## Most Outstanding and **Prominent Men**

## WAS A FRIEND TO MAN

In honor of one of Elkin's most prominent citizens, the late Hugh Gwyn Chatham, was named Elkin's hospital.

Although Mr. Chatham been dead since October 10, 1930, his memory will continue to live. Loved by all who knew him, his heart, hand and purse had been the friend of man and his community in time of need, in the struggle of community building, and in attaining the loftiest goals to which one aspires.

The father of Thurmond Chatham, Mr. Chatham was president of the Chatham Manufacturing Company up until the time of his death, the office of president then going to his son. During his years as head of the organization, he succeeded in founding the business upon a staple basis, and to-day it ranks high among the outstanding manufacturing companies of the nation.

Although Mr. Chatham removed his residence from Elkin to Winston-Salem prior to his death, Elkin always claimed him as her own. And it was in the honor and memory of this man, to whom suffering humanity was always a grave source of personal concern. that the local hospital was reared to bear his name.
