Why FIRESTONE ALWAYS LEADS IN GIVING TOP TIRE VALUE

PRICES AS LOW AS
\$6.40

FIRESTONE makes great savings by controlling rubber and cotton supplies at their sources, by more efficient manufacturing methods, by selling in such large volume that distribution costs are lower. These savings are passed on to you as extra values.

8 EXTRA POUNDS OF RUBBER to every 100 pounds of cord. Extra value AT NO EXTRA COST.

PROTECTION AGAINST BLOWOUTS, because by the Gum-Dipping Process every fiber of every cord in every ply is saturated and coated with pure, liquid rubber, counteracting internal friction and heat that ordinarily destroy tire life. Extra safety AT NO EXTRA COST.

PROTECTION AGAINST PUNCTURES, because under the tread are two extra layers of Gum-Dipped cords. Extra strength AT NO EXTRA COST.

PROTECTION AGAINST SKIDDING, because the scientific tread design prevents this danger. Extra safeguard AT NO EXTRA COST.

Don't take chances with worn tires on your Fourth of July trip. Join the Firestone SAVE A LIFE Campaign today by equipping your car with a set of new Firestone Standard Tires.

DON'T RISK YOUR LIFE ON THIN WORN TIRES DO YOU KNOW

THAT last year highway accidents cost the lives of more than 28,000 men, women and children?

THAT a million more were injured?

THAT more than 40,000 of these deaths and injuries were caused directly by punctures, blowouts and skidding due to unsafe tires?
