Little Freddie's mother was in the hospital, and he was paying a visit to see his new brother. He wandered into an adjoining room which was occupied by a woman with a broken leg.

"Hello," he said, "how long have you been here?"

"Oh, about a month."

"Let me see your baby," he ordered.

"Why I haven't a baby," the woman replied.

"Gee, you're slow," said Freddie. "My mother's been here just two days and she has one."
