Mrs. Royall briefly explained the meaning of "F. I. D. A. C." which freely means "Legion of Allied Veterans of the World War." Nations having membership in this organization are United States, Great Britain, France, Belgium, Italy, Yugoslavia, Poland, Roumania, Portugal, Czechoslovakia and Greece.

F. I. D. A. C. was planned July 1920; organized November 20, 1920. Its purposes are to draw closer the links which bound ex-service men in 1914-1918; to keep reverently the memory of the dead; to work for peace; to defend the rights of ex-service men, women and dependents; to recall efforts and sacrifices of F. I. D. A. C. countries in 1914-1918; to combat false news. The permanent headquarters are in Paris and the annual meeting is called Congress and it is held each year in a different country. All members of the American Legion and Auxiliary are members of this organization.

A paper on the origin and meaning of Flag Day was read by Mrs. Ruth Byrd Crater. During the business hour the annual reports of the activities of the organization were read. Much good has been accomplished during the year and the scope is wider than any year since the organization of the local post. Officers for the coming year were elected as follows: President, Mrs. George Royall; vice-president, Mrs. Beatrice Myers Phillips; treasurer, Miss Mattie Mae Powell; secretary, Mrs. T. W. Church; Chaplain, Mrs. Marion Allen; Historian, Mrs. Joe Bivins and Sergeant-at-Arms, Mrs. F. W. Graham.

Mrs. Joe Bivins was elected as a delegate to attend the state meeting of the Legion and Auxiliary in Durham in July and Mrs. Marion Allen was appointed as alternate. During a social hour a tempting ice course was served.
