Charlie Humphries will conduct prayer services at Little Richmond Baptist church Sunday evening at 7:30. The public is cordially invited to attend.

Englishmen speak of money in terms of a pound. But an American wouldn't be satisfied with anything less than a pound.

Reflections of Noah
Young Son—Say, Dad?
Dad—Now what, young fellow?
Son—Nothing much. I was just fighting these pesky flies and wondering if Noah had two flies in the Ark.

Dad—Why, I guess so. They say he had two of every kind of livestock on that old boat.
Son—Then, what I can't figure out is why he didn't swat both of them when he had the opportunity.

Not Satisfied
Mike—My doctor told me to give up drinking, smoking and going out nights.

Ike—I guess that means that you will change your habits.
Mike—Not at all. It means that I will change doctors.

8 EXTRA POUNDS OF RUBBER

TAPPING RUBBER TREES ON FIRESTONE PLANTATIONS IN LIBERIA
From these plantations come an ever increasing supply of rubber. Firestone saves in producing raw materials, manufacturing and distribution to give YOU more for your money.

Another Reason Why FIRESTONE GIVES YOU SO MUCH Extra Value at No Extra Cost

YOU GET EXTRA PROTECTION AGAINST BLOWOUTS—eight extra pounds of rubber are added to every 100 pounds of cord by the Firestone patented Gum-Dipping process.

YOU GET EXTRA PROTECTION AGAINST PUNCTURES—because under the tread are two extra layers of Gum-Dipped cords.

YOU GET EXTRA PROTECTION AGAINST SKIDDING—because the tread is scientifically designed.

YOU GET LONGER NON-SKID MILEAGE because of the extra tough, long-wearing tread.

Before leaving on your vacation trip, join the Firestone SAVE A LIFE Campaign by equipping your car with a set of new Firestone Standard Tires—today's top tire value.

DON'T RISK YOUR LIFE ON THIN WORN TIRES DO YOU KNOW THAT last year highway accidents cost the lives of more than 38,000 men, women and children? That a million more were injured? THAT more than 40,000 of these deaths and injuries were caused directly by punctures, blowouts and skidding due to unsafe tires?
