JOTTINGS FROM THE OLD NOTE BOOK

Let's see, there's several matters needing attention, but not enough to reach the length of this column. First, got sort of tangled up, which is there's the request from one reader who suggests that we a way newspapermen have, seems make mention of the fact that parents who have children like. with whooping cough should be considerate enough of other

children to leave their children at home during the course of the ailment. There's enough cases of whooping cough spread around cure anything from loss of relignow, she said ion to chilblains.

Hot Weather is Here-**Beware of Biliousness!**

Have you ever noticed that in very hot weather your organs of digestion and elimination seem to become torpid or lazy? Your food sours, forms gas, causes belching, heartburn, and a feeling of rest-lessness and irritability. Perhaps you may have sick headache, nausea and dizziness or blind spells on suddenly rising. Your tongue may be coated, your comongue may be coated, your com-plexion bilious and your bowel actions sluggish or insufficient.
