one-half-year-old Klondike Gay Fannie, 339, 646, produced 11,488.7 pounds of milk and 564 pounds butterfat in class BB.

# LOCAL CAB DRIVER IS BADLY INJURED

Worth Church Sustains Fractured Skull in Sunday Night Accident

## THREE OTHERS INJURED

Worth Church, a driver for City Cabs, of this city remains in a serious condition at Hugh Chatham Hospital as the result of a badly fractured skull about 11 o'clock Sunday night when the cab which he was operating turned over several times. The accident occurred on the Elkin-Winston-Salem highway near East Bend, and was thought to have been caused by the blowout of a front tire.

Webster Darnell, Jesse Couch and Charlie Minton, passengers in the cab driven by Church, escaped with lesser injuries. Minton suffered a fractured ankle.

Immediately following the accident small hope was expressed for Church's recovery, and his condition remains critical.

The young man is a nephew of the late W. G. Church, former chief of police here. Since the death of his parents some years ago he has been residing with an uncle, O. H. Huffman.

# LOCAL MERCHANTS ASSOCIATION IS SPONSORING EVENT

Object Is To Make People Safety Conscious

MANY WILL TAKE PART

Driverless Car to Be Operated By Remote Control From Car in Rear

PARADE ON MAIN STREET

Arrangements have been completed here for a big Safety Parade which will be held Saturday afternoon, June 19th, at 3:00 o'clock in an effort to impress upon the minds of motorists the importance of driving safely as their part in a campaign to cut down automobile accidents on the highways.

Similar parades have been held in Charlotte, Winston-Salem, Raleigh, North Wilkesboro and numerous other North Carolina towns and cities, and reports are that huge throngs turned out to watch. Such a crowd is expected in Elkin Saturday.

A feature of the parade will be a driverless car, known as "The Magic Car," which will be piloted by remote control from another car by Captain J. J. Lynch. The driverless car will not have anyone concealed in it and will actually be made to move in the parade, stop, turn corners, blow its horn and otherwise act as if it had a human driver at the wheel.

A representative of The Tribune was in North Wilkesboro last Saturday to observe the driverless car there in a similar parade, riding in the car behind, which was used by Captain Lynch as the control car. Using only one key, similar to a telegraph key, which was connected to the "Magic Car" ahead by only one wire, Captain Lynch actually

# GWYN APPOINTED AS SOLICITOR

Mount Airy Man is Named District Judge for 21st Judicial District

CONTAINS 4 COUNTIES

Allen Gwyn, of Reidsville, has been named solicitor of the newly formed 21st judicial district created by the last session of the general assembly, and Edward C. Bivins, of Mount Airy, has been appointed judge of the district. Both appointments were made by Governor Hoey Tuesday.

Prior to his appointment as solicitor of the 21st district, Mr. Gwyn was solicitor of the 11th district, and is succeeded in that district by J. Earle McMichael, of Winston-Salem.

The 21st district was split from the 11th district, and is made up of Caswell, Rockingham, Surry and Stokes counties. The 11th district now contains Forsyth, Alleghany and Ashe counties.

# GRAYSTONE INN TO OPEN ON JUNE 26

Some Guests May Be Admitted Informally Before That Date, Manager Says

## GOLF COURSE IS OPEN

Graystone Inn, at Roaring Gap, will be opened formally for the season Saturday, June 26, although some guests may be admitted informally prior to that time, Walter Bovard, manager, has announced.

The hotel has been thoroughly repainted and reconditioned and this work has slightly delayed the opening date, Mr. Bovard stated.

Mr. Bovard comes to Graystone Inn after eight years as manager of Esseola Inn, at Linville, and Roimarr Club, at Vero Beach, Fla. He has brought with him his chef and department heads who have been with him for a like period.

Mr. Bovard states that the golf course is open to use and that it has occasioned much favorable comment. Dumpy Hagler, professional golfer, is in charge of the course.

# CHILDREN'S DAY TO BE OBSERVED SUNDAY

Children's Day will be observed Sunday at Mountain Grove, Cycle Route. Sunday school will be held at 9:45 and the morning worship hour at 11 o'clock. H. H. Cash will deliver the sermon. The children's program will be at 1:30 followed by an address by Dr. W. A. Jenkins at 2 o'clock. Later the Cool Springs Singers will present a program.

## JOE GISH

BEEP BEEP

OPPORTUNITIES ALLUS LOOK BIGGER AFTER THEY'VE PASSED BY.
